COLLECTION, USE AND DISCLOSURE OF INFORMATION:
In consideration of being permitted to participate in Canadian Interuniversity Sport, student-athletes allow Canadian Interuniversity Sport to:
• disclose their telephone number(s) and address to the Canadian Centre for Ethics in Sport for its use in the conduct of the Canadian Interuniversity Sport Doping Control Program;
• use and disclose the information on the Athlete Registration Form and the Eligibility Certificate as well as their photograph and information about their athletic performances for promotional purposes which, as defined by the Canadian Interuniversity Sport Board of Directors, are in the best interest of the student-athlete or in the best interest of the public;

As part of its developmental and promotional partnerships with professional and national sport organizations, Canadian Interuniversity Sport will also disclose from time to time, telephone numbers and addresses only of current Canadian Interuniversity Sport student-athletes to such other organizations involved in the recruitment and drafting of athletes.

Subject to the following paragraph, I understand that the provision of the personal information contained in the Student-Athlete Registration Form and the Eligibility Certificate (hereinafter “my Personal Information”) constitutes my consent to such information being used and disclosed in the manner provided for above. I also understand that CIS is responsible only for information that is in its custody or control and that any information collected, used or disclosed by or under the control of a member of CIS or any other organization is subject to the privacy practices and procedures of that member or organization, as the case may be.

By checking this box ☐, I do not wish my Personal Information to be disclosed for the purposes listed above or for the purposes described in CIS' Personal Information Protection Policy, except for the purpose of administering the Canadian Interuniversity Sport Doping Control Program. By doing so however, I recognize that CIS may not be able to provide me or continue to provide me with some products, services or information which may be of value to me.
