GUIDELINES FOR ELECTRONIC SUBMISSION OF TENURE DOSSIERS 2016-2017

As per the regulations, tenure candidates must submit their internal package and external package [to Bonnie Borenstein, Regulatory Officer, Secretariat] by September 1 (7.12.2 Regulations Relating to the Employment of Tenure Track and Tenured Academic Staff/ 3.35 of Regulations Relating to the Employment of Librarian Staff).

As with all tenure materials, internal and external packages must be submitted in electronic format.

Internal Packages

Candidates submit one copy of their internal package in electronic format, preferably on a USB drive, using the file format and naming convention described in tables 1.1 and 1.2 below. Alternatively, the submission can be made on CD or DVD.

Additional materials include items such as articles, books and performances. They may be submitted in electronic format. For any hardcopy materials, four copies should be submitted to Bonnie Borenstein at the address in the heading above.

All documents included in the internal package must be in a subfolder clearly entitled "Internal package". The following tables indicate the preferred file formats and naming conventions for standard package components. Please avoid adding electronic folders other than those specified below.

For example: 09_int_FirstnameLastname_additionalmaterials-date If there is more than one file, please number them sequentially: 10_int_FirstnameLastname_additionalmaterials-date 11_int_FirstnameLastname_additionalmaterials-date, etc. You may also include as part of the file name whether the file contains additional materials for "teaching", "research" or "service".

In the course of consideration for tenure, your dossier will be downloaded for review by a number of reviewers, including UTC and DTC members. It is the strong preference of some of the reviewers to view the dossier as a single file. Accordingly, we ask that you include a

consolidated file of your entire dossier entitled "int_FirstnameLastname _entire_dossier". This consolidated file should therefore include all of the information that you are providing in all of the separate files.

Note that the Table of Contents feature in Adobe cannot be read by all reviewers and should not be used.

Adding supplemental information to internal packages after initial submission and until November 15

As provided for in the regulations, a candidate may, under specific circumstances, submit new material to the Secretariat after the initial submission, and by November 15. The material will be added to the internal package (7.13 to 7.15.2 of the Regulations Relating to the Employment of Tenure Track and Tenured Academic Staff).

It is the responsibility of:

- **Candidates** to ensure that any material they add to their package is submitted in electronic format to the Secretariat as well as to the Chair of the appropriate committee (Departmental/Library and University Tenure Committees);
- **Chairs of the Departmental/Library and University Tenure Committees** to ensure that any material they add to a candidate's package is submitted in electronic format to the Secretariat, with a copy to the candidate.

Submissions to the Secretariat must be made electronically. These submissions should be sent as PDF attachments to tenure.secretariat@mcgill.ca, or, alternatively, if they are large in size, submitted to Bonnie Borenstein on a USB drive.

Adding supplemental information to internal packages after November 15, at the request of the DTC, UTC or the Principal

As per article 7.15.1 and 7.15.2 of the Regulations Relating to the Employment of Tenure Track and Tenured Academic Staff, after November 15 of the year of tenure consideration, at the request of the DTC, the UTC or the Principal, new evidence relating to any category of Academic Duties may be submitted by the candidate, but only to clarify an issue that arises during the course of the deliberations. The candidate shall file with the Secretariat a copy of all additional material submitted, which shall be included in the tenure dossier.

Submissions to the Secretariat must be made electronically. These submissions should be sent as PDF attachments to tenure.secretariat@mcgill.ca, or, alternatively, if they are large in size, submitted to Bonnie Borenstein on a USB drive.

It is the responsibility of:

- **Candidates** to ensure that any material they add to their package is submitted in electronic format to the Secretariat as well as to the Chair of the appropriate committee (Departmental/Library and University Tenure Committees);

Submissions to the Secretariat must be made electronically. These submissions should be sent as PDF attachments to tenure.secretariat@mcgill.ca, or, alternatively, if they are large in size, submitted to Bonnie Borenstein on a USB drive.

External Packages

It is preferable for the candidate to submit the external package to the Secretariat on the same USB drive (CD/DVD) as the internal package, providing that the drive has one subfolder clearly named "internal" which contains a complete internal package, and another subfolder named "external" which contains a complete external package.

The following tables (2.1 and 2.2) indicate the preferred file formats and naming conventions for standard package components. Please avoid adding electronic folders other than those specified below.

Candidates **must** ensure that **total size** of their **external package** is **less than 10MB** in order to enable efficient electronic transfer to external evaluators.
