

BACKGROUND MATERIALS FOR JOINT BOARD-SENATE MEETING:

NOVEMBER 3, 2015

In preparation for the joint Board-Senate meeting, you will find below links to articles and a video that describe initiatives intended to inform our discussions at the joint Board-Senate meeting, where we will have an opportunity to exchange ideas and debate the theme of “Designing a Smart Campus for the 21st Century”.

1. **2020 Forecast: Creating the Future of Learning**

Document available:

http://www.iftf.org/uploads/media/IFTF_SR-1165A_RemakingLearningForecast.pdf

2. **“Stanford's most popular class isn't computer science—it's something much more important”**

Document available:
