**BACKGROUND:** The annual report of the Committee on the Coordination of Student Services (CCSS), a Senate standing committee, is presented for information. The CCSS will continue to address issues pertaining to the promotion and support of student success and learning and of Student Services. Six meetings are scheduled, two in the fall term and four in the winter.

---

**PLANS & PRIORITIES:** A demanding and dynamic year of transition is envisaged, with continuing work toward operationalizing a new administrative structure for the Student Services, which now report to the Executive Director of Services for Students in the Student Life and Learning group of the Deputy Provost.

CCSS will begin the academic year using the new membership structure approved by Senate in spring 2007. Work on revising the mandate and terms of reference for CCSS will continue in the fall of 2007.

We anticipate smooth functioning of all new and continuing programs throughout the year.
