FOR: **DECISION** **DISCUSSION** **INFORMATION**

BACKGROUND: The annual report of the Committee on Student Discipline (CSD), a Senate standing committee, is presented for information. The CSD will continue to address issues that arise pertaining to its terms of reference.

PLANS & PRIORITIES: All new members of CSD will be invited to attend an orientation session. In addition, information sessions will be provided to disciplinary officers new to their roles. During the year, disciplinary officers will meet to discuss common issues and concerns. There will be further meetings to discuss concerns raised by students, in which student representatives from various constituencies will take part.

In collaboration with the Committee on Student Affairs (CSA), and the Academic Integrity Subcommittee of CSA, we will continue to work to increase awareness of and respect for academic integrity. Already, student orientation sessions and the leadership training program emphasise respect and tolerance. Each new student who attended orientation received a copy of the Handbook on Student Rights and Responsibilities.
