1. FOR THE APPROVAL OF SENATE

COMMITTEE TERMS OF REFERENCE

University Tenure Committee

Action: Approve the Nominating Committee's recommendation that term lengths on University Tenure Committee slates be extended from two to three years, commencing May 1st of each year.

Regulation 5.28.2 of the Regulations Relating to the Employment of Academic Staff states:

The Secretary-General or her or his delegate shall appoint the other three members to each University Tenure Committee from the list approved by Senate (the "Senate list") for each faculty. The Senate list shall be composed of:

- i) in the case of faculties with departments, nine tenured members of the academic staff who do not hold appointment in the same faculty as the members chosen under Section 5.28.1; and
- ii) in the case of faculties without departments, six tenured members of the academic staff who do not hold appointment in the same faculty as the members chosen under Section 5.28.1.

Membership of the Senate list shall be for a two-year renewable term.

The term length of three years would allow Senate to more efficiently populate the slates each year, and would ensure that the university more fully benefit from faculty members' expertise. It would also align the terms with those of Statutory Selection Committees.
