- Potentially at The Jewish Public Library
- Going forward with emailing archives

**Film screenings**

- January 29th for *Beyond Paper*
- February 19th *Unarchived* (at UDEM)
- March 18th *Old Lesbians*
- Waiting to hear back from John about funding - booking the Peel street cinema
- We need to buy the rights to screening *Old Lesbians* (Natasha talked the director down to 250\$)
- Natasha went and harassed the Peel street cinema (fits 60 people) for January 29th and March 18th ! Yay, confirmed locations
- Now we need to focus on the **marketing**
  - Kate is making posters
  - Kyra and Gabby will talk to Thomson house and Education building about putting up posters
- Kyra: send email to whole department and to the ACA about the three films
  - Send it to any groups that could potentially find it interesting
- Facebook event page for the film screenings

**Maria's archival project**

- Maria is working with a colleague doing his PhD in history
- They received the student engagement funding
- Links between information studies and history
- In this workshop, participants are organizing research archives
- One theoretical workshop
- One practical workshop
- The Banana archives, the history of the fruit Company in Colombia
- To encourage people to study South American history in Canada

- What Maria needs help with
  - Searching for a place for storage (10-12 boxes)
  - Searching for a place to host the workshop
    - Potentially the SIS mansion
  - Some members of the association can help with going through the materials in the boxes to identify what is most interesting (maybe we could even label the boxes with themes)
  - The workshop is planned for end of term (near 15th of April)
  - It is a 3 hour workshop
