### Overview

This award is intended to help MIS<sup>t</sup> students who find themselves in need of financial assistance in order to successfully complete their degree. In order to be eligible, students must meet the following criteria:

- Registered as a full-time student
- Have satisfactory standing (CGPA of 3.0 or higher)
- Have also requested assistance from other sources (such as the student aid office)

The School will have a variable amount of funds to allocated for this award each year. Depending on the amount and the number of applications received, the amount of the award will vary.

Please provide a summary of your funding sources and awards received to date or applied for (if any).
