HOW MANY COURSES ARE IN A BSW?

The BSW has 30 courses = 90 credits

21 courses are “required SWRK” courses = 63 credits

- Required courses must be completed to fulfill the BSW program
- All BSW required courses have the Subject Code SWRK

3 courses are “complementary SWRK” courses = 9 credits (SWRK)

- Complementary courses are selected from a restricted list; you choose
- All SWRK complementary courses have the Subject Code SWRK

4 courses are “Non-SWRK complementary” = 12 credits (Not “SWRK”)

- These complementary courses are any courses except SWRK; you choose
- These complementary courses require a grade of C or better and cannot be taken online

2 courses are “electives” = 6 credits (Not “SWRK”)

- Elective courses are any courses except SWRK; you choose
- Elective courses require a grade of D or better and can be taken online
- ONLY elective courses can be graded S/U in your BSW

CAN I STUDY FULL OR PART-TIME?

- **YES!**
- The BSW program can be pursued on a *full-time* basis (4 or 5 courses/term). This is equal to *12 or 15 credits/term*
- The BSW program can also be pursued on a *part-time* basis (1, 2, or 3 courses/term). This is equal to *3, 6, or 9 credits/term*
- If you study full-time, you will complete the BSW in 3 academic years or less
- If you study part-time, it will most likely take longer to complete your BSW
- ***Part-time students are advised to take SWRK required courses first in order to fulfill prerequisites & be eligible for entry into the U2 and U3 field placements***

CAN I EXCEED 90 CREDITS?

- BSW students are expected to complete the requirements of the BSW program. Note: the credit limit for the Bachelor of Social Work degree is set at 90 credits. If you have inquiries regarding surpassing the 90-credit limit, please submit your questions through the [Arts OASIS Service Portal](#).
- **Some scenarios permit students to exceed 90 credits. Please review the procedure to identify which scenario applies to you at [Exceeding degree credit limit](#).**
- Students seeking to exceed the 90 credit limit should consult the appropriate authorities to ensure this will not negatively impact [immigration status](#), [financial aid](#), health insurance, or other.

CAN I TAKE COURSES EXTERNAL TO MCGILL?

- **YES!** You can take **up to 10 courses (30 credits)** external to McGill towards the BSW program
- But... You must complete a minimum of 60 credits at McGill towards your BSW
- These 30 credits include transfer credits (from other universities) for courses taken prior to and during the BSW program
- The 2 courses taken prior to entry by “mature” students do not count
- Before taking courses external to McGill, please consult the BSW Degree Planning Contact for approval to make sure you are meeting the BSW program requirements
- If the course is offered in **another university in Québec**: See: IUT-AEHE student application
- If the course is **external to the province of Québec**: See: Arts OASIS Study Away
- **ALL courses taken at another university must be assessed for *course content equivalency* on McGill’s Course Equivalency Database (including a Statistics course)**

- Social Work complementary courses (SWRK) at the 300-level are *only open to BSW students in U2 and U3*
- Social Work complementary courses (SWRK) at the 400 & 500-level are *only open to BSW students in U3*
- If you wish to take a 300, 400, or 500 level Social Work complementary course (SWRK) and **the course is not full and *not open to you***, reach out to the **BSW Degree Planning Contact, Prof. Syndie David, syndie.david@mcgill.ca to ensure the course fulfills BSW requirements**
- If Prof. David approves, she will forward her approval to Maria Pacheco, BSW Student Affairs Coordinator, who will then issue an override to permit you to register **if there is room in the course for further enrolment**
- You will be notified by email that an override has been granted, and you will be able to register.
- These requests are granted on **a first come, first served basis**

WHAT IS A TUTORIAL AND CAN I TAKE ONE OR MORE?

The BSW program offers three tutorial courses to *students in U3*:

- SWRK 471 Tutorial in Social Work Research (3 credits)
- SWRK 485 Tutorial in Social Work Practice (3 credits)
- SWRK 486 Tutorial in Social Policy (3 credits)
- A “tutorial” is an SWRK complementary course for credit – *you must be in U3*
- Unlike other BSW courses, the content and expectations of the tutorial course are negotiated with a faculty member who sets the expectations, due dates, grades, and supervises the tutorial
- Not all faculty members offer tutorials; ask them!
- The research tutorial tends to derive from a professor’s research interests and activities; this is the same for the practice and policy tutorials
- Identify an SWRK tutorial as an SWRK complementary on your BSW Degree Planning form
- Once you decide to take a tutorial and register for it on Minerva, please complete the appropriate tutorial form on the BSW website, signed by you & tutorial instructor, and send to undergraduate.socialwork@mcgill.ca

Non-SWRK COMPLEMENTARY COURSES – choose 4

- Non-SWRK complementary courses are any courses except SWRK; you choose
- These complementary courses require a grade of C or better and cannot be taken online
- *Choose any non-SWRK courses*
- Non-SWRK complementary courses do **NOT have the Subject Code SWRK**
- Non-SWRK complementary courses are at **the 200 level or higher**
- Indigenous Field Studies (IDFC 500) can be counted as a complementary Non-SWRK course **OR** a complementary SWRK course or elective

ADVISING TIPS:

- ***If you are studying full-time, make every effort to take Non-SWRK courses in U1*** because you will have 2 full days of field placement training AND SWRK courses in U2 & U3

ELECTIVE COURSES – choose 2

- The BSW program is comprised of **2 elective courses (6 credits)**
- *Electives do NOT have the Subject Code SWRK*
- Elective courses are **200+ level**
- *However, you CAN choose 100-level courses from:*
 - **Mathematics & Science courses**
 - **Approved Freshman courses available on the Arts OASIS website**
 - **Language courses**, where the appropriate level is determined by a placement test administered by the department offering the course

See <https://www.mcgill.ca/oasis/students/new/incoming-u1/course-selection>

CAN I TAKE ELECTIVES ONLINE?

- **YES!** *Only* elective courses can be taken online in our BSW program
- A *maximum* of 2 courses (= 6 credits) of elective courses can be taken online
- Policy On Online Courses
- Satisfactory/Unsatisfactory (S/U) option

ADVISING TIPS:

- If you are interested in our MSW program, consider taking a *statistics course as an elective or Non-SWRK complementary course* during your BSW
- You *must always* establish equivalency for any courses taken external to McGill, even if an elective, whether online or in the classroom.

CAN I CHOOSE THE S/U GRADE FOR ELECTIVES?

- **YES! In fact, ONLY elective courses can be graded S/U in your BSW**
- The Satisfactory/Unsatisfactory (S/U) option can be selected for electives only
- You may take *one elective course per term to be graded under the S/U option*
- Remember, BSW students are permitted to take **up to 6 credits of “elective” courses with the S/U grading option**
- Grades of A through C are converted to “Satisfactory” (S)
- Grades of D, F, and J are converted to “Unsatisfactory” (U)
- Courses taken under the S/U option ARE EXCLUDED from GPA calculations, but ARE INCLUDED in the attempted credits total.
- With the grade of "S", you receive credit for the course; with a grade of "U", no credit is received

HOW DO I SELECT THE S/U OPTION?

- You must decide to have an elective course graded as S/U [before the course change deadline on Minerva](#) as part of the Student Menu > Registration Menu > Quick Add or Drop Course Sections Menu
- **Step 1:** Go to the "Quick Add or Drop Course Sections" tool under the Registration Menu in Minerva.
- **Step 2:** In the "Course Grade Mode" drop down menu for the elective course, select the "Satisfactory/Unsatisfactory" grade mode.
- **Step 3:** Click "Submit" at the bottom of the menu to save the change.
- **Fall-Winter Deadlines:**
 - Adding the S/U option: **the last day of "add/drop"**
 - Removing the S/U option: **the "withdrawal without refund" deadline.**
- **Summer Deadlines:**
 - Adding the S/U option: **the last day of "add/drop"** which is the **4th scheduled class.**
 - Removing the S/U option: **the "withdrawal without refund" deadline.** which is the **9th scheduled class.**
- Please refer to the [Key Dates website](#) to view these dates for the current term.
- [Satisfactory/Unsatisfactory \(S/U\) Option](#)

WHAT ARE THE RULES FOR ELECTIVES?

REMEMBER electives are 200+ level *with specific exceptions: Mathematics & Science courses; Approved Freshman courses available on the Arts OASIS website; Language courses, where the appropriate level is determined by a placement test administered by the department offering the course*

- Elective courses are taken for credit from *any academic Faculty and any department but not SWRK*
- Only electives can be taken online and only up to 6 credits online
- If an elective course is taken external to McGill, whether online or in the classroom, you must establish equivalency
- Non-SWRK courses completed with a **grade of D** can only be used as **electives**.

Typically, courses offered through the School of Continuing Studies (SCS) do not count towards an Arts degree. However, there are some exceptions - See [Continuing Studies Courses](#)

WHAT IF COURSES HAVE RESTRICTIONS OR PREREQUISITES?

- You must respect all restrictions and/or prerequisites listed in the university calendar for *all required SWRK and complementary SWRK courses*
- *If you do not pass an SWRK course that is a prerequisite for a later SWRK course, before Add/Drop, you will be instructed to withdraw immediately; this will delay your BSW*
- You must respect all restrictions and/or prerequisites listed in the university calendar for *all non-SWRK complementary & elective courses*
- If a given course is full and a waitlist is available, you will need to place yourself on the waitlist from Minerva's registration menu. Go to: [Waitlists \(WL\)](#) for information on joining a waitlist. If the course doesn't have a waitlist, **check Minerva regularly up to the end of Add/Drop period to see if a place is available in the course.**
- If a Non-SWRK course **requires a prerequisite or permission**, questions are directed to the department which offers the Non-SWRK course

CAN I TAKE A STATISTICS COURSE IN MY BSW AS A PREREQUISITE TO THE MSW AT MCGILL?

- **YES!** If you are interested in our MSW program, consider taking a *statistics course as an elective* or *Non-SWRK complementary course* during your BSW
- *for CEGEP students who received an exemption for MATH 203* (indicated on McGill transcript when admitted to McGill), ***you cannot take PSYC 204 for credit towards your BSW.*** Please discuss options with the MSW Program Director
- **ADVISING TIP:**

You ***must*** establish equivalency for any university courses taken external to McGill, even if an elective, whether online or in the classroom.

U1 ADVISING TIP: TAKE Non-SWRK COMPLEMENTARY COURSES & ELECTIVES IN U1

For full-time students pursuing the 90-credit BSW over 3 years:

- **Advising tip 1:** Take the required SWRK U1 courses first! You will need these to be completed before you can enter the U2 field placement
- **Advising tip 2:** Take 4 Non-SWRK complementary courses and 1 elective course in U1. Remember, when you are in U2 and U3, you will be in field placement training on Tuesdays and Thursdays (sometimes on Fridays as well) so fulfilling the non-SWRK complementary courses and electives in U2 & U3 becomes a challenge
- You cannot take Non-SWRK courses during field placement days

CAN I GET AN EXEMPTION FROM A REQUIRED COURSE?

[CEGEP or Ontario College] – Slide 1/2

YES! You are eligible for an exemption from the following two courses based on having completed **an equivalent course taken at CEGEP or Ontario College** (normally within 5 years of starting U1 in the BSW):

- SWRK 224, Human Development Across the Lifespan
- SWRK 423, Social Work Research
- *For a **CEGEP or Ontario College** course to be considered “equivalent”, you **MUST** provide your **exact course syllabus & a copy of your CEGEP transcript** showing a grade of 70% or better via email to Julia.krane@mcgill.ca for evaluation of an exemption.*
- **Human Development courses** that cover only one aspect of development (infancy, childhood or adolescence or older adults etc.) do **NOT** qualify for this exemption.
- If granted an exemption from SWRK 224 and/or SWRK 423, you **MUST** replace the course with a 3-credit SWRK complementary course. The exemption will be noted on your McGill transcript with 0 credits, and you will be notified.

DOES MY CEGEP OR ONTARIO COLLEGE “HUMAN DEVELOPMENT ACROSS THE LIFESPAN” MEET THE PREREQUISITE FOR THE **MSW & CFT PROGRAMS**? [CEGEP] – Slide 2/2

- **Yes for MSW!** An *equivalent* course taken at **CEGEP or Ontario College** meets the prerequisite for admission into the MSW at McGill with a minimum grade of 70%
- Keep a copy of your CEGEP/Ontario College “Human Development Across the Lifespan” course syllabus for the exact term and year in which you took the course, and a copy of your CEGEP/Ontario College transcript to confirm the final grade.
- You MUST upload these two documents with your MSW application at McGill
- For questions regarding this prerequisite to the MSW program at McGill, contact graduate.socialwork@mcgill.ca
- **No for CFT!** A university level Human Development Across the Lifespan course is required as a prerequisite.
- For questions regarding this prerequisite to the M.Sc. (A.) in Couple and Family Therapy (CFT) program, contact msca.cft@mcgill.ca

CAN I GET CREDIT FOR A REQUIRED COURSE BASED ON A PREVIOUSLY TAKEN UNIVERSITY COURSE?

YES! If you previously took an “equivalent” course in *Human Development Across the Lifespan* and/or *Social Work Research* at another university in a department of Social Work or any other department normally within 5 years of starting U1 in the BSW, and received the grade of 70% or better, you MUST submit an equivalency request via McGill’s **Course Equivalency Database** to be assessed by the School of Social Work.

- **Choose subject code SWRK in the equivalency database**
- If the course is assessed as equivalent to SWRK 224 *Human Development Across the Lifespan* and/or SWRK 423 *Social Work Research*, transfer credits are granted
- Transfer credits will be noted on your McGill transcript, and you will be notified
- If your university level course was taken external to McGill, and is equivalent to SWRK 224 and/or 423, you will receive the credit but not the grade

CAN I TAKE 600 LEVEL COURSES IN U3?

- ***BSW U3 students are permitted to take a maximum of two 600-level courses if the following conditions are met:***
- You have a minimum CGPA of 3.30
- The course is offered at a time that does not compete with required BSW courses including field placement on Tuesdays and Thursdays
- As a first step, discuss this request with the BSW Degree Planning Contact, Prof. Syndie David, to ensure you are meeting BSW program requirements
- If Prof. David approves, follow the steps at: [Registering for 600-Level Courses](#)
- Please note that multiple signatures of approval are required
- As an exception, approval can be requested for U2s taking a 600-level course – see above link

BSW GRADES – “C” OR BETTER

- **All REQUIRED & COMPLEMENTARY** courses used to fulfill the BSW degree must be completed with **a grade of C or better**
- ONLY for an **elective course** will the grade of **D be counted for credit**
- **ONLY for an elective course can a student choose the S/U grading option**
- This policy concerns ALL courses completed while *in the BSW program*, not courses taken prior to entering the BSW program and being transferred into the BSW program.
- If a student does not complete a **required course** with a C or better, the grade is considered **a failure** (“D” or “F”, “J”

Grades	Grade Points	Numerical Scale of Grades
A	4.0	85 – 100%
A-	3.7	80 – 84%
B+	3.3	75 – 79%
B	3.0	70 – 74%
B-	2.7	65 – 69%
C+	2.3	60 – 64%
C	2.0	55 – 59%
D	1.0	50 – 54%
F (Fail)	0	0 – 49%

OTHER GRADES

J	unexcused absence (failed); the student is registered for a course but does not write the final examination or do other required work; calculated as a failure in the TGPA and CGPA
K	incomplete; instructor has extended the deadline for submission of work in a course
KE or K*	further extension granted for submission of work in a course, approval from the Faculty SAO may be required
KF	failed to meet the extended deadline for submission of work in a course; calculated as a failure in TGPA and CGPA
KK	completion requirement waived; not calculated in TGPA or CGPA; Associate Dean approval is required.
L	approved to write a deferred examination in a course
LE or L*	permitted to defer examination for more than the normal period
NR	no grade reported by the instructor (recorded by the Registrar)
P	pass; not calculated in TGPA or CGPA
Q	course continued in next term (applicable only to courses taken pre-Fall 2002)
S	satisfactory; equivalent to C or better in an elective course; not calculated in TGPA or CGPA (See Courses Taken under the Satisfactory/Unsatisfactory (S/U) Option)
U	unsatisfactory; equivalent to D or F in an elective course; not calculated in TGPA or CGPA (See Courses Taken under the Satisfactory/Unsatisfactory (S/U) Option)
W	withdrew; a course dropped, with permission, after the Course Change deadline; not calculated in TGPA or CGPA
WF	withdrew failing; a course dropped, with special permission in an exceptional case, after faculty deadline for withdrawal from course, the student's performance in the course at that stage being on the level of an F; not calculated in TGPA or CGPA (Not used by Music.)
WL	faculty permission to withdraw from a deferred examination; not calculated in TGPA or CGPA
NA or &&	grade not yet available
W- - or - -	no grade; student withdrew from the University, not calculated in TGPA or CGPA (applicable only to courses taken pre-Fall 2002)

I NEED EXTRA TIME TO COMPLETE MY COURSEWORK: WHAT DO I DO?

- If you need extra time to complete work for an SWRK course, ***let your professor know***. Your course outline should state the circumstances for granting extra time, and the consequences for handing in course work late.
- If you need extra time to complete your work **at the end of a given course**, ***ask your professor*** for an extension. **It is up to you to ask; professors do not offer extensions.**
- An extension “K” is for an assignment or term paper, not the majority of coursework
- If you and your professor agree to an extension, you must complete all sections of the BSW K form, found at [BSW Forms & Advising Documents](#)
- **You and your professor must sign the K form; your professor submits the “K” grade**
- The School of Social Work follows the rules for “K” grades as per the Faculty of Arts. See: [Grading and Grade Submission Deadlines](#)

EXTENSION FOR A REQUIRED SOCIAL WORK COURSE: CONSEQUENCES & OPTIONS?

- If you received the grade of “K” in a required social work course, *ask: Is this course a prerequisite to a required social work course that follows?* If yes:
- You will be asked to withdraw from the required SWRK course that follows if the course work is not completed before Add/Drop in the following course.
- Depending on the circumstances for the extension, *ask: Can I complete the course work in the SWRK course – and have my grade changed by my professor - before Add/Drop for the required SWRK course that follows?* If yes, this is a great option.
- **You must have all required SWRK U1 courses (15 credits) + 3 courses (9 credits) = 24 credits to enter U2 field placement**
- **You must have all required SWRK U1 & U2 courses (42 credits) + 4 courses (12 credits) = 54 credits to enter U3 field placement**

WHAT DO I DO? I FAILED A COURSE...

Failing a **REQUIRED** course:

- If you do not complete a **required** course with a C or better, this is considered a failure (“D” or “F”, “J” or “KF”)
- You must either **pass the supplemental examination** if this option is available OR **repeat the course**
- Course substitution is allowed only in special cases; ask your academic advisor
- You can repeat a failed course **only once**. Thereafter, you must appeal to the Associate Dean (Student Affairs) for permission. If permission is denied by the Associate Dean and/or the appeals committee, you must withdraw from the program.
- A failing grade of “D”, “F”, “J” or “KF” does NOT get removed from the transcript and CGPA IS affected by the grade

Failing a **COMPLEMENTARY** course:

- If you do not complete a **complementary** course with a C or better, the grade is considered a failure (“D” or “F”, “J” or “KF”)
- You may **replace the failed course with another appropriate complementary course** OR **retake the same course**
- If the same course is repeated, **credit** will be given only once
- If the grade for the complementary course from the **BSW Approved Disciplines for Non-SWRK Complementary Courses** was a “D”, this course can be considered **an elective** in the BSW program
- A failing grade of “D”, “F”, “J” or “KF” does NOT get removed from the student record and CGPA is affected by the grade
- See: [Arts OASIS - Failing A Course](#)

REASSESSMENT POLICY – FACULTY OF ARTS

- In accordance with the Charter of Student Rights, and subject to the conditions stated therein, you have the right to consult any written submission for which you have received a mark and the right to discuss this submission with the examiner.
- **The Faculty of Arts recognizes two types of reassessments or rereads:**
 - Reassessment of coursework (term papers, mid-terms, assignments, quizzes, etc.);
 - Reread for a final exam.
- In both cases, rather than re-correct the work and then grade it as they would have done themselves, *independent reviewers assess the appropriateness of the original grade based... on the application of the grading key to your work*. If a grade is deemed unfair, it is changed, whether the new grade is higher or lower than the original – i.e. the reviewer’s grade takes precedence over the original grade.
- Reassessment of SWRK courses is *administered and conducted solely by the School of Social Work*
- To request a reassessment of coursework, *contact the Director, Nicole Ives, in writing to make this request; append a copy of the graded coursework and the instructor’s grading grid*.
- Professor Ives will forward the graded coursework and the instructor’s grading grid to a member of faculty with a request for a reassessment of the submitted work.
- SEE: [Arts OASIS - Reassessments and Rereads](#)

TRANSFER STUDENTS & TRANSFER CREDITS COMPLETED PRIOR TO ENTERING BSW

(NOT FOR INTRA/INTER-FACULTY TRANSFER STUDENTS)

- Transfer students: up to **10 courses (30 credits) previously completed from other universities** are assessed for transfer at the point of admission by Enrolment Services.
- These courses/credits may be transferred from a completed degree or an incomplete degree.
- Students who transfer to the BSW after completing a freshman/U0 year DO NOT obtain transfer credits for any of the 30 credits completed in freshman/U0 year.
- Only courses with a **grade of C or better** will be considered as possible transfer credits.
- **Any online courses** taken by transfer students, up to a maximum of 6 credits, can **ONLY count as electives**.
- **Transfer credit courses must be** evaluated as equivalent to courses offered at McGill to count for credit if designated as non-SWRK complementary courses
- **Transfer credit courses do not have to be** evaluated as equivalent to courses offered at McGill to count for credit if designated as electives
 - For instructions, see the BSW Transfer Credit Equivalency Form at: [BSW Forms & Advising Documents](#)

**PREPARING FOR THE TRANSFER CREDIT EQUIVALENCY PROCESS FOR COURSES
COMPLETED PRIOR TO ENTERING THE BSW
(NOT FOR INTRA/INTER-FACULTY TRANSFER STUDENTS)**

Please start this NOW to avoid delays!

1. Provide Enrolment Services with *FINAL official transcripts* as per the Minerva Application Checklist
2. Have the course outline for the term and year in which you *actually took the course*
3. Go to [BSW Forms & Advising Documents](#) and follow the instructions on the BSW Transfer Credit Equivalency Form
4. If your course is from a discipline or department that exists at McGill (i.e, PSYC or SOCI or EDUC etc.), select this same subject code (not SWRK) on the Course Equivalency Database.
5. If your course is from a discipline or department that does not exist at McGill, choose “No Matching Subject” on the Course Equivalency Database and then select one “Area of Study”:
 - TRNS HUMN (for a course in a Humanities subject)
 - TRNS LANG (for a language course not taught at McGill)
 - TRNS GNST (for a general studies course not taught at McGill)
 - TRNS SOSC (for a social science course not taught at McGill)
 - TRNS MASC (for a math or science course not taught at McGill)

TRANSFER CREDITS FOR COURSES TAKEN FROM PROGRAMS/DISCIPLINES THAT DO NOT EXIST AT MCGILL - NO SUBJECT CODE

Please start this NOW to avoid delays!

- You can request 'equivalency' for courses taken from programs/disciplines that do not exist at McGill and are part of an undergraduate degree (not a certificate)
- i.e., *Applied Human Sciences at Concordia or Criminology at U Ottawa*
- You use the Course Equivalency Database and select "No matching subject", and then identify a subject GNST, SOSC, HUMN, LANG, MASC
- The request for equivalency goes to Arts OASIS for assessment; you are notified by email.

INTRA/INTER-FACULTY TRANSFER STUDENTS & TRANSFER CREDITS COMPLETED PRIOR TO ENTERING THE BSW

- For Intra/Inter-Faculty Transfer students, up to a *maximum of 10 courses (30 previously completed credits)* from another program at McGill, are assessed individually for transfer at the point of admission
- *Students who transfer to the BSW after completing the U0 year DO NOT obtain transfer credits for any of the 30 credits completed in U0 year*
- Only courses with a **grade of C or better** will be considered as possible transfer credits.
- **Any online courses** taken at McGill can **ONLY count as electives**, up to a maximum of 6 credits.

Mature students CANNOT obtain transfer credits for any courses taken in their previous studies or advanced standing for prerequisites or other courses completed prior to starting the BSW

TRANSFER CREDITS, COURSES/TERM & GPA

- Transfer credits for courses taken at **another university** prior to entering the BSW will be indicated on your McGill transcript. *The grades you received for these courses do not transfer, nor will the grades be included in the calculation of your GPA*
- Transfer credits for courses taken **at McGill as part of a completed degree** prior to entering the BSW will be indicated on your McGill transcript. *The grades you received for these courses do not transfer, nor will the grades be included in the calculation of your GPA*
- Transfer credits for courses taken **at McGill as part of an incomplete degree** prior to entering the BSW (students admitted as **Intra/Inter-Faculty Transfer** to the BSW) will be indicated on your McGill transcript. *The credits and GPA for the courses that are transferred will roll over into your BSW transcript and be part of your GPA. Credits and GPA for courses that are not transferred will be excluded [EXC] from your record.*
- Transfer credits reduce the total number of credits to complete your BSW program, i.e., when 18 transfer credits are granted, you complete 72 credits for your BSW program

CAN I DO THE BSW & A MINOR CONCENTRATION?

- A Minor Concentration is usually an additional 6 courses (18 credits) to the 90-credit BSW
- This means exceeding 90 credits and normally an additional term of study
- Credits taken for the Minor cannot be counted as fulfilling BSW program requirements
- Courses taken for the Minor cannot conflict with BSW courses or field placement days in U2 and in U3 (200 hours/term/year) **on Tuesdays and Thursdays (and for some placements, ½ day Fridays) from September until mid-April**
- The BSW/Minor Concentration requires guidance from the BSW Degree Planning Contact, Prof. Syndie David, and by an Arts OASIS advisor
- Following BSW program planning, you meet with an Arts OASIS advisor, providing your up-to-date completed and approved BSW Degree Planning form
- This ensures that courses counting towards the BSW are not used for the Minor
- Students pursuing a Minor must complete a BSW/Minor Concentration form see [BSW Forms & Advising Documents](#)

SUMMER COURSES

- Summer course registration opens late in Winter term
- The **maximum number of courses** you may take in the **Summer term is 4 courses (12 credits)**

- You may take a **maximum of two courses** in Arts, Education, Engineering, Management, or Science, **in any one Summer session** (May, June, or July)

- The schedule of lectures in Summer courses is very intensive; therefore, you may not register for more than two courses in any one McGill Summer term.

DO I UPDATE MY BSW DEGREE PLANNING FORM EACH YEAR?

DO I REALLY NEED TO GET TRANSFER CREDITS?

- **YES AND YES!**
- Update your BSW Degree Planning form after Add/Drop each term of U1, U2, U3
- Attend a BSW Degree Planning Session should you have questions or concerns about being on track in terms of all SWRK required & complementary courses, and all non-SWRK complementary and elective courses
- ALWAYS **subject** your email with your last name, your student number, and the topic, i.e., **Lastname, 123456789, review BSW Degree Planning form**
- Don't leave this until U3 as this can delay the completion of your degree
- Transfer credits are determined by Enrolment Services; the university **requires** students to establish equivalency with McGill courses and articulate them for the BSW

DEGREE PLANNING SESSIONS & CONTACT

Degree Planning sessions are held throughout the year. Students are invited to attend any session to simply review their progress in the BSW as a way to ensure success at time of graduation. **To prepare for a degree planning session, students are asked to attend with a completed BSW Degree Planning form.** Students will be notified of degree planning sessions throughout the year—check your McGill email!!

Typical Registration problems arise because:

- You have not completed, or you have an extension on, a course that is a prerequisite
- You are part time, and your year in the program is inconsistent with the courses
- You have outstanding fees or dues
- You have not completed the mandatory Academic Integrity Tutorial required of all McGill students

- Depending on the request, make sure to attach pertinent documents such as your BSW Degree Planning form or Transfer Credit Equivalency form or official letter detailing credits transferring into the BSW program (inter/intra-faculty transfer students) or for an exemption, your course outline and transcript, etc.
- **NOTE:** requests for overrides are made after Prof. Syndie David has reviewed the BSW Degree Planning form. Prof. David directly notifies Maria Pacheco. *Students cannot request overrides directly to Maria Pacheco.*
