

# Field Education Schedule for BSW Students

## Fall U1

Presentation in September at BSW orientation day to explain the field placement process.

Presentation in November to remind students about the field placement process and answer any questions. Optional student meetings are available for individual discussions.

Individual student meetings are organized for discussions about field placements interests and availabilities.

Based on the availabilities of field instructors, the Field Coordinator will send student CVs, based on interests.

## Winter U1

## Winter U1

Students will interview at various field placement sites. Offers are made and students inform the Field Coordinator of a successful match. If offers are not made, the student will interview at more sites until a match is made.

Fall of U2: Students start their field placements. Students are assigned field liaisons to offer support throughout the academic year.  
Winter of U2 - interviews and matching begins for U3 field placement.

## BSW U2

## BSW U3

Fall of U3: Students start their field placements. Students are assigned field liaisons to offer support throughout the academic year.  
Winter of U3 - interviews and matching begins for U3 BLOCK field placement.
