

School of Physical and Occupational Therapy

EXCELLENCE THROUGH GROWTH

M.Sc. Rehabilitation Science (NON-THESIS)

ADMISSION REQUIREMENTS

1. A B.Sc. Degree or equivalent in Occupational or Physical Therapy, or related health profession from a university of recognized reputation.
2. Evidence of a high academic achievement equivalent to a B standing, or a McGill CGPA of 3.0 (70-74%).
3. Two years of clinical experience is recommended.
4. Non-Canadian applicants:

Applicants to Graduate Studies whose mother tongue is **NOT** English and who have not completed an undergraduate degree or graduate degree from a recognized foreign institution where English is the language of instruction or from a recognized Canadian Institution (Anglophone or Francophone), must submit documented proof of competency in oral and written English, by appropriate exams. For example, TOEFL (Test of English as a Foreign Language) with a minimum score of 100 on the Internet-based test with each component score not less than 20 (School requirement), or IELTS (International English Language Testing Systems) with a minimum overall band score of 7.0. For more information, please refer to the following link: <http://www.ielts.org/>

Applicants **must ensure that official test results are sent to McGill University directly by the testing service.** Applications cannot be considered if test results are not available.

INTERNATIONAL STUDENTS (i.e. students who are not Canadian citizens or permanent residents) who have applied to McGill and who have received formal acceptance from the Graduate and Postdoctoral Studies Office can then begin the process of applying for a visa to come to Canada to study. Acceptance from the Graduate and Postdoctoral Studies Office containing all the relevant information will be included in the Offer of Admission. Detailed information for obtaining employment authorization will also be included. **PLEASE READ THE INFORMATION CAREFULLY.**

APPLICATION PROCEDURES

To apply please go to: <http://www.mcgill.ca/gradapplicants/apply/>, and follow the steps. Please note that the deadline to apply is January 31st. All supplemental application materials and supporting documents must be uploaded directly on the on-line application. Applications will be considered upon receipt of the following required documents.

1. The completed **online application form**: <http://www.mcgill.ca/gradapplicants/apply>
2. The **application fee of CAD\$120.99**. Applying on online requires a valid credit card number.
3. **Unofficial university transcripts**. A record of study is required from each university level institution you have attended. Transcripts in languages other than English or French must be accompanied by an English or French translation provided by the institution issuing the transcript or by a certified translator. A copy in the original language is also required; an English or French translation alone is not sufficient.

An unofficial copy of your complete university level academic record to date must be uploaded through your applicant page.
4. **Two (2) letters of recommendation are required**. You must identify two instructors on the application form who are familiar with your work, and who are willing to write letters of recommendation on your behalf. You must provide a valid institutional e-mail address for each referee. **Letters from relatives of the candidate are not accepted.**
5. A complete **Curriculum Vitae (CV)** must to be uploaded, including relevant personal data, education and academic awards received, professional experience and affiliations, courses and seminars attended, research activities and publications.
6. A. **Personal statement** must be uploaded on the web application describing your particular area of interest, objectives and expectations regarding the program, as well as career goals.
7. **Official reports of scores for TOEFL/IELTS** if required. In order for McGill to receive test scores on time, you should consider writing the examinations up to six months preceding the beginning of the program.
