

Job offer : Master's research student | Gusto Lab

We are looking for a Master's student to work in the Gusto Lab team at CIUSSS du Centre-Ouest-de-l'Île-de-Montréal Lethbridge-Layton-Mackay Rehabilitation Centre (CLLM). The student will participate in one of several projects currently underway in our research laboratory.

Supervisor: Frédérique Poncet, PhD, Occupational Therapist, researcher at the CLLM Rehabilitation Centre and affiliated with the Centre de recherche interdisciplinaire en réadaptation du Grand Montréal (CRIR).

Responsibilities:

- Co-create of an e-learning course, in particular by working with knowledge users and validating the pedagogical material developed
- Prepare and organize the logistics of focus groups with knowledge users (occupational therapists, psychologists, educators, managers).
- Participate in the conceptualization of pedagogical tools (activities, menus, technical sheets, materials) and learning indicators.
- Participate and contribute to discussions at team meetings
- Prepare scientific presentations and articles.

Requirements

- To be admitted to a Master's program in September 2024
- University degree in a related field

Skills required:

- Excellent spoken and written French and English
- Team player, good organizational skills, resourceful, curious
- Ability to work independently or with teams with minimal supervision.

Assets :

- Expertise in the field of rehabilitation is an asset, but not required.
- An interest in methods and tools that facilitate collaboration and co-construction
- Exemplary academic profile
- Experience in qualitative research

Additional information about the position

Start date: September 2024. Review of applications will begin immediately until the position is filled.

Hours and location: This position is 2 days per week for the first year. Hours may fluctuate throughout the year. All work will be performed in the laboratory of the principal investigator, with the possibility of telecommuting on occasion.

Rate of pay: Rates of pay will be in line with typical McGill rates.
