POTH 455	Neurophysiology	3	n/a Course must be completed in OT program		
OCC1 450	Enabling Leisure Occupations	3	n/a Course must be completed in OT program		
U2 WINTER TERM					
POTH 401	Research Methods	3	n/a Course must be completed in OT program		
POTH 434	Musculoskeletal Biomechanics	3	n/a Course must be completed in OT program		
OCC1 443	Constructing Mental Health	3	n/a Course must be completed in OT program		
*COMPLEMENTARY/ELECTIVE COURSES (18 required credits)					
COURSE NUMBER	COURSE NAME AND NUMBER	CREDITS	YEAR & SEMESTER COURSE COMPLETED AT MCGILL	FINAL GRADE RECEIVED	TRANSFER CREDITS APPROVED
Complementary course 1		3			
Complementary course 2		3			
Complementary course 3		3			
Complementary course 4		3			
Complementary course 5 or Elective course 1		3			

NB: In order to receive the Bachelor of Science, Rehabilitation Science, Occupational Therapy degree there are a maximum of 30 transfer credits which can be used for the entire curriculum (U1-U3).

- All transfer credits must be approved and recorded during the first semester of the program. (Fall U1)
- Students are not permitted to mix required courses from different years in the same year. (ie Take U2 OT courses in U1).

Note that dropping from one or more courses during the semester may – where applicable – affect your government aid and/or McGill work-study eligibility.

For international students, it may also impact your immigration status and/or permission to work in Canada.

Please ensure that you are aware of any consequences related to this course drop request:

Consult with Scholarships & Student Aid Office, International Student Services, and/or the Student Affairs Office, where relevant.
