

Jennifer R. Fishman

October 1, 2017

Address:

Social Studies of Medicine Department
McGill University
3647 Peel Street.,
Montreal, QC H3A 1X1 Canada

Phone:

(514) 998-4611
(802)565-1700

Email:

Jennifer.fishman@mcgill.ca

EDUCATION

- | | |
|------|--|
| 2003 | Ph.D. Sociology, University of California, San Francisco |
| 1996 | M.A. Equivalent, Social Ecology, University of California, Irvine |
| 1993 | B.A. Integrative Biology/Women's Studies, University of California, Berkeley |

ACADEMIC APPOINTMENTS

McGill University

- Associate Professor, Social Studies of Medicine Department, 2015-present
- Full-time member, Biomedical Ethics Unit, Faculty of Medicine, 2008-present
- Associate Member, Sociology Department
- Associate Member, Institute for Health and Social Policy
- Associate Member, Department of Physiology
- Associate Member, Department of Family Medicine
- Assistant Professor, Social Studies of Medicine Department, 2008-2015

University of North Carolina, Chapel Hill

- Visiting Professor, Department of Social Medicine, 2015-2016 (during sabbatical)

Case Western Reserve University

- Assistant Professor, Department of Bioethics, School of Medicine, 2003-2007
- Assistant Director, Center for Genomics Research Ethics and Law, 2006-2007
- Associate Member, Department of Sociology, 2003-2007

PUBLICATIONS

Edited Volumes

- 2013 Mamo, Laura and **Jennifer R. Fishman**. (eds.) (2013) Entanglements in Science, Ethics, and Justice. Science, Technology, and Human Values. 38(2).
- 2010 Clarke, Adele E., Jennifer Ruth Fosket, Laura Mamo, **Jennifer R. Fishman** and Janet K. Shim. (eds). Biomedicalization: Theorizing Technoscientific Transformation in the United States. Durham: Duke University Press.

(Reviewed in *American Journal of Sociology*; *Contemporary Sociology*; *Culture, Health and Sexuality*; *Medical Anthropology Quarterly*; *Medical History*; *Revue Francaise de Sociologie*; *Science as Culture*; *Sociology of Health and Illness*; *Sociological Review*; *Technoscienza*; *Women Studies Quarterly*)

Peer-Reviewed Publications and Chapters

- 2017 Aungst, Heide, **Jennifer R. Fishman**, and Michelle L. McGowan. "Participatory Genomic Research: Ethical Issues from the Bottom-Up to the Top-Down." *Annual Review of Genomics and Human Genetics*. 18. <https://doi.org/10.1146/annurev-genom-091416-035230>
- 2017 Meagher, Karen, Michelle L. McGowan, Richard A. Settersten Jr., **Jennifer R. Fishman**, and Eric T. Juengst. "Precisely Where Are We Going? Charting the New Terrain of Precision Prevention." *Annual Review of Genomics and Human Genetics*. 18. . <https://doi.org/10.1146/annurev-genom-091416-035222>

HONORS AND AWARDS

- 2004 Roberta G. Simmons Best Dissertation Award, Medical Sociology Section, American Sociological Association
- 2004 Nicholas Mullins Paper Award, Society for the Social Studies of Science.
- 1999 Hacker-Mullins Graduate Student Paper Award, Science, Knowledge, and Technology Section, American Sociological Association.

RESEARCH SUPPORT

Personal Support Awards, 2003- present

- 2007 Junior Faculty Career Development Award, Women Faculty of the School of Medicine, Case Western Reserve University
- 2004 Finalist, The Greenwall Foundation Faculty Scholars Award
- 2003 Finalist, The Greenwall Foundation Fellowship in Bioethics and Humanities (declined)

Research Grants Received, 2003-present

Principal or Co-Principal Investigator

- 2016-2018 Co-Principal Investigator. "In search of a nursing standpoint: Investigating nurses' values regarding assisted death." Ethics Catalyst Grant. Canadian Institutes for Health Research. (Total Budget: \$100,000).
- 2013-2016 Co-Principal Investigator. R01 Administrative Supplement. "The Expansion of Fragile X Carrier Screening: Gendered Implications" Office of Research on Women's Health. National Institutes of Health. R01 HG005277A (Total Budget: \$99,996 USD).
- 2011-2014 Co-Principal Investigator. Operating Grant. Canadian Institute of Health Research. "The Ethics of End-of-Life Care: Understanding the Moral Landscape of Medicalized Dying in Canada." (Total Budget: \$203,360).
- 2010-2011 Co-Principal Investigator. National Science Foundation. "Science, Ethics, and Justice: Reconsiderations and New Directions" Workshop Grant. #1054024. (Total Budget: \$42,304 USD).
- 2010-2014 Co-Principal Investigator. National Institutes of Health. "Anticipating Personal Genomic Medicine: Impact and Implications." 30% Effort. R01 HG005277. (Total Budget \$2,166,184 USD)

Co-Investigator

- 2016-2020 Co-Investigator, "Blockbuster Diagnostics? The political economy of diagnostic innovation in comparative perspective" Project Scheme Award. Canadian Institute for Health Research (PIs: F. Miller and S. Hogarth).
- 2016-2021 Co-Investigator, "Generational and sex-specific effects of paternal environmental exposures on offspring development and health." DOHaD Team Grant. Canadian Institute for Health Research. (PI: S. Kimmins, Total Budget: \$1,500,000)
- 2015-2020 Co-Investigator. Canadian Institutes of Health Research. "Obesity and Nutritional Programming of the Paternal Sperm Epigenome: Effects on Offspring Development and Health." (PI: S. Kimmins, Total Budget: \$1,400,000)
- 2015-2019 Collaborator. Canadian Institutes of Health Research. "Father's Lasting Influence: Molecular Foundations of Intergenerational Transmission of the Paternal Environment." (PI: J. Bailey, Total Budget: \$1,200,000)

- 2012-2015 Co-Investigator. Canadian Institute of Health Research. “Examining the Normativity of Health Innovation Design Through the Public Appraisal of Prospective Sociotechnical Scenarios.” (PI: P. Lahoux, Total Budget: \$710,275)
- 2006-2010 Co-Investigator. National Institutes of Health. “Controlling Human Aging: Alternative Rationales and Implications.” RO1AG020916. (PI: E. Juengst, Total Budget: \$1,253,000)
- 2006-2008 Co-Investigator. National Institutes of Health. “Protecting Human Subjects in Genetic Enhancement Research.” R01HG003879 (PI: M. Mehlman, Total Budget: \$761,000)
- 2004-2008 Co-Investigator. National Institutes of Health “Center for Genetic Research Ethics and Law.” P50HG03390 (PI: E. Juengst, Total Budget: \$5,200,000 USD)

Research Grants in Submission

- 2017 Principal Investigator. “Expanding Access to Abortion in Canada: The Ethics of Telemedicine Protocols for Medical Abortion Provision.” Project Grant. Canadian Institutes for Health Research (Budget: \$445,000)
- 2017 Co-Investigator. “The Forgotten male: Determining a father’s contribution to fertility and child health outcomes.” Large-Scale Applied Research Competition. Genome Canada. (Budget: \$10,210,000).
- 2017 Co-Investigator. “Tackling Childhood Brain Cancer at the root to improve survival and quality of life.” Large-Scale Applied Research Competition. Genome Canada. (Budget: 12,997,000).

Research Advisory Board Membership

- 2015- External Advisory Board Member, GeneScreen Project, University of North Carolina
- 2014- GE3LS, Health Services, and Policy Research Advisory Board Member. Institute of Genetics, Canadian Institute for Health Research.

INVITED PRESENTATIONS AND PUBLIC LECTURES

Public Lectures and Invited Presentations

- 2017 Workshop Participant. “Crowdsourcing Health.” Wellcome Trust. London, England. March 24, 2017
- 2017 Invited Speaker. “The Expansion of Fragile X Carrier Testing: Prospective Parenting, Moral Burdens, and Reproductive Decision-Making in the Era of Precision Medicine.” Spring Seminar Series. Institute for Society and Genetics. University of California, Los Angeles. March 13, 2017.
- 2016 Invited Speaker. “The Rhetoric of Personalized and Precision Medicine in the U.S. Context: A Critical Perspective.” *Citizen's health through public-private initiatives: Public health, market and ethical perspectives (CHIPME)*. Leuven, Belgium. September 6, 2016.

- 2016 Keynote Speaker. "The Biomedicalization of Female Sexual Desire: Sexuo-Pharmaceuticals in the 21st Century." *The Science of Desire: Medical knowledge and practices of "female sexuality" from the XIX century to the present*. University of Geneva, Switzerland. June 15, 2016.
- 2016 "ELSI and the PMI: Some Horizontal Issues for the White House Precision Medicine Initiative" (with Eric Juengst). Center for Genomics and Society Seminar Series. University of North Carolina, Chapel Hill. February 11, 2016.
- 2016 "The Expansion of Fragile X Carrier Screening" Bioethics at UNC Series, University of North Carolina, Chapel Hill. February 1, 2016.
- 2016 "Let's pull these technologies out of the ivory tower': The politics, morals, and ironies of participant-driven genomic research." Research Ethics Grand Rounds. University of North Carolina, Charlotte. January 21, 2016.
- 2015 "Let's pull these technologies out of the ivory tower': The politics, morals, and ironies of participant-driven genomic research." Research Ethics Grand Rounds. University of North Carolina, Chapel Hill. September 17, 2015.
- 2015 "Evening the Score? How the 'pink pill' got approved." Thematic Session: *Medicalization of Sexuality*. Annual Meeting of the American Sociological Association. Chicago, Illinois. USA. August 22, 2015.
- 2015 "Bioidentical Hormones and Menopausal Women: The Lure of the "Natural" in Anti-Aging Medicine." Montreal Neuroethics Network. Montreal, Quebec. May 5, 2015.
- 2014 "Ethical Considerations in the Translation of High-Expectation Technologies." *Driving Regenerative Medicine to the Market and Clinic*. Toronto, Ontario. November 7, 2014.
- 2014 "Contemporary American Medicine and Its Discontents: A Comparison of the Anti-Aging and Personalized Medicine Movements" (with Richard Settersten, Eric Juengst, and Michelle McGowan). Hiram College. Hiram, Ohio. September 11, 2014.
- 2013 Invited Panelist. *International Symposium on the Biopolitics of Ageing*. Center for Healthy Ageing. University of Copenhagen. Copenhagen, Denmark. December 4-5, 2013.
- 2013 "Whole Genome Sequencing and the Role of 'Patient Empowerment.'" *Exploring the Unique Social/Ethical and Health Systems Challenges of Low Cost Whole Genome Sequencing*. Canadian Institutes for Health Research. Montreal, Quebec. April 19-20, 2013.
- 2012 Invited Public Lecture. "Going Online: Users' Perspectives on the Digitization of Genomic Health Information." Science and Technology Studies Seminar. Maastricht University. Maastricht, The Netherlands. September 12, 2012

- 2012 Invited Public Lecture. *Biopolitics and Bioethics in the 21st Century*. Kookmin University. Funded by the Korea Research Foundation. Seoul, South Korea. August 20, 2012.
- 2012 Plenary Speaker. "Ethical Issues with Big Data Research and Digital Experiments." Statistical Challenges in Electronic Commerce Research Symposium. Montreal, Quebec. June 28, 2012.
- 2012 "Anticipating Personalized Genomic Medicine: Ethical Impact and Implications." Integrative Systems Biology Seminar. Children's National Medical Center. Washington, DC. USA. February 7, 2012.
- 2011 "Where Boutique Medicine Meets Risk Assessment: Personalized Medicine in the Clinic and On the Web." *Genetics as Culture in a Consumerist Age*. Innsbruck, Austria. October 25-27, 2011.
- 2011 Invited Public Lecture. "Epistemologies of Desire: Beyond Single-Discipline Approaches." Inaugural Event for The Sexualities Project at Northwestern University. Evanston, Illinois. USA. April 28, 2011.
- 2010 Invited Participant. Gordon Cain Conference (with Michelle McGowan). Chemical Heritage Foundation. Philadelphia, Pennsylvania. USA. May 6-7, 2010.
- 2009 "Anti-Aging Science and Medicine." *The Perfect Body: Between Normativity and Consumerism*. European Science Foundation Workshop. Linkoping, Sweden. October 10, 2009.
- 2009 "Motivations and Moral Imperatives of Early Adopters of Personal Genome Services" (with Michelle McGowan and Marcie Lambrix). *The Age of Personalized Medicine*. Genome Canada. Banff, Alberta. September 17, 2009.
- 2009 Invited Public Lecture. *Medicalization: A Medical Humanities Seminar*. Harvard Humanities Center and the A. Bernard Ackerman Endowment for the Culture of Medicine. Harvard University. Cambridge, MA. USA. April 22, 2009
- 2008 Invited Participant. International GE³LS Symposium 2008. *Navigating the Changing Landscape*. Calgary, Alberta. April 29, 2008.
- 2007 Invited Panelist. Symposium on Anti-Aging Medicine. 36th Annual Meeting of the British Society of Gerontology. (with Robert Binstock). Sheffield, England. United Kingdom. September 6, 2007.
- 2005 "Fetishizing Pharmaceuticals." *Globalization and Psychopharmacology: Interrogating the Historical Moment of Discourse on Chemistry, Magic, and Science*. Invited Executive Session. Annual Meeting of the American Anthropological Association. (with Nicholas King). Washington, DC. USA. December 1, 2005.
- 2003 "Manufacturing Desire: Viagra and the Remaking of Sexual Dysfunction." Science and Technology Studies Program. University of British Columbia. Vancouver, British Columbia. March 2003.

CONFERENCE PRESENTATIONS/PEER-REVIEWED ABSTRACTS, 2011-2016

- 2016 “Gendered Implications of Increasing Clinical Integration of Preconception Risk Assessment.” (With Michelle McGowan). National Women’s Studies Association Meetings. Montreal, Quebec. November 13, 2016.
- 2016 “Wrestling for discursive control: Palliative Sedation under cross-examination.” *The Evolving Ethical Issues in Physician-Assisted Death in North America* (with David Wright, Hadi Karsoho, and Mary Ellen Macdonald.) Meetings of the American Society for Bioethics and Humanities. Washington DC. October 9, 2016.
- 2016 Panelist. “Feminist Analyses of Biopower in North American Fertility Medicine, Policy, and Practices.” Meetings of the American Society for Bioethics and Humanities. Washington DC October 6, 2016.
- 2016 “Mobilizing Suffering: Physician-Assisted Dying and the Demedicalization of End-of-Life Care” (with Hadi Karsoho, David K. Wright, and Mary Ellen Macdonald.) Fifth Biennial Bilingual Conference of the Canadian Society for Sociology of Health, Ottawa, Canada. May 5, 2016.
- 2015 “Physician-Assisted Dying on Trial: Contesting the Ontology of a Medical Practice.” (with Hadi Karsoho, David Wright, and Mary Ellen Macdonald.) Congress for the Federation of the Humanities and Social Sciences. Ottawa, Ontario. June 2, 2015.
- 2014 Panelist. *Mutations in Personalized Genomics: Interdisciplinary Perspectives*. Meetings for the American Society for Bioethics and Humanities. San Diego, California. October 2014.
- 2014 “Physicians, Euthanasia, and the Print Media: A Discourse Analysis” (with David Wright, Hadi Karsoho, Sarah Sandham, and Mary Ellen Macdonald). 20th International Congress on Palliative Care. Montreal, Quebec. September 2014.
- 2014 “‘Hormones Are Where It’s at’: Bioidentical Hormones, Menopausal Women, and Anti-Aging Medicine.” (with Michael Flatt). *Science, Technology, and Medicine: Dimensions of Gender, Sex, and Sexualities*. Annual Meeting of the American Sociological Association. San Francisco, California. August 18, 2014.
- 2013 “Mapping the Moral Landscape of End-of-Life Care in Canada: A Discourse Analysis” (with Mary Ellen Macdonald, David Wright, and Hadi Karsoho). Canadian Cancer Research Conference. Toronto, Ontario. November 2013.
- 2013 “Expanded Carrier Testing, Prospective Parents and Genetic Accountability.” (with Michelle McGowan) for Open Panel on STS Perspectives on Parenting. Annual Meeting of the Society for the Social Studies of Science. San Diego, California. October 2013.
