### **SSMU Organic Campus (SSOC)\***

Organic Campus is a student-run SSMU service providing the McGill community with a source of local and organic produce, bread and snacks, along with vegan and gluten-free options. The fee supports stipends for our members who are responsible for running the stand, both during the academic year and the summer. Organic Campus only marks up products by 10% in an effort to provide local and organic produce and products at an affordable price. This small profit goes back into the stand itself in the purchasing of labels, stamps, etc. Many in our community share our care for the environmental and ethical implications of what we eat; therefore, our selection is sourced directly from the Wassihun family's True Food Ecostere farm, less than an hour from Montreal, We are passionate about what we do and strive to provide affordable, healthy and environmentally-responsible food to all members of the McGill community. Support organic and local food!

This fee was approved for implementation in Fall 2014 and will be levied up to and including Winter 2016. The fee is charged to all students at the undergraduate level on the downtown campus. Students may opt-out of this fee on a term-by-term basis during a limited opt-out period via Minerva.

Any changes to the fee can only be made following a student referendum conducted by the Students' Society of McGill University (SSMU).

Note: Fee ended as of the Winter Term 2016.

## **Science 21st Century Scholarship Fund (SCSF)**

This fee is charged to all Science undergraduate students. Students in the BA&Sc degree also pay this fee on a pro-rated basis.

As part of its mandate, the SUS is committed to inspiring learning, leadership and citizenship. The Science 21st Century Scholarship Fund is used to formally recognize those individuals who inspire these qualities, and go above and beyond in serving their peers and their community. The value and selection criteria of the scholarships are decided jointly by the SUS executive and the Dean of the Faculty of Science on a yearly basis. This fee, first implemented in Fall 2012 requires renewal every two years. Students may not opt out.

Any changes to the fee can only be made following a student referendum conducted by the Science Undergraduate Society (SUS).

Note: Fee ended as of the Winter Term 2016.

## **DSS New Facility Contribution (DNEW)**

This fee is charged to incoming students in the Undergraduate Dental Program (DMD) throughout the four years of their program and will go towards contributing towards the new facility, which will house the main undergraduate teaching clinic, the preclinical simulation laboratory, classroom teaching space, meeting rooms, the Dean's and Student Affairs' Offices, and space for researchers, staff and students in the Division of Oral Health and Society.

This fee will expire on June 30, 2019 unless renewed by the Dental Students Society no later than Winter 2019.

Note: This fee ended as of the Fall Term 2016.

## **SCS Career Advising & Transition Services Fee (CATS)**

The School of Continuing Studies (SCS) has been offering workshops, individual sessions and networking events as part of its Career Advising and Transition Services to students registered in credit and non-credit courses. A portion of these services have, up to now, been funded through temporary means through the School. Further to a referendum in March 2016 conducted by the McGill Association of Continuing Education Students (MACES), a fee was approved to provide the financial support required to expand the services to include a job board, internships, mentorship and other special programs for targeted groups.

The fee is \$ 15.00 per term and is to be renewed every three years. It is non opt-outable, charged to all SCS students, who are members of MACES, registered in credit and non-credit courses. Students will have access to CATS services as they become available, and up to one calendar year following graduation.

Note: This fee ended as of the Fall Term 2019.
