
Student Stipends

Process

- Stipends are paid to a student during the semester the award is intended to cover.
- Determined by the department/PI.
- Submitted for processing throughout the academic year.
- **Disbursement schedule and payment method:** Typically, the 1st and the 15th of the month paid to accounts payable (never be paid to the fee account as per granting agency regulations).

Processing Deadline/Constraints

- Stipends are paid to registered students in the semester of the award. Generally, awards should not be issued/paid beyond the semester a recipient is registered.
- Students graduating in the Winter can be eligible for a stipend in the Summer immediately after graduation.
