

All courses in this Calendar will be offered in 2002-03 unless a ● appears to the left of the course number. No description will appear after the title if the course is not given in the current year. Descriptions can usually be found in preceding Calendars.

The University reserves the right to make changes without prior notice to the information contained in this publication, including the alteration of various fees, schedules, conditions of admission and credit requirements, and the revision or cancellation of particular courses or programs.
