PERMANENT CODE (*code permanent*)

Most students who were registered at McGill in the last academic year will already have their Permanent Code on record. It will also be on record for all incoming students who provided a verifiable Permanent Code during the application/admission process. For more information, refer to "**Permanent Code (code permanent)**" on page 27 of this Calendar or the ARR website <http://www.aro.mcgill.ca>.

Students who have not already provided their Permanent Code or submitted Permanent Code documentation to the Admissions, Recruitment and Registrar's Office should take note of the following.

Returning students will be blocked from using **all** functions on MARS if they have not provided the information and/or documents necessary to obtain or verify their Permanent Code. NOTE: the Permanent Code block prohibits the Registration Confirmation referred to below. **Late registration fees which may result will not be waived.**

New students beginning in September (or January) have until October 15 (or February 15) to submit their Permanent Code Data Form along with the information and/or documents necessary to obtain or verify the Permanent Code.

Failure to provide necessary documents may result in the student being assessed at a higher fee rate, and/or the student's admission to, or registration in, the University being rescinded.

REGISTRATION

Registration is done using MARS during the published registration dates. Students will be charged a late registration fee during the late registration period. To avoid the late registration fee call MARS and press "1" to confirm your registration. Courses may be added until the end of the course change period without penalty.

Returning Students: Following the telephone call to MARS a returning student's record must be checked to verify that they have no outstanding debts with the University. Confirmation of verified registration happens nightly, except for calls to MARS on Friday, August 3, 10 or 17 or on a weekend, when confirmation for I.D. purposes will only be available the following Tuesday.

IDs: Students may only obtain their McGill ID card after they have confirmed their registration via MARS.
