*CRN is Course Reference Number, and refers to a unique identifier for a course section in each term. See the Class Schedule at www.mcgill.ca/minerva-students.

It is against University regulations to register for a course in which a student has not satisfactorily completed all the prerequisites.
 Students are responsible for the correctness and completeness of their record. While departmental and faculty advisors and staff are available to give advice and guidance, it must be clearly understood that the ultimate responsibility for completeness and correctness of course selection, for compliance with and completion of program and degree requirements and for observance of regulations and deadlines rests with the student, even if Minerva does not block registration in a course or program. It is the student's responsibility to seek guidance if in any doubt. Misunderstanding or misapprehension will not be accepted as cause for dispensation from any regulation, deadline, program or degree requirement. Please note that some faculties require the signatures of appropriate authorizing persons while others do not. Please check with your faculty.
