ROOM INFORMATION

AC/HEATING UNITS
Please advise the Front Desk if you have any problems with the AC/heating unit in your room. Before concluding that your unit is in need of repair, make sure it is free of any obstructions that may affect the distribution of air. Thermostats should be set to a comfortable room temperature of 70° F or 21° C. Remember to always close your windows during cold weather if you are leaving for an extended period of time.

BATHROOMS
As bathrooms are inside your leased space, cleaning them is your responsibility. Make it a habit to clean regularly! We will be providing each room with sanitation products, a toilet brush and caddy. We also recommend that you purchase a plunger. The toilets are only equipped to handle 1- or 2-ply toilet paper – please don’t put any paper towels, facial tissue, feminine hygiene products, or anything else in your toilet as it will get clogged.

CLEANING YOUR ROOM
Cleaning inside your leased space is your responsibility. Areas you should clean regularly are:
- Thorough cleaning of bathroom surfaces (sink, toilet, shower).
- Regular vacuuming of carpeted areas, brooming and mopping of tiled floors.
- Dusting of furniture.
- Removal of garbage, recycling, and compost into the appropriate bins located in the building.

Shared kitchens, common rooms and laundry facilities have housekeeping staff who clean these areas regularly. Surfaces must be free of clutter and personal belongings so the staff may clean them properly.

DECORATING
Only non-marking adhesives are permitted for securing decorations. Pushpins, hooks, nails, duct tape, double sided tape, are not permitted.

FRIDGE
Each room is equipped with a small fridge. Make sure it is working correctly, as you will be held responsible for any damage to the unit during your stay. For those with a small freezer, it is important to defrost the freezer occasionally to maintain it in proper running order.

GRAFFITI
Any graffiti appearing on your room door is your responsibility. You will be given a notice and deadline to remove it. If it is not removed by that date, we will clean and paint the door/frame and you will be charged. No further notice will be issued.

PEST CONTROL
If you suspect the invasion of any critter, including bed bugs, please report it to the front desk immediately. This is VERY important as to avoid contamination. A protocol is in place to avoid the spread of the bugs.
- Used furniture is not permitted to be brought into residences. Although seemingly in good condition, it may be infested.
- Store food properly and keep any dishes or cups in your room clean.

ROOM INSPECTION
Upon moving in, report maintenance issues with a maintenance repair request. For housekeeping, please report those to the front desk. Room inspections will take place during the academic year to assess the health and safety conditions of your room and belongings. Info will be posted about the dates and times a week in advance of each inspection. Failing an inspection can result in fines when professional cleaning is warranted.
- Unacceptable conditions will be addressed with a warning and a deadline. If not resolved, we will correct the issues at your cost.
- Your room should be tidy and free of clutter and trash.
- Large, extra pieces of furniture should not be brought into your room, as they pose a potential fire hazard. They will be removed upon sight and a fee will be charged.
