We’re so excited to welcome you!
Your time here promises to be filled with amazing new experiences, triumphs, and memories to last a lifetime. You’ll meet people from different walks of life, get involved in a new community and learn more about yourself and your capabilities.

To help you achieve the best year possible both personally and academically, our team at Student Housing and Hospitality Services (SHHS) is working hard to foster a welcoming, safe and nurturing environment for you and your peers.

The Residence Life team is here to help bring together a community that is enriching and that supports every one of you.

We encourage you to come with an open mind and a positive attitude. Introduce yourself to as many people as you can; you never know who will turn into a lifelong friend!

COVID-19 Pandemic Health & Safety Measures:
The health and well-being of the residence community is our main priority and guiding principle. In light of the rapidly changing pandemic situation, the vaccination rollout and Quebec’s reopening plan designed to gradually lift public health restrictions, we expect the situation on campus to evolve quickly. Get the latest COVID-19 updates and learn what to expect for McGill’s return to campus this Fall, 2021.

At this time (August 2021), our planning of COVID-19 measures include one-meter distancing and mandatory mask wearing but these may change as the situation evolves.

Read our COVID-19 Rules & Disciplinary Measures to understand the expectations of compliance to COVID-19 rules in residence.

Helpful tips and advice from former resident students

**Be mindful:**
Make sure to respect yourself and those around you. Ask for help when you need it.

**Make friends:**
Step out of your comfort zone, participate in floor events and seize opportunities to engage with your residence community; your new best friend could be around the corner! Breathe – take it easy on yourself, this may be your first time living on your own!

**Maximize learning opportunities:**
Get to know your professors, familiarize yourself with academic advising & McGill Career Planning Service (CaPS) and get to know McGill resources. Explore Montreal! It’s a beautiful city!

**Have an open mind:**
Try all kinds of new activities; you might discover new talents and passions! Get involved with the many clubs, student initiatives, councils, etc. on campus.

**Have fun:**
Through it all, make sure to enjoy yourself.

Mission

Student Housing and Hospitality Services offers a welcoming, safe and nurturing environment, which is strategically designed to foster the development, education, and wellness of our community. We are committed to providing high-quality services and maximizing operational efficiency to enhance the living and learning experience of our students, staff, and guests. We support the mission of the University and of Student Life and Learning by upholding our core values.

Our Core Values

**Respect:**
We treat every person with dignity, care and concern and actively promote a culture of respect in our richly diverse community.

**Integrity:**
We ensure transparency, accountability and responsiveness through continuous assessment, and ongoing internal and external consultation. We benchmark our progress against peer institution best practices.

**Sustainability**
We support and maintain sustainable environmental, social, operational, and fiscal practices.

**Leadership and Innovation:**
We set high standards for ourselves and our operations. We encourage emerging leadership and innovation in our students, our staff, and the McGill community at large.

**Education and Wellness:**
We encourage healthy lifestyles, endorse and offer nutritional food choices, use a prevention-based harm reduction approach, and provide stimulating living-learning opportunities.
Our

Philosophy

Foundation of Respect

McGill’s SHHS operates under a philosophy of respect as the foundation of our community. The rules and expectations we have for our residents all stem from this philosophy, and it is something we hope you carry with you beyond your time in residence.

We choose respect to be our core belief because it’s comprehensive and versatile; respect can be showing respect for yourself, acting respectfully towards your fellow residents, respecting the staff in your building and the work they do, respect for the buildings themselves, and so much more.

From our side, we work to respect your autonomy as young adults, while understanding that your first year in university is a tremendous learning experience; and sometimes, learning means making mistakes. When people are disrespectful, we put an emphasis on caring for the community, and restoring respect among those affected. Beyond that, students who choose to behave in a manner contrary to our philosophy, policies and procedures will be held accountable through the McGill Code of Student Conduct and the Community Living Standards described in this document.

What Does ‘Respect’ Look Like In Residences?

- Respect for the diversity of people that make up the residence community
- Being conscious of how your behaviour impacts those around you
- Learning the names of the support staff who work in your building and dining halls
- Taking responsibility for your actions
- Lowering your music when someone asks you
- Cleaning up after yourself in a common room
- Treating others how they would like to be treated
- Apologizing when you’re in the wrong

Your SHHS Team
Living in a Residence community is a one-of-a-kind (and often once in a lifetime) opportunity, and we are here to help make your Residence experience as enriching and memorable as it can be. Your participation, engagement, and communication with and in Residence Life are key to ensuring that you make the most of your experience.

Our dedicated Residence Life staff, which include Residence Life Managers, Floor Fellows, a Residence Life Advisor, and Residence Life Facilitators are invaluable resources to help you transition smoothly into Residences and campus life. They work to create student-centered communities and provide quality programming as well as opportunities for personal growth in a safe and inclusive living environment.

We welcome you to our community and look forward to meeting you!
Residence Life Team

The Residence Life team, reporting to the Associate Director, Residence Life, is comprised of live-in Residence Life Managers, live-in Floor Fellows, a Residence Life Advisor and a team of programming facilitators.

Residence Life Managers

*Residence Life Managers* (RLMs) are full-time live-in professionals who are responsible for the overall management of our residence communities. They are trained in crisis intervention and serve as a support and resource for resident students as they adjust to University life. They are also responsible for educational programming, training and supervising the Floor Fellows.

Floor Fellows

*Floor Fellows* are a diverse group of upper year student employees who live in the halls and help residents have the smoothest transition possible at McGill. They are role models, resource people, peer supports, community builders and leaders for the students on their floor. Under the direction of their Residence Life Manager (RLM), Floor Fellows have a commitment to creating a community that is conducive to learning, academic success, personal growth and development.

Residence Life Advisor and facilitators

The Residence Life Advisor is responsible campus-wide Residence programming aimed at enhancing resident students’ experience at the University. The Residence Advisor supervises live-out Residence Life Facilitators. The RLifers are returning McGill students that plan Residence Orientation, events throughout the year, and mentor our Hall Councils.

Local Wellness Advisors

*Local Wellness Advisors* (LWAs) are licensed mental health clinicians from McGill’s Student Wellness Hub who collaborate closely with the Residence Life team, Floor Fellows, and students to coordinate programming that encourages a healthy, balanced, and sustainable approach to living on campus. Educational workshops and self-care activities are held throughout the year to inspire a holistic and mindful view of student wellness.

Students living in residences can also book an appointment to meet with the LWAs directly, and receive one-on-one support, through the Student Wellness Hub website.
Student Housing and Dining Service Centre

The Student Housing and Dining Service Centre responds to questions, problems and issues relating to residence admissions and assignments, Off-Campus Housing, meal plans and oneCard services. They can be reached at housing.residences@mcgill.ca

Dining Hall Staff

The Dining Hall staff are always on hand to welcome you in our dining halls. Feel free to approach them with feedback or if you have any particular questions relating to the menu.

Students with food allergies, dietary restrictions and preferences will be happy to know that two Registered Nutritionists are on staff, and welcome consultation requests. If you would like to notify us of any dietary restrictions please fill out this form.

Front Desk Staff

Front Desk staff are the friendly faces that greet you as soon as you enter your residence. Go to your front desk staff to pick up your mail, request a repair, for lock-outs as well as other inquiries.

Porters

Students living in the Upper Residences also benefit from the presence of a Porter during regular working hours. Among other responsibilities, the Porters handle mail, packages, inspect the building for safety and cleanliness, and are very helpful if you have any building related questions.

Housekeeping Staff

The housekeeping staff work hard to maintain shared facilities that are an important part of the residence experience. These include the hallways, common areas, and washrooms. Please be mindful to pick up after yourself whenever you’re leaving a shared space and respect the cleanliness of the buildings.

Protection Services Team

The Protection Services team, comprised of a Protection Supervisor and night stewards, ensure the safety and security of all Residence students by conducting rounds throughout the residences, enforcing the rules and regulations and responding to emergencies.

Trades Staff

Trades staff include plumbers, trades people and electricians. Together they ensure that your maintenance/repair requests are addressed in a timely manner. To report repairs in a room or in Residence common rooms, please fill out the Maintenance Request Form.
Programming

Our programming and events encourage diversity, education, community building, and personal development. Our Residence Life staff are excited to provide you with the engaging programming that McGill Residences have come to be known for. We are planning a mix of in person and virtual programming in accordance with COVID public health measures.

Dance, yoga, and other wellness events are just some of the fun activities in store for you! More details will be shared with you in the coming months as we finalize our planning.
Leadership Opportunities

Residence councils
Residence Councils play an important role in shaping the experiences you will have in your first year in residences. Councils organize social events, advocate for student interests to the administration and to other university bodies, and work with administration on key issues.

There are four council groups in McGill's Residence Life System:

Hall Council
Each residence hall has a Hall Council comprised of executive members and other representatives elected in September. Each Hall Council is committed to planning events and addressing the needs of their respective hall.

The Inter-Residence Council (IRC)
IRC is comprised of the VP Externals and Presidents of each hall council. They represent the needs and interests of the entire residence community. The IRC plans large-scale events for all residents.

University Residence Council (URC)
URC is a forum at which Hall Council Presidents and SHHS Management meet to discuss administrative matters in residences. At URC, Hall Council Presidents raise resident concerns and vote on matters that influence residence policies.

Environmental Residence Council (ERC)
ERC is comprised of environmental representatives from every hall. ERC works with the Hall Councils, IRC, and URC to promote an environmentally friendly and conscious residence community.
Community Living Standards

The Community Living Standards (CLS) are designed to build an environment that is conducive to safety, respect, and learning. It is a framework that creates opportunities for reflection and growth when a student’s actions or behaviours do not abide by the CLS.

Every resident student is responsible to read, understand and abide by the CLS in order to make informed decisions that do not impact others. The Residence Life team retains the right to meet and provide sanctions to any resident who has violated any of the CLS.
### Community Living Standards

The conduct status a student can receive is based on a case-by-case evaluation, conducted by the Residence Life Manager and then discussed with the student in question. **Note that violation of any of the CLS that directly or indirectly relates to compliance with COVID-19 directives, protocols or measures will be referred to be managed under the McGill Code of Student Conduct disciplinary process.**

Fire Safety

Every resident is expected to take the necessary precautions in order to mitigate and reduce the risk of fire and safety in every residence building. When a fire alarm goes off, everyone in the building must evacuate to their closest muster point or stand outside, away from the building. Failure to cooperate during a fire alarm or drill will result in an educational sanction and or fine issued by the Residence Life Manager.

In residence, tampering with any type of fire safety equipment will result in an immediate fine of up to $250. This will be issued by the Residence Life Manager for any behavior that involves tampering with fire equipment, including: activating a fire alarm, covering or tampering with a smoke detector, activating a fire extinguisher or fire hose, or exiting through a designated fire exit.

To help reduce the risk of fire we ask that residents do not use any of the following items in any of the residence buildings: incense, cigarettes, e-cigarettes, candles, hookahs, or any open element appliances (toaster ovens, hot plate, and woks). These items are known to cause fires and any resident found using any of the following in residence will receive a fine, educational sanction, and conduct status.

Residents who trigger an alarm or cause other damage without reason:
- can expect an immediate $250 minimum fine and disciplinary action. For example: setting off the fire extinguisher in your room, causing damage to the carpet and furniture or damages caused by the sprinklers going off.
- The residences are equipped with sophisticated sprinkler systems. Please respect them and refrain from hanging anything from the sprinkler heads or cages, and from throwing or kicking objects such as footballs, and frisbees in the corridors. If damaged, the sprinkler system may go off. Residents will be held financially responsible for any damages that occur as result of careless use or vandalism of the sprinkler system.
- are financially responsible for damages and/or other costs resulting from their actions.
- are financially responsible for all administrative fees and fines charged by the University for a minimum flat rate of $3,000 per unfounded fire alarm.

What to Do When the Fire Alarm Sounds In Your Building
1. Leave the room and close the door behind you.
2. Evacuate the building immediately, using the safest and closest exit. Do not take the elevators.
3. Move away from the building to a distance of at least 100 meters.
4. Follow the instructions from Floor Fellows and any of the Emergency Response Crew.

If you suspect there is a fire in your building call the Montreal Fire Department at 9-1-1 and call McGill Security: 514-398-3000.
McGill Residence supports the safe and responsible consumption of alcohol in residence, for students who are 18 years of age or older and who choose to consume alcohol. The following standards are in place to promote safe alcohol consumption that discourages high-risk activities related to alcohol consumption.

Consumption Locations:
Students of legal age are allowed to consume alcohol in their private rooms or apartment. Any alcohol that is transported outside these private areas, must be sealed in its original container in order to abide by Quebec’s provincial laws.

Responsible Drinking:
- Possession and consumption of alcohol in McGill residences must conform to the provincial laws of Quebec. 
  Individuals must be 18 years of age or older in order to legally consume and purchase alcohol in the province.
- Open containers of alcohol are prohibited everywhere except your private room.
- Please remember that the sale of alcohol to minors is against both the federal and provincial laws.
- Alcohol permits are required for pre-approved functions involving alcohol outside of private or shared areas.
- Drinking alcohol outside of any residence property (including patios/courtyards) is not permitted, unless approved by Residence Life/SHHS.

Mass Consumption:
Any type of activity or accessory that promotes mass consumption or swift drinking is not permitted in residence. This includes but is not limited to drinking games (beer pong, water pong, flip cup) or the use of drinking devices (ex: beer funnels). It is expected that residents will not participate, encourage, promote, or be a spectator to any type of drinking game. Drinking games are defined as an activity, game, or contest where the consumption of beverages is a primary focus or used as a penalty or as a result of an action.
Disciplinary Measures

Follow Up Process:

When an incident has occurred, the situation in question will be documented and then followed up by someone from the Residence Life team. The diagram below illustrates the process for when a resident is found in violation of the Community Living Standards.

![Diagram of Follow Up Process]

The conduct status a student can receive is based on a case-by-case evaluation, conducted by the Residence Life Manager and then discussed with the student in question. Depending on the severity of the incident, the conduct status may not transition in a linear fashion as displayed below.

<table>

</tbody>
</table>
Disciplinary Measures

When a Residence Life Manager receives an Incident Report, they will reach out directly to the student(s) in question through the students’ McGill email. It is imperative that students regularly check their McGill email in order to maintain open lines of communication. Failure to be diligent with communication could result in sanctions with the student absent from the decision process. The Residence Life Manager will send a maximum of two meeting invitations before they make a decision in the student’s absence.

Conversations between both the Residence Life Manager and the student(s) are designed to create opportunities of learning and growth for the student and address their actions in question. At McGill we recognize the various challenges that come along with living in residence which is why we have developed a follow up approach to behavior that is centralized around ‘learning’. When a student is assigned a ‘conduct status’ they may also receive an educational sanction to invoke reflection and repair the harms that have occurred to the community.

Below is a list of educational sanctions that a student may receive:

Community Repair
If a student’s actions have negatively impacted the greater community, the Residence Life Manager will work with the student in question to repair the harm that was done to the community. This may include: apology letters to those impacted, promotional materials to raise awareness, or volunteer work on the weekend or during the evening.

Educational Sanction
These sanctions are designed to educate both the student and all parties involved. The intent of this sanction is to provide additional information concerning the situation in question to help the student(s) make better informed decisions moving forward. These types of sanctions include: educational posters or community service.

Self Awareness Sanction
These sanctions are designed to involve the student(s) in question and provide them with an opportunity to pause and reflect on the incident. This reflection is meant to allow the student to recognize how their actions impacted the community and the steps they can take to ensure a similar event does not happen in the future. This may include: reflection journals, video journals, or a reflection assignment.

In addition to educational sanctions, Residence Life Managers may choose to issue the following sanctions, based on a student’s behavior and cooperation:

Discretionary Sanctions
Residence Life staff reserve the right to issue sanctions in the case of a serious violation of the Community Living Standards, or a continuation of negative behavior. This could include: room reallocation, access restrictions, restitution damages, or fines.

Relocation
A student may be transferred to another room if their behavior is negatively impacting their community. This move is mandatory and will take place once an available room has been located. Once a student receives their move notice, they will need to comply with the move timeline accordingly. The intent of the move is to allow the student another opportunity and to have a fresh start. Once a student has been moved, they will not be allowed to enter their old residence building, or be allowed to move, without prior approval from the Residence Life Manager.
Disciplinary Measures

Community Living Standards Appeal Process

1. Students have the right to appeal penalties and/or administrative decisions taken against them by SHHS through its enforcement and application of the Community Living Standards. A resident who is the subject of such a penalty or administrative decision may appeal by forwarding their written statement of appeal to the Associate Director, Residence Life, or designate, no later than five (5) business days from the date on which the penalty was assessed or administrative action taken. If necessary, a meeting between the Associate Director, Residence Life, or designate, and the resident may be arranged to discuss and clarify the points of the appeal.

2. If the student chooses to have assistance with their appeal, the student may be accompanied by an advisor. The decision of an appeal heard by the Associate Director, Residence Life will be final, and the appeal must be made on at least one of the following grounds:
   a) Relevant evidence that emerges which was not available at the time of the original decision
   b) The severity of the sanction imposed exceeds the nature of the offence for reasons identified by the student

Appeals are never to be submitted frivolously. A submitted appeal that is not based on any of the above grounds will not be heard.

“Advisor” means someone holding office under the University Charter and Statutes, someone appointed by or holding regular employment with the University, or registered at the University in a degree program for two consecutive terms, excluding the summer term, who has agreed to act in an advisory capacity and who is not paid for their services.

3. When a student wishes to appeal a decision, they must do so electronically, in writing, within five (5) business days of the Residence Life Manager’s decision. The Associate Director, or designate, then reviews the appeal letter to determine if there are substantial grounds for the appeal.

4. The student will be notified electronically, in writing, of the decision if there are grounds for appeal. If there are grounds, the Associate Director notifies the resident and schedules a meeting within one (1) week at a mutually agreeable time. If the Associate Director notifies the resident that there are no grounds for appeal, then the appeal process is complete.

5. In the case where the Associate Director approves an appeal meeting, the Associate Director may call the student or any other individual related to the case for subsequent questioning or clarification. Once the questioning has concluded, the Associate Director, or designate, may find the resident in violation or not in violation of the alleged incident. The Associate Director, or designate, can impose a new sanction, sustain the original sanction, or reduce the sanction made by the Residence Life Manager. The Associate Director will notify the student electronically in writing of the outcome within five (5) business days of the last meeting. Whatever decision the Associate Director comes to is final and will not be open for further appeal.
Disciplinary Measures

McGill Code Of Student Conduct

Every McGill student, including those living in residence, are required to abide by the McGill Code of Student Conduct at all times. The Residence Life professional team reserves the right, at any time as they see fit, to refer to or escalate a resident’s conduct case to be managed under the McGill Code of Student Conduct and Disciplinary Procedures.

Under the Code, a Disciplinary Officer reserves the right to dispense dispositions outlined, including but not limited to:

- short-term exclusion from residence as described in Section II: Administration of Discipline Article 21. Such short-term exclusion is an interim order and does not result in and of itself in a disciplinary offence.

- when there is evidence of a violation of the COVID rules, a student will be called to a disciplinary process the outcome of which may be an exoneration, admonishment (defined at art. 28), or a reprimand (defined at art. 29). When the student is found responsible for the offence, they may be imposed additional sanctions, such as conduct probation (defined at art. 30) and possibly longer term exclusion from residences or termination of lease (art. 51), or exclusion from the entire university in extreme cases (art. 73).
The transition to life in university can be challenging, and you may find yourself having difficulty adjusting to life away from home, experiencing feelings of anxiety or depression or simply wishing to have someone to talk to about what’s on your mind. McGill Residences is committed to the mental health and well-being of residents by ensuring that you have access to a variety of support resources and services. By living in residence, you can rest assured that our team will guide you in the right direction and help you access the resources you need.

What Is Wellness?

Health and wellness is more than just exercise. There are 8 components to wellness, each of which can be thought of as a single spoke on the wellness wheel. Neglecting one of the areas of the wheel may compromise your ability to confront challenges in life in other areas.

If you don’t listen to your needs, you’re more likely to:

- Be exhausted or overwhelmed
- Experience low moods
- Experience resentful thoughts
- Take your stress out on others
- Feel anxious or depressed
- Develop a mental health condition

So it’s important to notice any changes in habit, mood or attitude to see how you’re doing.

Taking care of one area of wellness will also help them all: for example, caring for your physical health by getting more sleep will also benefit your academic health and help you be a better student.

Campus Health & Wellness Resources

In-residence support:

Floor Fellows
Floor Fellows are available as a primary support and listening resource in residences. They can refer residents or accompany them to other services and resources available on campus.

Campus support:

Many of the campus support services have mobilized as many of its resources as possible to continue offering support to students. Due to COVID-19 and governmental regulations, our services will be offered remotely or by appointment for the time being.

Student Wellness Hub
Phone Hours: Monday - Friday 10am - 12:30pm & 2pm - 3:30pm
Phone: 514-398-6017
The Student Wellness Hub includes general practitioners, nurses, psychiatrists, counsellors, social workers, and dietitians - focuses on short-term, episodic care for students facing common mental and physical health concerns during their studies. These professionals are also equipped to diagnose more complex issues and connect students with more appropriate care off-campus. We require all students to be covered by supplemental health insurance in order to cover their medical expenses.

McGill Students’ Nightline
Hours: 7 days a week from 6pm-3am during the academic year (except during the winter break and Reading Week).
514-398-6426 (MAIN)
A confidential, anonymous and non-judgmental listening service, run by McGill students, offering a variety of support from information to crisis management to referrals.

The Peer Support Center
The PSC is staffed by friendly and well-trained student peer supporters. We provide a welcoming space where you can share your experiences, feel truly listened to, and find ways to resolve the things you are going through.

514-398-8500
The Sexual Assault Centre of the McGill Students’ Society (SACOMSS) is a volunteer-run organization committed to supporting survivors of sexual assault and their allies through direct support, advocacy, and outreach.
Safety and Security

In case of emergency

If a McGill Student or community member is in immediate danger:
From a wired phone on campus: Call 911 immediately
Security services are automatically notified and (not a cell) will be able to see your location and help guide emergency responders there.
From an outside line or Cell: Call 911 immediately
Then call Security services: 514-398-3000

Make sure to know:
- The location of all ‘exit’ staircases.
- The exact location of the nearest manual fire alarm.
- The exact location and type of the nearest fire extinguisher.
- If your smoke detector works. You must never tamper with it.

Personal Safety tips

- Always lock your door - whether you are sleeping or just leaving to go to the bathroom but especially when you are not there. Residences are safe, but it takes only a moment for a thief to grab a laptop.
- Never leave your belongings unattended in the dining halls, library, lobbies etc.
- Ensure your windows and doors are locked at night and that your blinds are drawn.
- Report any stolen belongings to McGill security: 514-398-3000
- Report any lost keys/ID cards, to the appropriate office immediately.
- Do not lend your keys or access cards to anyone.
- Do not sign in a guest you don’t know
- Do not allow anyone you don’t know to enter a key-card entry building behind you.
- If someone claims to be a visitor, ask for their friend’s name and room number. If the “visitor” causes any problems, tell a Floor Fellow, Residence Life Manager, a night steward, the front desk staff, or call McGill Security at 514-398-3000.
- Do not buzz anyone you don’t know into the building. Always go to the door to see who it is.
- Do not ask the food delivery drivers to come up to your room. Instead meet them in the lobby.
- Do not prop open emergency doors and residence hall doors that are supposed to be closed.
- Do not jump over the turnstiles.
- Please only use emergency exits in emergencies; otherwise, someone could enter from outside undetected.
- Do not go up onto the roof. This is taken very seriously as we don’t want anyone to get hurt. If you are caught on the roof, you will be subject to a $ 250 fine and discipline under the McGill Student Code of Conduct.
Tips for Getting Along with Your Roommate

Start off on the right foot
It’s important that you and your roommate respect each other from the moment you enter your new shared living space. You don’t have to become best friends, but it’s important that you respect each other’s space, time, and belongings. Come in with an open mind and a good attitude. Tell your roommate some things that you would appreciate (such as cleaning up after themselves, giving a heads up if guests are coming, etc.) and tell them to do the same. That way you’re both starting out with a better knowledge of the other person’s likes and dislikes.

Give yourself time
It can take time to get used to living with someone; especially someone you’ve never met before! Be patient with yourself as well as the other person. Give yourself some time to settle in and get accustomed to their habits. If after just one week you’ve decided that you cannot live with this person, you haven’t fully given it a fair chance. Know that there will be bumps in the road and times that you will get frustrated, but as long as you are fair and direct, most issues should get resolved.

Talk it out
Before going to your Floor Fellow or Residence Life Manager, we strongly encourage you to talk out your issue with your roommate first. A lot of the time your roommate won’t know they are doing anything wrong. If you bring up your complaint in a non-confrontational way, they will most likely respond positively. If this doesn’t work out and your roommate refuses to compromise, then it makes sense for you to talk to a residence staff member.

Please allocate a minimum of 30 minutes to completing the roommate agreement. It is an investment into your space and relationship! The mandatory Roommate Agreement will become a binding document between yourselves.
Building Care

Room Repairs
If there are maintenance requirements in your room you may either report it to your front desk or make an online request.

If you have a building maintenance emergency (i.e. toilet flooding, broken windows or doors, etc) after business hours or on weekends, you should call McGill Security at 514-398-3000. If you live in Carrefour Sherbrooke, New Residence Hall, La Citadelle or Royal Victoria College please contact your 24 hour front desk directly.

It is very important that you report all damages and repairs in a timely fashion, so that the damages do not worsen.

Room Condition Report
When you move in, you will receive a Room Condition Report to be completed and returned to the front desk within 72 hours of your arrival. Failure to complete the report may result in damage charges being assessed at the end of the academic year for which you are not necessarily responsible. If you are sharing a double room, only one report needs to be submitted signed by both roommates.

Note that in all residences, failure to report damages may result in charges to your account at the end of the year. Please be patient; it may be a short while until someone can come to fix the problem, but don’t worry, we won’t forget about you!

Key Lockouts
Carry your keys/key card with you at all times. If you accidentally lock yourself out of your room, either your Front desk, Night Steward, or Porter can help you get in depending on your residence. You may be charged a lockout fee.

Key Replacements & Charges
Duplicates of keys can NOT be made by residents! If you live in a building with keys (all except La Citadelle, NRH, and Carrefour Sherbrooke), and your keys are misplaced, you can purchase a new set for $75.00.

If your keys are lost, you will have to have your lock changed, which can cost up to $250.00 depending on your residence. Arrangements will be made with you to change the lock as soon as possible. If you lose a key for a double room, you will have to pay for a new key for your roommate as well. The total cost of this (lock replacement and two new keys) will be $175.00.
We are committed to offering students fresh, nutritious, and savory meals that satisfy a wide range of diets and preferences. In adherence to governmental and university COVID-19 regulations, our dining halls will operate following all health and safety measures.

Mandatory Meal Plan

Understanding the meal plan

Whether it’s a Mandatory Meal Plan or a voluntary Saver Meal Plan, know that any McGill meal plan is linked directly to your ID card and runs on a declining balance. That means that your ID card acts much like a debit card for you to use in the residence dining halls and in most on campus food locations.

Mandatory Meal Plan

If you are assigned to live in one of the following residences, your Mandatory Meal Plan will already be active and ready for you to use on move-in week-end.

- Carrefour Sherbrooke
- Douglas Hall
- Gardner Hall
- La Citadelle
- McConnell Hall
- Molson Hall
- New Residence Hall
- Royal Victoria College

The Mandatory Meal Plan has two separate accounts: Home Base & Flex.

Topping up

When you run out of funds in either Home Base or Flex, you may top up in Minerva by navigating to Students Account Menu. The amount will be charged to your Student fees account.

- You will most likely run out of Flex dollars before the semester is over. You should top up to benefit from not paying sales tax on purchases. Sales tax in Quebec adds 14.975% to any purchase.
- Funds can be used in both Flex and Home base locations.

Dining Hall Safety Guidelines

We are committed to offering students fresh, nutritious, and savory meals that satisfy a wide range of diets and preferences. In adherence to governmental and university COVID-19 regulations, our dining halls will operate following all health and safety measures.

If you have specific food concerns, do not hesitate to contact us at food.fds@mcgill.ca
Getting You Started

Your McGill ID Card automatically includes a oneCard account preloaded with funds which will be billed to your student fee account. No sign-up form is required and is activated when you move-in.

Use the oneCard for the following services:

- To do laundry in residences (it is the only method of payment accepted for laundry machines)
- At select vending machines on campus
- To pay for take-out deliveries from a select group of restaurants around the McGill area.
- Pay for meals off campus at participating restaurants. Visit the oneCard site for the full list of restaurants.
- To pay for Mac Market purchases
- At any of the dining halls and on campus food locations (if you are on a meal plan the oneCard is used in these locations for taxable items)
- More great services to come! Explore the full plan.

Topping up your oneCard

There are two options:

- Go to Minerva and add oneCard dollars to your account
- Go to the secure oneCard Management page: https://onecard.mcgill.ca

Laundry Tips

Laundry rooms are conveniently located within your residence.

To do your laundry, you'll need:

- Your McGill ID/oneCard, loaded with oneCard dollars
- Laundry detergent
- Bleach, if you want your whites to be really white
- Fabric softener
