## Land Acknowledgement

McGill University is on land which has long served as a site of meeting and exchange amongst Indigenous peoples, including the Haudenosaunee and Anishinabeg nations. We acknowledge and thank the diverse Indigenous peoples whose presence marks this territory on which peoples of the world now gather.
We’re so excited to welcome you!

Your time here promises to be filled with amazing new experiences, triumphs, and memories to last a lifetime. You’ll meet people from different walks of life, get involved in a new community and learn more about yourself and your capabilities.

To help you achieve the best year possible both personally and academically, our team at Student Housing and Hospitality Services (SHHS) is working hard to foster a welcoming, safe and nurturing environment for you and your peers.

The Residence Life team is here to help bring together a community that is enriching and that supports every one of you.

We encourage you to come with an open mind and a positive attitude. Introduce yourself to as many people as you can; you never know who will turn into a lifelong friend!

Our Philosophy

Foundation of Respect

McGill’s SHHS operates under a philosophy of respect as the foundation of our community. The rules and expectations we have for our residents all stem from this philosophy, and it is something we hope you carry with you beyond your time in residence.

We choose respect to be our core belief because it’s comprehensive and versatile; respect can be showing respect for yourself, acting respectfully towards your fellow residents, respecting the staff in your building and the work they do, respect for the buildings themselves, and so much more.

From our side, we work to respect your autonomy as young adults, while understanding that your first year in university is a tremendous learning experience; and sometimes, learning means making mistakes. When people are disrespectful, we put an emphasis on caring for the community, and restoring respect among those affected. Beyond that, students who choose to behave in a manner contrary to our philosophy, policies and procedures will be held accountable through the McGill Code of Student Conduct and the Community Living Standards described in this document.

Tips for Getting Along with Your Roommate

In the first week of living together, roommates are expected to allocate a minimum of 30 minutes to completing the roommate agreement which is mandatory and becomes a binding document between roommates. This document helps to guide conversations about sharing space and is an investment into your living space and roommate relationship.

---

**Start off on the right foot**

It’s important that you and your roommate respect each other from the moment you enter your new shared living space. You don’t have to become best friends, but it’s important that you respect each other’s space, time, and belongings. Come in with an open mind and a good attitude.

Tell your roommate some things that you would appreciate (such as cleaning up after themselves, giving a heads up if guests are coming, etc.) and tell them to do the same. That way you’re both starting out with a better knowledge of the other person’s likes and dislikes.

---

**Give yourself time**

It can take time to get used to living with someone; especially someone you’ve never met before! Be patient with yourself and the other person. Give yourself some time to settle in and get accustomed to their habits. If after just one week you’ve decided that you cannot live with this person, you haven’t fully given it a fair chance. Know that there will be bumps in the road and times that you will get frustrated, but as long as you are fair and direct, most issues should get resolved.

---

**Talk it out**

Before going to your Floor Fellow or Residence Life Manager, students are strongly encouraged to talk about their issues with their roommate first. It is common for roommates to be unaware of the fact that what they are doing is bothersome to you. If a complaint is raised in a non-confrontational way, people often respond positively. Should a discussion not lead to a compromise, students are then encouraged to consult with a member of their Residence staff, starting with a conversation with their Floor Fellow.

What Does ‘Respect’ Look Like In Residences?

- Respect for the diversity of people that make up the residence community
- Being conscious of how your behaviour impacts those around you
- Learning the names of the support staff who work in your building and dining halls
- Taking responsibility for your actions
- Lowering your music when someone asks you
- Cleaning up after yourself in a common room
- Treating others how they would like to be treated
- Apologizing when you’re in the wrong
Residence Life Team

The Residence Life team, reporting to the Associate Director of Residence Life, is comprised of Residence Life Managers, Assistant Residence Life Managers, live-in Floor Fellows, a Residence Life Advisor, and a team of programming facilitators.

Residence Life Managers (RLMs) are full-time live-in professionals who are responsible for the overall management of our residence communities. They serve as a support for resident students as they adjust to University life and help direct them to health and academic resources. They are also responsible for educational programming, training, and supervising the Floor Fellows.

Assistant Residence Life Managers (ARLMs) are part-time live-in Residence Life staff who assist the RLMs with the residence communities. ARLMs provide administrative support and often step into a leadership role when assisting the Floor Fellow teams. Other responsibilities include an oversight on programming across residences and collaboration with other campus partners to promote community development.

Floor Fellows are a diverse group of upper-year student employees who live in the residence halls and help residents transition as smoothly as possible to their time at McGill. They are role models, resource people, peer supporters, community builders and leaders to the students on their floor. Under the direction of their Residence Life Manager (RLM), Floor Fellows have a commitment to creating a community that is conducive to learning, academic success, personal growth, and development.

The Residence Life Advisor is responsible for campus-wide Residence programming aimed at enhancing resident students’ experience at the University.

The Residence Life Advisor supervises Residence Life Facilitators, who are upper-year McGill students who plan Residence Orientation events throughout the year, and mentor the residence councils and committees.
The Local Wellness Advisor (LWAs) is a trained mental health clinician assigned specifically to work with students living in McGill Residences.

They meet individually with students living in residence and help connect them with the appropriate support resources, either on campus or elsewhere within the Montréal community. Much like a counsellor, a LWA explores with students how to support their mental health and wellbeing. The LWA also acts as mental health resource to the entire Residence Life team.

Students can book one-on-one appointments directly with the LWA through the online booking system. Students can also reach out to other LWAs from other faculties, or specific to community groups, as well as other clinicians at the Student Wellness Hub.

Leadership Opportunities

The Residence Council and Committees

Residence Councils and Committees play an important role in shaping the experiences you will have in your first year in residences. They organize social events, advocate for student interests to the administration and to other university bodies, and work with administration on key issues.

Hall Committees

Each residence hall has a Hall Committee comprised of an ambassador, food representatives, and general members. Each Hall Committee is committed to planning events and addressing the needs of their respective hall.

University Residence Council (URC)

URC is a forum at which Hall Council Presidents and Student Housing & Hospitality Services Management meet to discuss administrative matters in residences. Within the URC, Hall Council Presidents raise resident concerns and vote on matters that influence residence policies.

The Inter-Residence Council (IRC)

The IRC is comprised of specific executive positions for students in residence. They represent the needs and interests of the entire residence community. The IRC plans large-scale events for all residents.

Environmental Residence Council (ERC)

ERC is comprised of environmental representatives and food reps. ERC works with the Hall Committees, IRC, and URC to promote an environmentally friendly and conscious residence community. They also build partnerships with campus partners and organizations with the objective of improving sustainability across McGill.

The Community Engagement and Equity Committee (CEEC)

The CEEC is a group of first-year students dedicated to establishing foundations of anti-oppression and community involvement in residences. The committee holds events and workshops to raise awareness about equity. It also introduces the first-year residence students to the wider Montréal community.
The Community Living Standards (CLS) are designed to build an environment that is conducive to safety, respect, and learning. It is a framework that creates opportunities for reflection and growth when a student’s actions or behaviours do not abide by the CLS.

Every resident student is responsible to read, understand, and abide by the CLS as referenced in the terms and additional clauses of the educational lease.

The Residence Life team retains the right to meet with and provide sanctions to any resident who has violated any of the CLS.
Community Living Standards

The conduct status a student can receive is based on a case-by-case evaluation reviewed by the Residence Life Manager and then discussed with the student in question.

You must advise your RLM if you are part of the fencing or archery clubs and require storage of your sporting equipment.
When an incident has occurred, the situation in question will be documented and then followed up by someone from the Residence Life team. The information below illustrates the process for when a resident is found in violation of the Community Living Standards.

**Documentation of Incident** → **Follow up with the Residence Life team** → **Sanction Issued to Resident**

### Conduct Status

The conduct status that a student can receive is based on a case-by-case evaluation, conducted by the Residence Life Manager and then discussed with the student in question. Depending on the severity of the incident, the conduct status **may not follow a linear pathway as is displayed below.**

#### Verbal Warning

The student’s conduct is considered minor and in the preliminary stages of concern. The student’s actions have impacted the community and are in violation of the Community Living Standards.

#### Written Warning

The student’s conduct and behaviour has negatively impacted the community or has gone against the Community Living Standards. With the application of a written warning, a Residence Life Manager may also assign an educational sanction.

#### Residence Probation

A student may be placed on Residence Probation for the following reasons:

a. The student’s conduct has had a significant and negative impact on the community or on themselves.

b. The student continues to engage in negative behaviour that goes against the Community Living Standards.

Once a student is placed on Residence Probation, further violations of the Community Living Standards could result in an escalation of the disciplinary case.
Disciplinary Measures

When a Residence Life Manager receives an Incident Report, they will reach out directly to the student(s) in question through the students’ McGill email. It is imperative that students regularly check their McGill email in order to maintain open lines of communication. Failure to receive and respond to communication in a timely manner could result in sanctions with the student absent from the decision-making process. The Residence Life Manager will send a maximum of two (2) meeting invitations before a decision is made in the student’s absence.

Conversations between both the Residence Life Manager and the student(s) are designed to create opportunities of learning and growth for the student, and to address their actions in question. McGill employees recognize the various challenges that come with living in residence, which is why a follow-up approach to behaviour that is centralized around learning has been developed. When a student is assigned a Conduct status, they may also receive an educational sanction to invoke reflection and repair the harms that have occurred to the community.

Below is a list of educational sanctions that a student may receive:

**Community Repair**

If a student’s actions have negatively impacted the greater community, the Residence Life Manager will work with the student in question to repair the harm that was done to the community. This may include: apology letters to those impacted, promotional materials to raise awareness, or volunteer work on the weekend or during the evening.

**Educational Sanction**

These sanctions are designed to educate both the student and all parties involved. The intent of this sanction is to provide additional information concerning the situation in question to help the student(s) make better informed decisions moving forward. These types of sanctions include: educational posters or community service.

**Self Awareness Sanction**

These sanctions are designed to involve the student(s) in question and provide them with an opportunity to pause and reflect on the incident. This reflection is meant to allow the student to recognize how their actions impacted the community and the steps they can take to ensure a similar event does not happen in the future. This may include the following: reflection journals, video journals, or a reflection assignment.

In addition to educational sanctions, Residence Life Managers may choose to issue the following sanctions, based on a student’s behaviour and cooperation:

**Discretionary Sanctions**

Residence Life staff reserve the right to issue sanctions in the case of a serious violation of the Community Living Standards, or a continuation of negative behavior. This could include the following: room reallocation, access restrictions, restitution damages, or monetary fines.

**Relocation**

A student may be transferred to another room, or building, if their behaviour is found to have negatively impacted their community. This move is mandatory and will take place once an available room has been identified. Once a student receives their notice to move, they will need to comply with the prescribed timeline accordingly. The intent of the move is to allow the student another opportunity and to have a fresh start. Once a student has been moved, they will not be allowed to enter their former residence building, or be allowed to move again, without prior approval from the Residence Life Manager.
Disciplinary Measures

Community Living Standards Appeal Process

1. Students have the right to appeal penalties and/or administrative decisions taken against them by SHHS through its enforcement and application of the Community Living Standards. A resident who is the subject of such a penalty or administrative decision may appeal by forwarding their written statement of appeal to the Associate Director, Residence Life, or designate, no later than five (5) business days from the date on which the penalty was assessed or administrative action taken. If necessary, a meeting between the Associate Director, Residence Life, or designate, and the resident may be arranged to discuss and clarify the points of the appeal.

2. If the student chooses to have assistance with their appeal, the student may be accompanied by an advisor. The decision of an appeal heard by the Associate Director, Residence Life will be final, and the appeal must be made on at least one of the following grounds:
   a) Relevant evidence that emerges that was not available at the time of the original decision;
   b) The severity of the sanction imposed exceeds the nature of the offence for reasons identified by the student.

Appeals are never to be submitted frivolously. A submitted appeal that is not based on any of the above grounds will not be heard.

“Advisor” means someone holding office under the University Charter and Statutes, someone appointed by or holding regular employment with the University, or registered at the University in a degree program for two consecutive terms, excluding the summer term, who has agreed to act in an advisory capacity and who is not paid for their services.

3. When a student wishes to appeal a decision, they must do so electronically, in writing, within five (5) business days of the Residence Life Manager’s decision. The Associate Director, or designate, then reviews the appeal letter to determine if there are substantial grounds for the appeal.

4. The student will be notified electronically, in writing, of the decision if there are grounds for appeal. If there are grounds, the Associate Director notifies the resident and schedules a meeting within one (1) week at a mutually agreeable time. If the Associate Director notifies the resident that there are no grounds for appeal, then the appeal process is complete.

5. In the case where the Associate Director approves an appeal meeting, the Associate Director may call the student or any other individual related to the case for subsequent questioning or clarification. Once the questioning has concluded, the Associate Director, or designate, may find the resident in violation or not in violation of the alleged incident. The Associate Director, or designate, can impose a new sanction, sustain the original sanction, or reduce the sanction made by the Residence Life Manager. The Associate Director will notify the student electronically in writing of the outcome within five (5) business days of the last meeting. Whatever decision the Associate Director comes to is final and will not be open for further appeal.

McGill Code Of Student Conduct

Every McGill student, including those living in residence, are required to abide by the McGill Code of Student Conduct at all times. The Residence Life professional team reserves the right, at any time as they see fit, to refer to or escalate a resident’s conduct case to be managed under the McGill Code of Student Conduct and Disciplinary Procedures.

Under the Code, a Disciplinary Officer reserves the right to dispense dispositions outlined, including but not limited to:

- short-term exclusion from residence as described in Section II: Administration of Discipline Article 21. Such short-term exclusion is an interim order and does not result in and of itself in a disciplinary offence.
Safety and Security

In case of emergency

If a student or community member is in immediate danger:

- From a wired phone on campus (not a cell): **Call 911 immediately**
- Security services are automatically notified and will be able to see your location and help guide emergency responders there.
- From an outside line or Cell: **Call 911 immediately**
  Then call Security services: 514-398-3000

Make sure to know:

- The location of all ‘exit’ staircases.
- The exact location of the nearest manual fire alarm.
- The exact location and type of the nearest fire extinguisher.
- If your smoke detector works. You must never tamper with it.

Personal Safety tips

- **Always lock your door.** Whether you are sleeping or just leaving to go to the bathroom but especially when you are not there. Residences are safe, but it takes only a moment for a thief to grab a laptop.
- **Never leave your belongings unattended** in the dining halls, library, lobbies etc.
- **Lock your windows and doors at night** and draw your blinds.
  - Report any lost keys/ID cards, to the appropriate office immediately.
- Do not lend your keys or access cards to anyone.
- Do not sign in a guest you don’t know.
- Do not allow anyone you don’t know to enter a key-card entry behind you.
- If someone claims to be a visitor, ask for their friend’s name and room number. If the “visitor” causes any problems, tell a Floor Fellow, Residence Life Manager, a protection patroller, the front desk staff, or call McGill Security at 514-398-3000.

- **Do not buzz anyone you don’t know into the building.** Always go to the door to see who it is.
- Do not ask the food delivery drivers to come up to your room. Instead meet them in the lobby.
- Do not prop open emergency doors and residence hall doors that are supposed to be closed.
- Do not jump over the turnstiles.
- **Please only use emergency exits in emergencies;** otherwise, someone could enter from outside undetected.
- Do not go up onto the roof. This is taken very seriously as we don’t want anyone to get hurt. If you are caught on the roof, you will be subject to a $ 250 fine and discipline under the McGill Student Code of Conduct.
Common Rooms

These areas are fully furnished for your use and comfort. Please respect your fellow residents by leaving the common room furniture where it belongs. Fees will apply for any furniture that needs to be moved.

Communal Kitchens and Kitchenettes

The kitchens and kitchenettes are for everyone’s use, so please be considerate towards your fellow students.

- Keep the area clean after each use.
- **All toasters and kettles and electrical appliances can only be used in these areas.**
- All dishes and leftover food must be removed after each use.
- It is unacceptable for dishes to be left in common areas. Any dishes/items left behind will be disposed of by the cleaning staff, weekly.
- Avoid leaving food or dirty dishes in the cupboards in order to eliminate future problems with insects.

Decorating

Only non-marking adhesives are permitted for securing decorations. **Pushpins, hooks, nails, duct tape, double sided tape, are not permitted** as they are known to damage walls and doors.

Fridge

Each room in the traditional and modern dormitory style residences have a mini fridge. Apartments in Solin Hall have a full sized fridge. Upon arrival, make sure your fridge is in proper working condition as you will be held responsible for any damage to the unit sustained during your stay.

Regular defrosting of the freezer can ensure that your fridge works it’s best.

Heating Units

When the cold weather arrives in late fall, the heat is turned on. It is important that the radiator is free of any obstructions that may affect the distribution of air.

**Do not place your bed against the heating unit nor hang any items on it.**

Key Lockouts

Carry your keys/key card with you at all times. If you accidentally lock yourself out of your room, either the front desk, Protection Patroller, or Porter can help you get in depending on your residence. You will be charged a lockout fee.

Key Replacements & Charges

**Duplicates of keys can NOT be made by residents!**

If you live in a building with keys (all except La Citadelle, NRH, and Carrefour Sherbrooke), and your **keys are lost or misplaced you will have to have your lock changed, which can cost anywhere between $250.00 - $500 depending on your residence.** Arrangements will be made with you to change the lock as soon as possible. If you have roommates, you will also have to pay to replace their keys as well, at a cost of $50 each.

Mailbox keys are $25.00
If you suspect the invasion of any critter, please report it to the front desk immediately. **Pest Control**

*Used furniture is not permitted to be brought into residences.* Although seemingly in good condition, it may be infested.

If you suspect you have bed bugs, don’t hesitate and contact your floor fellow or front desk. This is **VERY important** as to avoid contamination. A protocol is in place in order to avoid the spread of the bugs.

---

**Room Inspections**

At various points throughout the academic year the accommodation staff will enter your room to inspect the health and safety conditions of your room and belongings.

Should the living conditions in your room be deemed unacceptable, we will provide you with a warning and provide a time frame to address the issues.

If you do not respond to the warning within the time frame provided, we will move forward to address and resolve the issues at your cost.

You will be advised one week before each inspection. We ask that, at that time you tidy your room and dispose of debris. Large, extra pieces of furniture should not be brought into your room, as they pose a potential fire hazard. Please check with the residence beforehand to obtain approval.

---

**Room Condition Report**

At move in, you will receive a Room Condition Report to be completed and returned to the front desk within 72 hours of your arrival. Failure to complete the report may result in damage charges being assessed at the end of the academic year for which you are not necessarily responsible. If you are sharing a double room, only one report needs to be submitted signed by both roommates.

Note that in all residences, failure to report damages may result in charges to your account at the end of the year. Please be patient; it may be a short while until someone can come to fix the problem, but don’t worry, we won’t forget about you!

---

**Room Repairs**

Report repairs in your room or common room by filling out the Maintenance Repair Request on the oneCard Management site: [https://onecard.mcgill.ca](https://onecard.mcgill.ca)

If you require assistance please see the front desk.

In the event of a building maintenance emergency such as a toilet flooding or broken windows, please contact the front desk.

---

**Windows**

*Always keep your windows closed during the cold winter months* to prevent any chance of pipes bursting. Any damage caused by leaving your windows open will result in extra fees.

Tampering with the windows and/or its components like the screens, operating and locking mechanism, screws, etc, will result in damage fees.
Starting Fall 2023, the use of washers and dryers in the residence buildings are available 24/7 at no additional charge.

Washing Instructions

1. Check garment tags for specific instructions.
2. Separate clothing by colour and fabric type:
   - whites | colours | dark colours
3. Empty all pockets.
4. Load clothes loosely into the washing machine giving them room to move. Do not stuff the machine.
   - Overloading the washer will prevent your clothes from being thoroughly washed and will damage the machines.
   - When washing bulky items (such as jackets or blankets) keep the load small since these items will most likely fill up the washing basin.
5. Add detergent (and bleach and fabric softener if desired in the reserved areas).
   - Only liquid and powder soap can be used in the soap dispenser drawer. Pods are not recommended for the type of machines available in residence and are not to be put in the dispenser. Please refrain from using them.
6. Select your cycle and allow it to complete.
   - Do not open the door while the cycle is running. The door is locked and doing so will damage the machine.
   - Removing clothes before the spin cycle is complete will result in clothes dripping with water. These cannot be placed in the dryer this way. The spin cycle extracts extra water from the clothes.
   
   Consider using the cold water cycle for a more sustainable option. It will also keep your colors looking vibrant.

Drying instructions

1. Clean lint screen before and after each use.
2. Check garment tags for specific drying instructions.
3. One washer load = one dryer load.
   - Overloading the dryer will prevent clothes from drying properly. Clothes dripping wet with water cannot be put in the dryer. This is an indication that the washer load was too large or the spin cycle did not complete.
4. Do not dry wool, rubber, or plastic items.
   
   Consider drying your clothes on a clothing rack for a more sustainable option. Never hang anything on sprinklers or pipes.
   
   Using the dryer may cause clothing to shrink and will, over time, damage fabrics.

Laundry etiquette

- Remove clothes from the washer/dryer once cycle is complete.
- Leave the front-load door open to help the drum dry quickly.
- Be gentle when closing the doors of the washer and dryer. Slamming the doors will require equipment repairs.
- Wipe detergent spills.
- Report service problems to the hall’s front desk to ensure the machines get fixed quickly.

The All you Care to Eat Mandatory Meal Plan is linked directly to your ID card giving you unlimited access to the dining halls, with no restrictions on how often you enter, or what you eat. Simply swipe your McGill ID card upon entering the dining hall and enjoy as much as you care to eat.

The Mandatory Meal Plan applies to all students in undergraduate residences (except Solin Hall) and it is assigned in conjunction with the building assignment.

Fees and Payment

The Mandatory Meal Plan fees are payable in two installments and are billed electronically to the student fee account:

- $2,850.00 due at the end of September
- $2,850.00 due at the end of January

Kosher Meal Plan

New for those on the Mandatory Meal Plan

We are pleased to offer a variation of the Mandatory Meal Plan for those residence students who keep Kosher and follow strict dietary restrictions according to Jewish Law.

Unlike the All You Care to Eat meal plan, the Kosher Meal Plan runs on a declining balance. It is still linked directly to your McGill ID card but the fund allocation for the oneCard is increased to allow you to regularly buy Kosher meals from our off-campus partner, Le PlezL/Chabad House.

You will still be able to eat in the All you Care to Eat dining halls by paying the entrance fees of each meal period as described below.

Fees

All You Care To Eat Dining: $2850
This portion of the meal plan is tax exempt. The amount deducted at the dining halls is determined by the meal period:

- Breakfast: $9.95
- Lunch: $12.95
- Dinner: $14.95

oneCard Account: $2850
The oneCard taxable account allows you to eat Kosher meals at our off-campus Jewish/Kosher food location Le PlezL/Chabad House.

If you're interested in a Kosher Meal Plan, let us know by submitting a written request to housing.residence@mcgill.ca.
Saver Meal Plan

For students in Solin Hall

At Solin Hall, you have kitchen facilities to prepare your own meals but if you plan to eat a minimum of 10 meals per week in our All You Care to Eat dining halls or on campus, the Saver Meal Plan is for you!

- It is accepted in over 20 food service locations on campus as well as in the All You Care to Eat residential dining halls.
- The base amount to purchase this plan is $1300 per semester and you may add top up dollars at any time through the oneCard Management site before October 1st of the Fall term and before February 1st of the Winter term.
- The plan expires at the end of each semester and leftover funds cannot be rolled over.

Halal options

We are committed to providing halal food options to our Muslim students.

- Halal meal options are available throughout the week in our residential dining halls and at Trottier cafe. They include various preparations of bone-in chicken, ground beef and chicken shawarma.
- Additionally the oneCard allows you to purchase food at our partnering restaurant Basha that has an extensive halal offering.
Your McGill ID Card automatically includes a oneCard account preloaded with funds which will be billed to your student fee account. No sign-up form is required and is activated when you move-in.

**Use the oneCard for the following services:**

- To pay for meals at over 20 on campus food locations

**Topping up your oneCard**

- Go to the secure oneCard Management page: https://onecard.mcgill.ca
We are committed to helping students adopt and develop lifelong sustainable practices through our various sustainability initiatives. Each room has a garbage and recycling bin, please empty them into one of the numerous bigger bins located throughout the residences on a regular basis to avoid odour or pest issues in your room. Please refer to the following list to gain a general understanding of what be recycled, thrown out or composted while living in residence.

### Want to be learn more?

The Office of Sustainability offers amazing short workshops that will cover in more details sustainability topics of interest. Check out their [website](#) and register for one or more courses this semester.
The transition to life in university can be challenging, and students may find themselves having difficulty adjusting to life away from home, experiencing feelings of anxiety or depression, or simply wishing to have someone to talk to. The McGill Residence Life team is committed to the mental health and well-being of residents by ensuring that students have access to a variety of support resources and services, as well as the personalized support in being guided in the right direction towards the appropriate resources.

**What Is Wellness?**

Health and wellness is more than just exercise. There are many different aspects to a person’s wellness — as is conceptualized in the 8 spokes of the McGill Student Wellness Hub’s [wellness wheel](#).

By neglecting one area of wellness, we might compromise our ability to confront challenges in other areas.

**By listening to our own needs, we become less likely to:**
- Feel exhausted or overwhelmed
- Experience low moods
- Experience resentful thoughts
- Take your stress out on others
- Feel anxious or depressed

It is important to be aware of changes in our own habits, moods, and general feeling of well-being in order to evaluate our own sense of wellness. Moreover, taking care of one area of wellness will also help them all: for example, being physically active and getting more sleep will also benefit a student’s overall academic performance.
### Campus Health & Wellness Resources

#### In-residence support:

**Floor Fellows**

Floor Fellows are upper-year student employees who live in residences and whose jobs are to provide peer support and listening resource in residences. They can refer residents or accompany them to other services and resources available on campus.

---

#### Campus support:

**Local Wellness Advisor (LWA)**

Students living in residences can also book an appointment to meet with an LWA directly, and receive one-on-one support from a trained mental health clinician, via the Student Wellness Hub website.

**Student Wellness Hub**

The Student Wellness Hub is an on-campus resource that includes general practitioners, nurses, psychiatrists, counsellors, social workers, and dietitians. Interventions are focused on short-term, episodic care for students facing common mental and physical health concerns during their studies. These professionals are also equipped to diagnose more complex issues and connect students with more appropriate care off-campus.

**The Peer Support Center**

The PSC is staffed by friendly and well-trained student peer supporters. The PSC provides a welcoming space where students can share their experiences, feel truly listened to, and find ways to resolve the things students are experiencing.

**McGill Students’ Nightline**

Hours: 7 days a week from 6:00 PM - 3:00 AM during the academic year (except during the summer and winter breaks).

514-398-6426 (MAIN)

McGill Students’ Nightline is a confidential, anonymous and non-judgmental listening service, run by McGill students, offering a variety of support from information to crisis management to referrals.

**Office for Sexual Violence Response, Support and Education**

514.398.3954 Email: osvrse@mcgill.ca

Confidential, non-judgmental, and non-directional support and education to students, faculty and staff of all genders who have been impacted by sexual violence.

**SACOMSS**
