1 University Regulations and Resources (School of Continuing Studies)

1.1 General Policies and Information

You must inform yourself of University rules and regulations and keep abreast of any changes that may occur. The *General Policies and Information* section of this publication contains important details required by you during your studies at McGill and should be periodically consulted, along with other sections and related publications.

1.1.1 Authorization, Acknowledgement, and Consent

When applying for admission to the University, you are bound by and agree to observe all statutes, rules, regulations, and policies at McGill University and the faculty or faculties to which you may be accepted and registered in, including policies contained in the University calendars and related fee documents. Your obligation as a student begins with your registration and ends in accordance with the University's statutes, rules, regulations, and policies.

You should verify all information or statements provided with your application. Incorrect or false information may jeopardize your admission. The University reserves the right to revoke an admission that is granted based on incorrect or false information in an application or supporting documents.

1.1.2 Student Rights and Responsibilities

The *Handbook on Student Rights and Responsibilities* is produced jointly by the Office of the Dean of Students and the University Secretariat. It contains regulations and policies governing your rights and responsibilities as a student at McGill, and is available at mcgill.ca/students/srr.

Further details regarding your rights and responsibilities are also available at mcgill.ca/secretariat/policies-and-regulations.

1.1.3 Language Policy

The main language of instruction at McGill is English. You have the right to write essays, examinations, and theses in English or in French except in courses where knowledge of a language is one of the objectives of the course.

If you need to improve your English skills, you should take an intensive course in English as a second language before or at the start of your studies. Information concerning second language course offerings can be found through the School of Continuing Studies at mcgill.ca/continuingstudies/area-of-study/languages and the *French Language Centre* at mcgill.ca/flc, and in *Summer Studies* and *Continuing Studies*. There are special language requirements for Faculty of Education students; see *Faculty of Education*.

Note for Continuing Studies: For English language programs, see *Continuing Studies* > *Areas of Study* > *Languages* > [section 4.4.2: English Language Programs](#).

Note for the Faculty of Law: Due to the bilingual nature of the Law program, examinations, term papers, and essays may be written in either English or French. Participation in Moot Courts may also be in either language. While examination questions are set in the language in which a course is given, they may contain materials in either English or French.

Note for Graduate and Postdoctoral Studies: You should refer to *University Regulations & Resources* > *Graduate* > *Regulations* > *Registration* > [Courses Taken as Extra to a Program](#).

Note for Health Sciences: Students studying in the Faculties of Dentistry or Medicine and Health Sciences or in the Schools of Human Nutrition, Nursing, or Physical and Occupational Therapy should consult the Health Sciences : [Language Policy](#) and any language policies pertaining to their specific program. Programs with a clinical component require that students have a working knowledge of both English and French.

1.1.4 Academic Integrity

Before submitting work in your courses, you must understand the meaning and consequences of plagiarism and cheating, which are serious academic offences. Inform yourself about what might be considered plagiarism in an essay or term paper by consulting the course instructor to obtain appropriate referencing guidelines. You should also consult *Fair Play*, the student guide to academic integrity available at mcgill.ca/students/srr/honest/students. There you will also find links to instructional tutorials and strategies to prevent cheating. The *Code of Student Conduct and Disciplinary Procedures* includes sections on plagiarism and cheating. The possession or use of unauthorized materials in any test or examination constitutes cheating. You can find the *Code* in the *Handbook on Student Rights and Responsibilities* or at mcgill.ca/students/srr/publications.

Responses on multiple-choice exams are normally checked by the Exam Security Computer Monitoring program. The program detects pairs of students with unusually similar answer patterns on multiple-choice exams. Data generated by this program can be used as admissible evidence in an investigation of cheating under Article 16 of the *Code of Student Conduct and Disciplinary Procedures*.

The Office of the Dean of Students administers the academic integrity process as described in the *Handbook on Student Rights and Responsibilities*.

Note: All newly-admitted undergraduate students must complete a **mandatory online academic integrity tutorial** in their first semester, accessed through [Minerva > Student Menu > Academic Integrity Tutorial](#) or a registration "hold" will be placed on their record. Prior to Fall 2018, the tutorial was completed in myCourses via the course A444 100, but as of Fall 2018 the tutorial must be completed in Minerva. For more information, see mcgill.ca/students/srr/honest/students/test.

Note for Graduate and Postdoctoral Studies: Graduate students must complete a **mandatory online academic integrity tutorial** accessed through [Minerva > Student Menu > Academic Integrity Tutorial](#). All newly-admitted graduate students must complete the tutorial within their first semester or a registration "hold" will be placed on their record. For more information, see mcgill.ca/students/srr/honest/students/test.

1.1.5 University Student Assessment Policy

The *University Student Assessment Policy* includes all disparate policies with regard to all types of student assessments. This policy is meant to protect students from excessive workloads, and to ensure that all students are treated equally.

This policy applies to undergraduate and graduate courses offered by the University that are evaluated by any form of assessment. Except where otherwise indicated, this policy applies to all faculties, including those which administer their own examinations.

You can consult the policy on the [Secretariat website](#).

1.1.6 Policy Concerning Access to Records

The University sends statements of account and all other correspondence directly to students. You retain full control over who has access to your records or accounts; however, officers and members of the University staff also have access to relevant parts of your records for recognized and legitimate use. The University does not send progress reports or any other information to your parents and/or sponsors unless you specifically request it in writing.

Personal information is protected in the Province of Quebec by the *Act Respecting Access to Documents held by Public Bodies and the Protection of Personal Information* (the "Access Act"). The Access Act provides that McGill University can only release personal information contained in your file with your authorization or if specifically authorized by law.

For the purpose of consent and acknowledgement at the time of application, personal information includes, but is not limited to: name, address, telephone number, email address, date of birth, citizenship, McGill ID, program, student status, and academic record information.

Registered students may oppose the release of certain personal information by completing an [Opposition Form](#) at the Enrolment Services Office or at the Student Affairs Office (Macdonald Campus).

After having reviewed the information relating to access to personal information at the time of application, you would be asked to agree that the University may collect, use, disclose, or otherwise manage your personal information as described below, as necessary and as the case may be.

At the time of application, you would also be asked to **consent to the release of 'personal information'** contained in your admissions or student records file to the following persons or bodies, as necessary to each body, in the exercise of their mission:

- student associations recognized by McGill University for the categories of student to which you belong (limited to your contact and program information);
- schools or colleges that you have attended;
- a professional body or corporation, where relevant;
- the *Ministère de l'Immigration, de la Francisation et de l'Intégration* and/or the *Régie de l'assurance maladie du Québec*; Immigration, Refugees, and Citizenship Canada and/or the *Ministère de l'Éducation et de l'Enseignement supérieur*;
- Universities Canada, the Association of Registrars of the Universities and Colleges of Canada, and the BCI (*Bureau de coopération interuniversitaire*, previously known as CREPUQ), or the member institutions of these organizations, for the purpose of admissions operations and the production of statistics;
- libraries of other Quebec universities with which McGill has established reciprocal borrowing agreements;
- the appropriate authorities involved with external or internal funding of your fees (financial records may also be disclosed to such authorities);
- students and alumni of the University who have volunteered to speak with students for the purpose of facilitating their integration to the University;
- other universities and colleges, at the discretion of the University, if any information connected to your application is determined to be false and misleading, concealed or withheld, or contains evidence of academic dishonesty or inappropriate conduct;
- regulatory authorities, law enforcement or other persons, as authorized or required by law; and
- McGill Network and Communications Services for the purposes of listing your McGill email address in an online email directory.

In addition to the above, **if you are a candidate for admission to Graduate and Postdoctoral Studies, you would be asked to authorize the University** to request letters of reference on your behalf from referees you have identified, with the understanding that each referee would be provided with information indicating that you have applied to be admitted to McGill University, including your name, the McGill program you have applied to, the academic term when you wish to begin your studies at McGill, and your statement describing how the referee knows you.

In addition to the above, **if you are a candidate for admission to the Faculty of Law, you would be asked to consent to** the release of personal information to the Committee for Law Admissions Statistics Services and Innovations (CLASSI) and the Native Law Centre Summer Program at the Native Law Centre, University of Saskatchewan.

In addition to the above, **if you are a candidate for admission to the Faculty of Medicine and Health Sciences or to the Faculty of Dentistry in undergraduate, graduate, or postgraduate studies, you would be asked to consent** to the release of personal information to other schools of medicine; to Employment and Social Development Canada; to the Ministère du Travail, de L'Emploi et de la Solidarité sociale of Quebec; to a McGill professor, researcher or graduate student, strictly for research or teaching purposes; and to a University teaching/affiliated hospital or health centre to which you apply/or join for residency or rotations.

In addition to the above, **if you are a candidate for admission to the Schulich School of Music, you would be asked to consent** to the use of your name and images in public recognition of academic achievement and in the advertising and audio and video recording of student ensemble concerts for distribution using different media and formats.

At the time of application, you would be asked to **authorize the University** to:

- collect and maintain your personal information for the purpose of administering your University admissions and student record files;
- obtain copies of your transcripts from the *Ministère de l'Éducation et de l'Enseignement supérieur*; the Ontario Universities' Application Centre and/or the British Columbia Ministry of Education;
- make inquiries to and obtain personal information from the *Ministère de l'Immigration, de la Francisation et de l'Intégration*, Immigration, Refugees, and Citizenship Canada and/or the *Régie de l'assurance maladie du Québec* to verify the validity of your immigration or health insurance status;
- validate with the *Ministère de l'Éducation et de l'Enseignement supérieur* information regarding your citizenship and previous institution attended, if necessary and as required in order to manage the admissions process and to determine your tuition fees;
- verify any information or statement provided as part of your application; and
- contact you through the McGill Alumni Association and University offices that maintain contact with McGill students, alumni, and friends, for the purpose of providing University updates and opportunities for direct support to the University, including fundraising, and making available special offers such groups may benefit from.

At the time of application, you would be asked to **acknowledge** that:

- an admission granted based on incomplete, incorrect, or false information contained in your application or supporting documents may be revoked at the sole discretion of the University. The University reserves the right to revoke admission at any time.
- if admitted to McGill University, you would be bound by the statutes, rules, regulations, and policies in place from time to time at McGill University and at the faculty or faculties in which you would be registered, including those policies contained in the University calendars and related fee documents. **You would undertake to observe all such statutes, rules, regulations, and policies.** Your obligations would commence with your registration and terminate in accordance with the University's statutes, regulations, and policies.

1.1.7 Undergraduate Leave of Absence Policy

A leave of absence may be granted to undergraduate students for reasons related to:

- maternity or parenting
- personal or family health
- professional development
- required military service

Such a leave must be requested on a term-by-term basis and may be granted for a period of up to 52 weeks. A leave of absence request should be submitted to your faculty Advising or Student Affairs Office along with appropriate documentation. Refer to specific instructions on your faculty website.

Students who are granted such a leave will have "leave of absence" recorded on their transcript.

No tuition fees will be charged for the duration of the authorized leave. During a leave of absence, you maintain an active student ID card and have access to McGill mail and use of the libraries. You are not permitted to register for courses or to participate in student internships or undergraduate research. You may not normally attend another academic institution; exceptions may be requested for professional development. Faculties may request documentation of a student's readiness to resume studies; they will apply "withdrawn" status after one year of approved leave of absence if the student has not returned to the University.

Notes:

- Personal objectives, such as travel or time off, and financial matters are not grounds for a leave of absence.
- Normally, a student shall be in Satisfactory Standing when requesting a leave of absence; exceptions may apply and will be determined by the faculty and, if applicable, the professional program.
- Services are only available to students currently enrolled in a program of study. Services for students who are not currently enrolled, **including students on authorised leaves of absence**, are limited to certain services mandated by government regulation and services that help a student transition back into or out of their studies (examples include connecting a student with services off-campus and government financial aid or immigration advising for students leaving or preparing for re-entry).
- Students who are eligible for scholarship renewal will not have scholarship monies transferred to their account while they are on leave of absence but will maintain eligibility for renewal upon registration in subsequent terms.
- Terms and conditions vary among loan and bursary providers; student consultation with an adviser in Scholarships and Student Aid is recommended.
- Professional programs may impose constraints to application of the undergraduate leave of absence policy due to accreditation requirements or placement limitations.
- International students are advised to contact [International Student Services](#) (ISS) regarding individual circumstances.

Note: When on a leave of absence, if you wish to be covered by the undergraduate supplemental health insurance and/or international health insurance, you must contact your respective campus-wide student association (e.g., Students' Society of McGill University, Macdonald Campus Students' Society) and International Student Services to make arrangements. Note that there will be additional student society fees to be paid in order to be considered a member eligible for the insurance plans. For information about the student societies' supplemental health and dental coverage, click [here](#). For information about international health insurance, click [here](#).

Note: Once a leave of absence is granted, you must consult [Scholarships and Student Aid](#) in order to assess the impact of the leave on student aid (e.g., government loans and bursaries, etc.).

Note for M.D.,C.M. students: Refer to the [Absences & Leaves Policy of the M.D.,C.M. Program](#).

If you need to take a leave of absence because of pregnancy or because you need to care for a dependant, please consult [section 1.1.9.4: Academic Accommodation of Pregnant Students and Students Caring for Dependants](#).

1.1.8 Information Technology (IT) Policies and Regulations

- [section 1.1.8.1: Responsible Use of McGill Information Technology Resources](#)
- [section 1.1.8.2: Report Security Incidents](#)
- [section 1.1.8.3: Use of Cloud Services](#)
- [section 1.1.8.4: Two-factor Authentication \(2FA\)](#)
- [section 1.1.8.5: Email Communication](#)
- [section 1.1.8.6: Secure your Journey](#)

McGill University students, faculty, staff, and other members of the McGill community benefit from a variety of Information Technology resources. Please see [section 1.11: Information Technology \(IT\) Services](#) and visit [IT Services > Get Started> Students](#) for further details.

1.1.8.1 Responsible Use of McGill Information Technology Resources

Each of us has responsibilities when using McGill's IT resources. The *Policy on the Responsible Use of McGill Information Technology Resources* is a code of conduct that identifies what is acceptable when working with McGill technology resources.

For more information, view the [Policy on the Responsible Use of McGill Information Technology Resources](#), available on the [Secretariat website](#).

Note for M.D.,C.M. and D.M.D. Programs: For guidelines regarding the use of social media by M.D.,C.M. and D.M.D. students, see [mcgill.ca/ugme/policies-procedures/guidelines-social-media](#) and [mcgill.ca/thewelloffice](#).

1.1.8.2 Report Security Incidents

Please inform IT Services immediately if you experience or are aware of an IT security incident!

- Contact IT Service Desk through the [IT Support portal](#);
- Or by telephone at 514-398-3398.

For more information, please refer to the [IT Security Incident Response Protocol](#).

1.1.8.3 Use of Cloud Services

McGill's *Cloud Directive* governs your usage of cloud services—programs and apps delivered over the Internet. McGill has approved cloud apps and solutions that are available for your use while at McGill. However, you'll need to choose your apps wisely as not all apps are safe, and they won't all adequately protect sensitive data (either your own or McGill's).

To learn how to safely use cloud apps and solutions, please refer to [mcgill.ca/it/policies/cloud-directive](#), or read the [Cloud Directive](#).

1.1.8.4 Two-factor Authentication (2FA)

All new student accounts are protected with *two-factor authentication (2FA)*, an additional security measure that requires a secondary method of authentication (ex.: acknowledging a prompt or entering a code sent to your mobile device via a mobile app) when signing into many McGill systems. 2FA makes it much harder for cybercriminals to access your account and your personal information, even if they obtain your password. 2FA will be required for all higher education institutions by the end of 2021.

Find out more about 2FA at [mcgill.ca/2fa](#).

1.1.8.5 Email Communication

All students are assigned a McGill email address (usually in the form of *firstname.lastname@mail.mcgill.ca*) and are given a McGill email mailbox. It is your responsibility to monitor your McGill email regularly because this is the official means of communication between McGill University and its students. Ensure that you read and act upon the emails in a timely fashion.

To access your McGill email, go to the Microsoft Office website and sign in with your McGill username and password.

Note: Confirm your McGill email address or set your McGill password on *Minerva*, under the *Personal Menu*. You can also change or reset your McGill password by following the instructions on the *McGill Password Reset Checklist*.

If you have another email account using an external service provider (such as Gmail, Hotmail, Yahoo, etc.), please review the "*Options for dealing with multiple email services*" article on the IT Knowledge Base.

For more information, visit the *Policy on E-mail Communication with Students*, available on the *Secretariat website*.

1.1.8.6 Secure your Journey

IT policies and directives identify measures required to ensure the security and integrity of data and systems you use throughout your student journey. Find out about best practices and cybersecurity steps you can take at mcgill.ca/cybersafe.

1.1.9 Student Health & Insurance

Learn more about health insurance, your requirements as a student, and services offered for special medical needs in the following sections.

1.1.9.1 Health Insurance – International Students

International Students (Non-Canadians or Non-Permanent Residents of Canada)

By Senate regulation, all international students (full-time, part-time, half-time, Additional Session, Thesis Evaluation, Non-Thesis Extension, Special, Exchange, and Visiting) and their accompanying dependants must participate in the University's compulsory International Student Health Insurance Plan (IHI). The University and the Quebec Ministry of Education and Canadian Immigration Authorities require a copy of your proof of health insurance on file.

For details on the IHI plan and information concerning rates, consult the *ISS website*.

Students covered by private health insurance are not exempt from the McGill plan. However, you may be eligible for an *exemption* by meeting certain criteria. **Exemption requests must be made on Minerva under the International Student Health Insurance Coverage Form.** Supporting documents for your exemption request should be scanned and emailed to *ISS*, indicating in the body of the email your name, McGill ID number, and exemption request.

Exemptions are valid for one year only, and must be renewed each subsequent year.

All inquiries related to McGill's International Health Insurance Plan must be directed to International Student Services:

International Health Insurance

Telephone: 514-398-4349

Email: international.health@mcgill.ca

Website: mcgill.ca/internationalstudents/health

1.1.9.3 Special Medical Needs

If you have special medical needs, please book an appointment with the Student Wellness Hub to discuss how to manage your health while at McGill. Contact information for the **Downtown campus** is available at mcgill.ca/wellness-hub/access-care/meet-professional, and for the **Macdonald campus** at mcgill.ca/wellness-hub/access-care/macdonald-campus-care.

1.1.9.4 Academic Accommodation of Pregnant Students and Students Caring for Dependants

McGill acknowledges the particular challenges facing you as a pregnant student and/or as a student caring for a dependant.

McGill supports you in your desire to further your education while meeting your family obligations.

Wishing to provide an environment in which you may be able to continue in your program of study and fulfil your university commitments, [these guidelines](#) aim to set out how, and in what exceptional circumstances, you may request academic accommodation.

1.1.10 Non-Smoking Policy

[Quebec law](#) prohibits smoking in public buildings. Smoking on University Property is permitted only within outdoor Designated Smoking Areas. Smoking is prohibited outside any Designated Smoking Area on University Property. For more information, see mcgill.ca/ehs/policies-and-safety-committees/policies/mcgill-smoking-policy and mcgill.ca/secretariat/policies-and-regulations.

Note: For the purposes of the Tobacco Control Act, "smoking" also covers the use of an electronic cigarette or of any other device of that nature; "tobacco" also includes the following accessories: cigarette tubes, rolling paper and filters, pipes, including their components, and cigarette holders. Please consult [Chapter L-6.2 - Tobacco Control Act](#), for further information.

1.1.11 Policy Concerning Cannabis

McGill University has adopted a [Policy Concerning Alcohol, Cannabis and Other Drugs](#). This policy applies to all McGill students, faculty, staff and visitors on the Downtown and Macdonald campuses, the Gault Nature Reserve, and spaces leased by the University. The policy only permits the consumption of cannabis for medical reasons, accompanied by a valid medical certificate, under certain conditions. However, all consumption of cannabis for recreational use is prohibited on University property.

For further details on this policy please refer to the [Policy Concerning Alcohol, Cannabis and Other Drugs](#).

1.2 Personal Information

You must inform yourself of University rules and regulations and keep abreast of any changes that may occur. The [Personal Information](#) section of this publication contains important details pertaining to nominative information, legal documents, and ID cards, as well as other topics, and should be consulted periodically.

1.2.1 Updating Personal Information

It is important to keep your McGill records up to date with your personal information, especially your mailing or billing address, as these are used by the University year-round.

You must update your address(es) and/or telephone number(s) and emergency contact information on [Minerva](#) under the *Personal Menu*.

If you are away from campus and do not have access to the Internet, you can request changes by writing to your Student Affairs Office or to [Service Point](#). Your written request must include your signature.

If you need to change important personal information that requires the University to verify official documents—such as a name or citizenship change, or a correction of your birth date—refer to the instructions at mcgill.ca/student-records/personal-information/address. Macdonald campus students can request changes in person at the [Macdonald Campus Student Affairs Office](#), Laird Hall, Room 106.

Note for Continuing Studies: If you need to change important personal information that requires the University to verify official documents, such as a change to your name or citizenship, or a correction of your birth date, you must go in person (as soon as possible) to the School of Continuing Studies Client Services Office. Such changes can only be made in person at the School of Continuing Studies, Client Services Office, 688 Sherbrooke Street West, Room 1199.

Note for Nursing: A Quebec address and telephone number are required for Nursing students on Minerva to meet OIIQ registration requirements.

1.2.2 Submitting Legal Documents

McGill requires documentation from you to confirm your legal status. The following sections describe the documents needed for your specific situation and how you should proceed.

1.2.2.1 Why Does McGill Collect Legal Documents from You?

Your tuition status at McGill will vary depending on your legal status in Canada. In order for us to determine your appropriate rate of tuition (Quebec, Canadian out-of-province, or international), we require documentation confirming your current status. We also require these documents to confirm your valid citizenship/immigration status. To find out which documents you must provide—and when they are required—refer to: [section 1.2.2.2: What Documents Does McGill Need from You?](#)

Some of the documents McGill requests of you help us obtain your **Permanent Code** from the Government of Quebec. This unique 12-character code is created by the Quebec Ministry of Education, and is obligatory for all students registered in a Quebec institution. If you have previously attended school in Quebec, you should already possess a Permanent Code; it can be found on your school report card or your CEGEP and/or university transcripts. If you do not already have a Permanent Code, we will request to have it created for you. Once it has been created, it will reflect on your unofficial transcript.

You can consult your tuition and legal status (including your Permanent Code) on [Minerva](#). Select *Student Menu* > *Student Accounts Menu* > *View your Tuition and Legal Status*.

Note for Medicine: Once admitted to the Faculty of Medicine and Health Sciences, you will be required to provide additional documentation for the purposes of admission and registration. Details are provided in the application instructions. For more information, see mcgill.ca/medadmissions/applying/elements.

1.2.2.2 What Documents Does McGill Need from You?

Follow the instructions in the first row of this table that apply to you. **Send clear, legible copies of documents (not originals).**

 - Students awaiting permanent residency in Canada and holding an eligible CSQ
 - Students whose spouse holds, or unmarried students whose parent holds, a Temporary Work Permit in Canada
 - Students funded by the FRSQ (*Fonds de la recherche en santé du Québec*)

These exemptions lower your fees to the Quebec rate of tuition. More detailed information for the categories listed above are available at mcgill.ca/student-accounts/tuition-fees/general-tuition-and-fees-information/tuition-fee-exemptions as well as at mcgill.ca/legaldocuments/exemption.

Note that this information may be subject to change.

1.2.2.3 Has McGill Received Your Documents?

1.2.2.3.1 Quebec/Canadian/International Fees and Immigration Status

Once McGill has received your documents, it usually takes 5-10 business days to process them and update your status accordingly.

- Check your tuition status on the *Minerva* Student Accounts menu: *Student Menu > Student Accounts Menu > View Tuition Fee and Legal Status*.

Note: Ensure that you select the correct term when viewing your status.

- Check the phrase: *Fees currently calculated according to rules for...* This will tell you if your tuition status is currently being billed at the international rate, the Canadian rate, or at the Quebec rate. For information on fees, see mcgill.ca/student-accounts.

If you do not agree with your tuition status, notify McGill right away. Documentation provided to modify your legal and tuition status must be received within the given semester for changes to be applied for that semester. Retroactive tuition status updates are not permitted; requests and documents submitted after the semester has ended will be processed, with changes applied to the following semester.

1.2.2.3.2 Permanent Code

Your Permanent Code will be created and/or validated by the Quebec Ministry of Education normally within the first six to eight weeks of your first registered semester at McGill.

- Check your Permanent Code on *Minerva*: *Personal Menu > Name Change* or alternately via *Student Menu > Student Accounts Menu > View Tuition Fee and Legal Status*. If your 12-character Permanent Code appears there, your documents are in order. If not, you have not yet provided McGill with your documents listed in [section 1.2.2.2: What Documents Does McGill Need from You?](#) or the Government of Quebec has not yet confirmed that your documents are sufficient to create a Permanent Code.

1.2.2.4 What Are the Consequences of Not Providing Your Documents?

The deadline to submit documents in support of a change to your tuition status effective for that semester is the last day of classes for that semester (e.g., December 1 for changes to be made to your tuition status for the Fall term, or April 1 for changes to be made for the Winter term).

If documents are still missing from your file subsequent to the start of the semester, a hold will be added to your record preventing you from registering or dropping any courses, and in some cases, from obtaining your official transcript.

International students who have not provided their valid immigration documents to McGill may be de-registered from their courses.

1.2.2.5 Where and How Do I Send My Documents?

You must send in all your documents after you have accepted your offer of admission but before the start of classes. **Do not send originals.** Email clear and legible copies of your documents. Write your McGill student ID in the filename of each document so that McGill can match them to your record. The sooner you submit your documents, the sooner the University can update your status and ensure that your record is in order.

Please refer to mcgill.ca/legaldocuments/how for detailed instructions on where/how to submit your documents.

If there is a problem with your documents, contact:

Telephone: 514-398-7878

1.2.3 Identification (ID) Cards

As a student registered at McGill, you are required to present an ID card to:

- write examinations;
- use libraries and student services, including certain laboratories;
- access residence buildings;
- access meal plans;
- access the inter-campus shuttle bus.

The Student Identification card is the property of the University, for use by the cardholder only, and is not transferable. If you withdraw from all of your courses, you must attach your ID card to the withdrawal form or return it to Enrolment Services (or the Faculty of Agricultural and Environmental Sciences, Student Affairs Office, Macdonald Campus).

- New students must be registered for at least one course to obtain an ID card.
- You must allow for at least 24 hours after you have registered for your first course before requesting an ID card.
- If you do not register for consecutive terms, you should retain your ID card to avoid having to replace it when you re-register.
- If your card has expired, there is no charge for a replacement as long as you hand in the ID card.
- If you change programs or faculties, there is no charge to issue a new card as long as you hand in the ID card.
- If your card has been lost, stolen, or damaged, there is a replacement fee; please see the [Student Records](#) website for an exact fee amount.
- If you need security access to labs or other facilities please contact the Area Access Manager (AAM) of the building in which the room is located. To find out who the AAM is, consult the [Find the AAM](#) list on the [Security Services website](#).

Note for Continuing Studies: You must allow at least one day after you have registered before applying for your ID card. You will not be issued an ID card if you have fees owing. You may obtain your ID card at the [Client Services Office](#) of the School of Continuing Studies. If you withdraw from all of your courses, you must attach your ID card to the withdrawal form or return it to the Client Services Office of the School of Continuing Studies.

1.2.3.1 ID Card Schedule for the Downtown Campus

The locations and opening hours of ID card centres can be found on the Student Information website at mcgill.ca/student-records/personal-information/id.

- Returning students must be registered for at least one course, and may present themselves at an ID card centre during their operational hours at any time in order to obtain a replacement card. Please refer to the following site for information on the downtown campus ID centre:
mcgill.ca/student-records/personal-information/id.

1.2.3.2 ID Card Schedule for the Macdonald Campus

New students can obtain their ID card 24 hours after registering for their first course. Registration dates for new students can be found [here](#).

Student Affairs Office, Room 106, Laird Hall

Office hours:

Monday through Friday – 9:00 a.m. to 4:00 p.m.

Friday throughout the summer – 9:00 a.m. to 3:00 p.m.

1.2.4 Legal Name

Your legal name is the name that will appear on your degree, diploma, or certificate upon graduation, and on your e-bills, tax receipts, and official transcript. It is also used by the Government of Quebec to create a [Permanent Code](#).

After confirming your offer of admission and registering at McGill, the name provided on your admission application is validated, and in the event of a variation updated, to match the legal name appearing on one of the following documents:

1. Canadian birth certificate or citizenship certificate.
2. Canadian Immigration Record of Landing, (IMM 1000 or IMM 5292 or IMM 5688 and Permanent Residence card.)
3. Canadian Immigration Study or Work Permit.
4. Certificate of Acceptance of Quebec (CAQ.)
5. International passport (**Note:** If you possess Canadian citizenship, a Canadian citizenship card or certificate is required as a Canadian passport is not acceptable.)
6. International birth certificate (with an official translation in English or French)
7. Letter from international student's consulate or embassy in Canada.
8. Marriage certificate issued outside of Quebec (translated into English or French by a sworn officer if in another language). *Note that Quebec marriage certificates are only acceptable if issued prior to 1984.*
9. Certificate of Name Change issued by the Quebec *Directeur de l'état civil* or applicable force in any Canadian Province.

In the case of a variation in the spelling of the name among these documents, the University will use the name on the document that appears first on the above list.

Should McGill require a copy of one of the documents listed about, both or all sides of the document must be copied and presented.

1.2.4.1 Preferred First Name

Your preferred first name is a name by which you are normally addressed, and is different from your legal first name. The Preferred First Name Procedure enables students to use an alternate preferred first name for certain purposes while studying at McGill.

Students who wish to use a preferred first name should enter this information into Minerva as soon as possible in order to ensure that their preferred first name is used as widely as possible.

The preferred first name may be used on all unofficial university documents and tools, such as:

- McGill ID cards
- Class lists
- Student advising transcripts

The student's legal name must appear on official university documents, such as:

- Official university transcripts
- Reports to government
- Letters of attestation
- Diplomas and certificates
- Tuition fee e-bills

It is important to note that making a request to use a preferred first name at McGill does not change a student's legal name in the McGill student record or records with government authorities.

You can provide a preferred first name on your application for admission or, once admitted, on [Minerva](#), under the *Personal Menu*. From the *Personal Menu*, select *Name Change* and then add your preferred first name in the preferred first name field.

You can also request that your preferred first name be part of your McGill email address by submitting a change to Network and Communications Services (NCS) via the [REGGIE](#) tool. For further details, see [mcgill.ca/student-records/personal-information/address](#), which includes the Preferred First Name FAQ.

1.2.4.2 Verification of Name

You should verify the accuracy of your name on McGill's student records via Minerva ([mcgill.ca/minerva](#)). To do this, go to *Personal Menu > Name Change*, where you can make minor corrections such as changing case (upper/lower), adding accents, and spacing. You can also add a preferred first name that is different from your legal first name, and it will be used internally at McGill. For more information on the Preferred First Name Procedure, see [mcgill.ca/student-records/personal-information/address](#).

Note that you cannot change your legal name via Minerva. Requests for such changes must be made by presenting official documents (see [section 1.2.4: Legal Name](#) and [section 1.2.4.1: Preferred First Name](#)) in person at [Service Point](#), 3415 McTavish Street, Montreal QC H3A 0C8.

Note for Continuing Studies: Requests for such changes must be made by presenting official documents (see [section 1.2.4: Legal Name](#)) in person at the [Client Services Office](#), School of Continuing Studies.

1.3 Registration for Continuing Studies Students

Most students in Continuing Studies must register using [Minerva](#), during the registration periods published in [School of Continuing Studies > Getting Started > section 2.2: Key Dates, 2021–2022](#) and at www.mcgill.ca/importantdates.

Note:

If you are registering for short courses or seminars, see your individual academic area for specific registration information.

You must register for at least one course prior to the end of the regular registration period to avoid paying a late registration fee; exact fee amounts are available on the [Student Accounts](#) website. You may add courses until the end of the add/drop period without penalty. If you are in doubt about what course(s) to register for, you can meet with an adviser.

You are responsible for your course selection, registration, and ensuring that you have completed your program and degree requirements according to the regulations and deadlines indicated in this publication. Advisers and staff at the School of Continuing Studies are available to give you advice and guidance.

The School publishes an **Important Dates Supplement** three times a year that contains specific details on registration dates and information needed for the upcoming term. In case of discrepancy between what is published in the supplement and this publication, the supplement takes priority.

1.3.1 How to Register Using Minerva

Go to [Minerva](#) and follow the step-by-step instructions. You can register and/or make course changes using Minerva ONLY during the periods indicated in the Minerva Registration Schedule. For more information, see [section 1.3.3: Course Information and Regulations](#).

Before Going to Minerva:

- Read the timetable and registration instructions carefully. Not all courses are offered each term. Keep this in mind when selecting your courses. You can only register for one term at a time.
- See an adviser. If you wish to substitute required courses or enrol in courses outside your program, you must obtain written approval from your academic area, otherwise the course may not be recognized for credit toward your program. If you need to see an adviser, call your academic area well before registration to make an appointment.

Problems Using [Minerva](#)?

If you have any program or course-related questions regarding registration, contact the Student Affairs Office at 514-398-6200. If you have problems using Minerva, contact the Minerva Help Line at 514-398-7878.

Can't Remember Your PIN?

If you cannot remember your PIN, you can reset it using the “Forgot PIN?” button on the [Minerva](#) login page. If you are unable to reset your PIN, call the Minerva Help Line at 514-398-7878.

1.3.1.1 Who Can Use Minerva?

If you were registered at the School of Continuing Studies during the past year, or were recently admitted to a program, you must use Minerva to register for courses.

Exceptions

You will not be able to use Minerva to register if:

- you have outstanding fees
- you do not have a Permanent Code
- you have a registration hold on your record for administrative or academic reasons
- you are registering for a Language course and your record does not indicate successful completion of the previous level

If any of these conditions apply, you should see an adviser and register in person (see [section 1.3.2: Other Ways to Register](#)).

1.3.1.2 Registration for Full-Time McGill Degree Students Taking Continuing Studies Courses

If you are a full-time McGill degree student, you can use Minerva to register for a Continuing Studies course. If you are currently in a McGill degree program and want to take a Continuing Studies course for credit toward your program, you must obtain authorization from your faculty.

If you are currently in a McGill degree program and want to take a Continuing Studies course for interest or personal development, you can register using Minerva. With the exception of some Professional Development courses and some Faculty Partnerships and Summer Studies short courses, workshops, and seminars, these courses will appear on your official transcript but will not count toward the completion of your degree requirements.

Note: English and French language courses offered by the School of Continuing Studies are not available to full-time McGill degree students.

1.3.2 Other Ways to Register

1.3.2.1 In-Person Registration

If you are a new Independent (Special) Student, or if you are unable to register using Minerva for any reason, you must register in person. This service is by appointment only. Please call Client Services for an appointment at: 514-398-6200.

Note: A registration appointment is not the same as an appointment to see an adviser. If you wish to meet with one of our advisers, please call for a separate appointment (see [section 1.8.2: Contact Information for Continuing Studies Advising](#)).

Please consult our [website](#) for specific dates for the Fall, Winter and Spring/Summer term in-person registration.

section 4.5.1: About the McGill Community for Lifelong Learning (MCLL)

1.3.2.3 Registration by Proxy

If you are unable to register during the scheduled registration periods, you can register by proxy. A proxy form is available at the School of Continuing Studies or at mcgill.ca/continuingstudies/registration. This form must be completed and signed by both you and the proxy holder. The School will not accept proxy forms sent by fax. The proxy holder must bring the signed form along with all supporting documents, and be prepared to pay the fees in full (see *section 1.3.2.1: In-Person Registration*).

1.3.2.4 Registering by Mail, Fax, or by Web

If you are registering for courses, workshops, or seminars offered by *Career and Professional Development* or by *Faculty Partnerships and Summer Studies*, refer to the specific course on the website at mcgill.ca/continuingstudies/contact-us. In some cases, you may be able to register by mail, fax, or via web.

1.3.3 Course Information and Regulations

The University reserves the right to make changes without prior notice to the information contained in this publication, including the revision or cancellation of particular courses or programs.

At the time this publication was finalized, new courses and modifications to some existing courses were under consideration. Students preparing to register are advised to consult *Class Schedule* and refer to mcgill.ca/students/courses for the most up-to-date information on courses to be offered.

Not all courses listed are offered every year.

Note for Graduate Studies: You are advised to also refer to *University Regulations & Resources* > Graduate > Regulations > : *Registration* and : *Student Records*.

Note for Health Sciences: For information, you should refer to your Faculty/School section in this publication.

Note for Summer Studies: Refer to : *Student Types and Registration Procedures* and *section 1.5: Student Records* for further information.

1.3.3.1 Classes with Limited Enrolment

The School reserves the right to limit the size of classes based on academic grounds or physical space limitations. In all such cases, enrolment is on a "first-come, first-served" basis, with priority given to students admitted to certificate, diploma, and degree programs.

1.3.3.2 Course Withdrawals and Refunds

Once registered for a course, you are responsible for the fees. If you decide not to follow the course, you must officially withdraw.

Simply not attending classes or informing the instructor does not constitute an official withdrawal.

1.3.3.2.1 How to Change (Add/Drop/Withdraw) a Course

1.3.3.2.1.1 How to Add/Drop a Course

You can add or drop a course in one of two ways:

- Online using *Minerva* (*Registration Menu*)
- In person by completing a "Course Change Form" available at mcgill.ca/continuingstudies/current-students/registration/add-change-or-drop-course and bringing it to the Client Services Office

You can change sections, add, and drop courses only during the add/drop period. You will be charged a \$20 administrative fee for each course dropped. Refer to the *Important Dates Supplement* for specific add/drop dates. Courses dropped before and during the Late Registration and add/drop period will not show on your record.

1.3.3.2.1.2 How to Withdraw From a Course – Grade of “W”

You can withdraw from a course in one of two ways:

- Online using *Minerva* (*Registration Menu*)
- In person by completing a “Request for Course Withdrawal Form” available at mcgill.ca/continuingstudies/current-students/registration/course-withdrawal and bringing it to the Client Services Office

There are two withdrawal periods for the Fall and Winter terms; one with a refund and one without a refund.

It is very important that you take note of the deadlines for obtaining a refund.

If you miss the fee refund deadline, you are responsible for all course fees. During both withdrawal periods, you may withdraw from course(s) using *Minerva*. You will be given a grade of “W,” which does not affect your CGPA. Failure to officially withdraw will result in a grade of “J” (incomplete/failure), which counts as “0” in GPA calculations.

Official registration and withdrawal dates are published before the start of each term. Refer to the *Important Dates Supplement* for specific dates.

1.3.3.2.2 Minerva Registration Schedule 2021–2022

Registration		
	Fall	Winter
Returning students	May 26 to September 2	October 1 to January 6
Newly admitted students	June 2 to September 2	October 8 to January 6
Returning (Independent) Special Students	June 2 to September 2	October 8 to January 6
Late Registration and Add/Drop Period		
	Fall	Winter
All students except for those in non-credit <i>Professional Development</i> and <i>Faculty Partnerships and Summer Studies</i> courses	September 3–15	January 5–19

1.3.3.2.3 Effective Date for Refunds

It is solely your responsibility to initiate a course change (i.e., add/drop/withdrawal) by submitting a form to your student affairs office. Neither notification of the course instructor nor discontinuing class attendance is sufficient.

The effective date for refunds will be the date on which the official Course Change Form was completed or the date the change was made on *Minerva*.

Refunds are not automatically issued as a result of course changes. You must specifically request a refund in writing; otherwise, any amount owing to you as a result of a course withdrawal or overpayment will be credited to your fee account.

Note: Special rules for refunds will apply for courses of 10 sessions or less or for courses of a specialized nature. For specific details, contact the academic area.

If you are a full-time McGill degree student registered in a Continuing Studies course, the Continuing Studies course change deadlines do not apply to you; see mcgill.ca/importantdates for deadlines that apply to your faculty.

Refund Request

To make a request for a refund, log into *Minerva* and follow the *Student Accounts* menu.

If you withdraw from your only course, your McGill ID card must also be returned since it is the property of McGill University.

1.3.3.3 Auditing of Courses

McGill does not permit auditing of courses.

Note for Continuing Studies: You can register for a Continuing Studies course and opt to have it “non-evaluated”.

1.3.4 Class Schedule

Class Schedule for the upcoming Fall and Winter terms normally becomes available in March prior to the opening of advising. The Summer term schedule is normally published in early February. Class Schedule includes the days and times when courses are offered, class locations, names of instructors, and related information. You can also access the details of scheduled courses by clicking the course reference number (CRN) that appears with each course section shown in Class Schedule.

You should make a note of any preregistration requirements for a course, such as placement tests or departmental approval/permission required.

Class Schedule information is subject to change and is updated as courses are added, cancelled, rescheduled, or relocated. It is your responsibility to consult Class Schedule at the time of registration, and again before classes begin, to ensure that changes in the schedule have not caused conflicts in your schedule.

Once you have selected some courses from the Class Schedule, try [Visual Schedule Builder](#) (VSB) to view your possible class schedules in an easy-to-read weekly schedule format. Please note that you cannot use Visual Schedule Builder to register but you can copy your choice of course reference numbers (CRNs) from VSB to have handy for registration in Minerva.

Please note that the last day of classes in a term varies according to a course's schedule pattern (e.g., Mon-Wed-Fri, Tues-Thurs, Monday only, etc.). You may verify these details at mcgill.ca/importantdates/key-dates.

Note for Health Sciences: For information, you should refer to your Faculty/School section in this publication.

Note for Medicine: This section is not applicable to M.D.,C.M. students; see mcgill.ca/ugme.

1.3.5 Late Registration

You can register late provided there are spaces available in the course after the regular registration period. The late registration period is indicated in the **Important Dates Supplement** at mcgill.ca/continuingstudies/registration or in [School of Continuing Studies > Getting Started > section 2.2: Key Dates, 2021–2022](#). You will be charged a late registration fee whether you registered on Minerva or in person; exact fee amounts are available on the [Student Accounts website](#).

1.3.6 Registration in Courses Administered by Other Faculties

You may, under exceptional circumstances, receive permission to register in a course administered by another faculty for credit toward your program. The number of courses you can take is limited and is subject to approval by the faculty.

You will not be able to register for these courses on Minerva. In order to receive permission to register for a course administered by another faculty, you must be formally admitted to a Continuing Studies program and supply proof that you have satisfied all prerequisites.

You must obtain written approval from the Director or Program Adviser. The School registration regulations apply to these courses, including withdrawals, refunds, and requests for transfers.

Registration regulations of the faculty where the course is taken do not apply. However, you must follow the rules and regulations of the faculty where the course is taken with regards to examination conflicts or requests for deferrals.

Note: Some faculties do not offer supplemental examinations. Any failed course must be repeated.

1.3.7 Quebec Inter-University Transfer Agreement

1.3.7.1 Quebec Inter-University Transfer Agreement: McGill Students

The Quebec Inter-University Transfer (IUT) agreement permits concurrent registration at McGill and another Quebec institution.

If you are a regular McGill undergraduate or graduate degree, diploma, or certificate student, you may register, with your faculty's permission, at any Quebec university for three—or in some cases six—**credits** per term in addition to your registration at McGill. You may also obtain permission to complete a full term (i.e., 12 to 15 credits) at another Quebec university. Your combined registration may not, however, exceed the total number of credits you are permitted to complete in a given term. These courses, subject to faculty regulations, will be recognized by McGill for the degree that you are registered for, up to the limit imposed by the residency requirements of the program. Normally, you must complete a minimum residency requirement of 60 credits at McGill in order to qualify for a McGill degree (you should check with your faculty). This privilege will be granted if there are valid academic reasons.

If you want to take advantage of this agreement, consult your Student Affairs Office for details. Note that this agreement is subject to the following conditions:

- The Quebec universities concerned may, at their discretion, refuse the registration of a student for any of their courses.
- You must complete your faculty and program requirements.
- You are responsible for ensuring that the McGill Class Schedule permits you to take these courses without conflict.
- The Quebec universities concerned are not responsible for special arrangements in cases of examination or class schedule conflicts.
- Grades earned at the host university will not be included in your McGill grade point averages (GPA) or show on your McGill transcripts.
- If you are attending McGill as an Exchange student from outside Quebec, you are not eligible to take courses at another Quebec institution through the IUT agreement.
- Any grades received late from host universities may delay your graduation.

If you are a scholarship holder, you should consult with your Student Affairs Office and the scholarships coordinator concerning your eligibility for continuation or renewal of your award(s).

You must initiate an online Quebec Inter-University Transfer (IUT) application to request the required authorizations at mcgill.ca/students/iut. You may find additional information posted on your faculty website.

Note: Once the Quebec Inter-University Transfer (IUT) application is approved by both the home and host universities, you must register in the approved course. The method of registration of the host university will vary (e.g., web, in-person, phone, etc.). **You must allow sufficient time to complete and submit your electronic application, because you are responsible for adhering to all the host university's registration deadlines.** If you decide later to drop or withdraw from the approved course(s), you will need to drop or withdraw from the course using the host university's registration method **and** submit this change on the online Quebec Inter-University Transfer (IUT) application.

The host institution will automatically submit your grades to McGill for any completed courses.

Note for the Faculties of Arts and Science (including B.A. & Sc.): If you participate in any type of study away or exchange (including Quebec Inter-University Transfer) during your final (U3) term—even if you are taking only one course outside of McGill—you will not be able to graduate by the end of this final term and must change your graduation to the following term.

Note for Engineering: For most programs, courses that can be taken through the IUT agreement are restricted to specific course categories. For details, please see mcgill.ca/engineering/students/exchanges-study-away/study-away.

Note for Nursing: You must obtain permission from the Ingram School of Nursing to register at another Quebec university for three, or in some cases six, credits per term in addition to your registration at McGill. These courses, subject to the Ingram School of Nursing's regulations, will be recognized by McGill for the degree that you are registered for, up to the limit imposed by the residency requirements of the program. Normally, you must complete a minimum residency (i.e., courses taken at McGill) requirement of 60 credits at McGill in order to qualify for a McGill degree (you should check with the Ingram School of Nursing). This privilege will be granted if there are valid academic reasons. If you want to take advantage of this agreement, please see mcgill.ca/students/iut for information and application procedures. The final grades earned at the host university must meet the minimum requirements as set by the Ingram School of Nursing, i.e., a letter grade of 'C'.

Note for Physical and Occupational Therapy: The final grades earned at the host university must meet the minimum requirements as set by the Physical Therapy or Occupational Therapy programs.

1.3.7.2 Quebec Inter-University Transfer Agreement: Visiting IUT Students

Note for Health Sciences: This section applies only to the Ingram School of Nursing.

The Quebec Inter-University Transfer (IUT) agreement permits concurrent registration at McGill and another Quebec institution.

If you are a student at another Quebec university and you want to take courses at McGill using the Quebec Inter-University Transfer (IUT) agreement, you must initiate an online application to request the required authorizations at mcgill.ca/students/iut. You should also refer to your home university website for regulations on the number of credits allowed, as well as the policies for transferring the credits.

Note: Once the Quebec Inter-University Transfer (IUT) application is approved by both the home and host universities, you remain responsible for registering in the approved course. At McGill, you have to register on Minerva (mcgill.ca/minerva). You will be informed via email of the necessary registration steps once your application has been approved. **You must allow sufficient time to complete and submit your electronic application, because you are responsible for adhering to all of McGill's registration deadlines.** If you decide later to drop or withdraw from the approved course(s), you will need to drop or withdraw from the course on Minerva **and** submit this change to the online Quebec Inter-University Transfer (IUT) application.

Note for Engineering: Courses administered by the Faculty of Engineering that are offered in the Summer term are open to McGill students only.

Note for Continuing Studies: If you are a Visiting IUT Student and your application has been approved, you must register in-person, by appointment only (see [University Regulations & Resources > Continuing Studies > Registration for Continuing Studies Students > Other Ways to Register > section 1.3.2.1: In-Person Registration](#)).

McGill will automatically submit your grades for any completed courses to your home university.

1.4 Fees for Continuing Studies Students

The University reserves the right to make changes without notice in the published scale of fees. Please consult the Student Accounts website at mcgill.ca/student-accounts/tuition-fees. The University will publish this schedule as soon as the fees for the 2021–2022 academic year are announced.

The School of Continuing Studies is not responsible for any fees payable to an external association or institute.

1.4.1 Access to Fee Information

You can view your *Account Summary by Term* on [Minerva](#). The Fall term fees will be accessible in mid-July.

1.4.2 Billings and Due Dates for Continuing Studies Students

Invoicing of Fees

Fees are assessed on a term-by-term basis.

Electronic billing is the official means of delivering fee statements to all McGill students. Your e-bill includes all charges to your account, including tuition, fees, health insurance, and other charges. The University generally produces e-bills at the beginning of the month and sends an email notification to your official McGill email address stating that your e-bill is available for viewing on Minerva. Charges or payments that occur after the statement date appear on the next month's statement, but you can view them immediately on the *Account Summary by Term* under the *Student Accounts Menu* on Minerva (this is the online dynamic account balance view).

Failure to check email on a regular basis *in no way warrants* the cancellation of interest charges and/or late payment fees. Refer to the Student Accounts website at mcgill.ca/student-accounts for information on payment due dates.

Late Payment Fees

If you have an outstanding balance greater than \$100 on your account at the end of October (end of February for the Winter term), you are charged a late payment fee according to the fee schedule found in [section 1.4.5: Other Fees for Continuing Studies Students](#).

1.4.2.1 Payment Procedures

Please see the Student Accounts website at mcgill.ca/student-accounts/your-account/payment for the various methods of payment available to students and their guests.

1.4.3 Tuition Fees

Tuition rates are subject to change each academic year. Please access *Tuition and fees* at mcgill.ca/student-accounts/tuition-fees. The annual rates of tuition and fees are updated as soon as they are known.

Note: Students who are required to submit documentation and who do not do so by the stipulated deadlines (December 1 – Fall; April 1 – Winter; August 1 – Summer) are billed at the non-Quebec Canadian or the international rate, depending on the documentation submitted. Students who are not automatically granted a fee deferral based on the University's evaluation of their personal information at admission, and who expect their fee residency status to change within the term—contingent on appropriate supporting documentation—must contact either [Service Point](#) or [SCS Client Services](#) (School of Continuing Studies students only) to discuss what documentation is still outstanding to support their situation. These offices will decide if a fee deferral is warranted. No prior interest charges or late payment fines will be reversed; therefore, you should ensure your request is submitted before the first fee payment for the term is due.

1.4.3.1 Quebec Students and Non-Quebec (Canadian or Permanent Resident) Students

In accordance with provincial government requirements, students must provide proof that they qualify for assessment of fees at the Quebec or non-Quebec Canadian rates; see mcgill.ca/legaldocuments for details. In certain cases, non-Quebec Canadian students pay the same rate of tuition as Quebec students—for further information about these exceptions, see the Student Accounts website at mcgill.ca/student-accounts/tuition-fees/general-tuition-and-fees-information/tuition-fee-exemptions.

1.4.3.2 International Students

Exemption from international tuition fees may be claimed by students in certain categories. Such students, if eligible, are then assessed at the Quebec student rate (certain categories may be assessed at the Canadian tuition rate). These categories and the required documentation for each of them, may be viewed at mcgill.ca/legaldocuments. Further information regarding these reductions of international tuition fees by the Quebec government is available on the [Student Accounts](#) website under *Tuition & Fees > General Tuition and Fees Information*.

For more information concerning fee exemptions, visit mcgill.ca/student-accounts/tuition-fees/general-tuition-and-fees-information/tuition-fee-exemptions or contact [Service Point](#).

1.4.3.3 Tuition Fees for Continuing Studies: Fees for Non-Credit Courses

Fees for non-credit courses and for short courses or seminars not recorded on the official McGill transcript are noted in [section 1.3.3: Course Information and Regulations](#) or on the Continuing Studies website at mcgill.ca/continuingstudies/fees-and-tuition. The MACES fee is included where applicable (see [section 1.13.8: Student Governance: McGill Association of Continuing Education Students \(MACES\)](#)).

1.4.3.4 Tuition Fees for Continuing Studies: Senior Citizens

Senior citizens aged 65 years and over, registered in credit or non-credit courses, will be credited an amount equal to 50% of the Quebec tuition fee rate. This policy applies to students who have turned 65 as of September 30 for the Fall term and January 31 for the Winter term.

Fee reductions do not apply to fees for: Intensive English and Intensive French, special programs in *Faculty Partnerships and Summer Studies*, and *Career and Professional Development*, or membership in the *McGill Community for Lifelong Learning*. Senior students who pay the International or non-Quebec rate will be credited 50% of the Quebec tuition fee for their program.

1.4.3.5 Tuition Assistance for McGill Staff

McGill staff may be entitled to a tuition waiver equivalent to 100% of the portion of eligible tuition fees. For complete details, refer to the policies and procedures found at mcgill.ca/hr/benefits/tuition. Should you not successfully complete the courses as detailed in the policy, the fee exemption will be cancelled and you will be required to pay these fees according to regular payment deadlines.

1.4.3.6 Staff Dependent Waivers

Students who are dependents of staff members or pensioners may qualify for a fee reduction. You may find further information, including instructions on how to complete and submit the application form, at mcgill.ca/hr/employee-relations/policies-procedures.

The fee reduction will be credited to your McGill fee account once eligibility has been confirmed. This fee reduction will be reflected in a T4A slip issued to the student in February by the University.

For more information, refer to the MUNACA Collective Agreement, or the Staff Dependent Policy at mcgill.ca/hr/employee-relations/policies-procedures.

1.4.4 Compulsory Fees for Continuing Studies Students

McGill Association of Continuing Education Students (MACES) Fee

A fee of \$12.99 per course is collected from each student by the University on behalf of the McGill Association of Continuing Education Students (*MACES*).

Exceptions:

1. Students in short courses, seminars, and workshops that are not recorded on the official McGill transcript are not members of MACES and are not assessed the MACES fee.
2. The MACES fee does not apply to students who are already members of the undergraduate or graduate campus level society (*SSMU*, *PGSS*, or *MCSS*), except in certain cases where the student is in more than one program. For further information about MACES, see [section 1.13.8: Student Governance: McGill Association of Continuing Education Students \(MACES\)](#).

SCS Career Development Success Package (SCSD)

This fee is non opt-outable and is charged to all School of Continuing Studies (SCS) students who are members of MACES, registered in credit and non-credit courses in the Fall, Winter, and Summer terms. Students enrolled in credit courses are charged \$6.60 per credit and students in non-credit courses are charged the corresponding amount (\$6.60 per billing hour, typically three per course).

Students will have access to a consolidated suite of services offered by the McGill Writing Centre (MWC) Tutorial Service, while they remain fee-paying students, in addition to career services provided by the Career Advising and Transition Services (CATS) unit while fee-paying students and up to 18 months post-graduation. The fee is valid for five years, effective Fall 2019, up to and including Winter 2024 at which time MACES will bring the student fee back to the student body in a referendum.

1.4.4.1 Administrative Charges

The University assesses a number of administrative charges to students, which include:

Registration Charge – All students in courses and programs are assessed a registration charge.

Information Technology Charge – The purpose of the information technology charge is to enhance certain technological services provided to students as well as to provide training and support to students in the use of new technologies.

Transcripts and Diploma Charge – The University assesses a transcripts and diploma charge to all students. This entitles currently enrolled students to order transcripts free of charge and covers the costs of producing diplomas and some of the costs associated with convocation ceremonies. Students who attend their convocation may be responsible for some additional costs. A fee per official transcript is applicable if you have not been registered at McGill in the last 12 months. Please see mcgill.ca/student-records/transcripts for further information.

Copyright Fee – All students in courses and programs are charged a copyright compliance fee. This fee covers the cost of using material protected by copyright. It is levied to comply with all Quebec and Canadian copyright laws.

General Administrative Charge – This fee originated from increases in ancillary fees that were allowed by the Quebec Government. The University complies with the Quebec government's regulation on administrative fee increases by applying the same indexation factor that the government applies to tuition to this charge. A portion of the amount continues to be directed to Athletics (except in the School of Continuing Studies).

For further information about administrative charges, see mcgill.ca/student-accounts/tuition-fees/non-tuition-charges/society-services-and-administrative-fees.

For transactions in Canadian dollars, the amount debited is the same as the amount paid. For transactions in other currencies, including pre-authorized debit payments in US dollars, accounts will be debited at the exchange rate charged by the bank to the University. This sometimes represents a significant difference from the amount originally paid, depending on the rate of exchange on the date of the return.

1.4.6 Other Policies Related to Fees

The following sections describe other fee-related policies that may apply to your account.

1.4.6.1 Overdue Accounts

All tuition and fees assessed by the University must be paid in full or arrangements must be made to settle the debt.

Students' accounts are considered **delinquent** if they are not paid in full within 60 days after the bill is issued. McGill places a financial hold on these accounts, preventing students from obtaining official academic transcripts and from accessing Minerva for any registration functions.

Interest: Interest is charged on overdue balances at the monthly rate of 1.24%, multiplied by the balance outstanding at the end of the month (14.88% annually). The rate is evaluated each Spring, and then is set for the following academic year. See mcgill.ca/student-accounts/your-account/deadlines-and-penalties/overdue for more information.

Note: You should regularly verify your account balance on *Minerva*.

The University has no obligation to issue any transcript of record, award any diploma, or re-register a student if you do not pay your tuition fees, library fees, residence fees, or loans by their due date.

1.4.6.1.1 Information for Registered Students

If you register for a term, but still owe amounts from previous terms, you must either pay your previous term account balance or make payment arrangements with the Student Accounts Office before the end of the course add/drop period. If you have financial difficulty, first contact the Student Aid Office to discuss the possibility of obtaining financial aid:

Brown Student Services Building
3600 rue McTavish, Room 3200
Montreal QC H3A 0G3
Telephone: 514-398-6013
Email: student.aid@mcgill.ca
Website: mcgill.ca/studentaid

If you fail to pay the previous term's fees or to make arrangements to settle your debt prior to the add/drop deadline, the University will cancel your registration in the current and subsequent terms.

1.4.6.1.2 Information for Students who are no Longer Registered

When students fail to settle their debt or reach a suitable payment arrangement, or fail to provide the Student Accounts Office with up-to-date contact information, the University refers these delinquent accounts to a collection agency. **If neither the University nor the collection agency is able to collect on the account, the University reserves the right to have the student reported to a credit bureau.** You should be aware that the University is entitled to use all legal means to obtain payment and that students are responsible for all costs associated with such actions.

1.4.6.1.3 Cancelling Registration for Non-Payment of Previous Terms

In accordance with the fee policy stated in [section 1.4.6.1: Overdue Accounts](#), before the University cancels your current and subsequent term registration(s), the Student Accounts Office will make all reasonable efforts to notify you if your account is delinquent, or if you owe more than \$100 from the previous term. The cancellation is effective the last day of the add/drop period unless you settle the account or make payment arrangements with the University by then. If you pay or make payment arrangements with the Student Accounts Office after the add/drop deadline and you want the University to reinstate your registration for the current or subsequent term(s), you must complete the [Request for Reinstatement](#) form (available at mcgill.ca/student-accounts/forms) and submit it to the Student Accounts Office, which will forward it to Enrolment Services for approval and processing. Your fee account will be charged a Reinstatement Penalty for the processing of the re-enrolment; exact fee amounts and further details are available on the [Student Accounts](#) website.

1.4.6.2 Acceptance of Fees vs. Academic Standing

Acceptance of fees by the University in no way guarantees that students will receive academic permission to pursue their studies. If it is subsequently determined that your academic standing does not permit you to continue, all fees paid in advance will be refunded.

For directions on requesting your refund online in Minerva, see mcgill.ca/student-accounts/your-account/requesting-refund.

1.4.6.3 Deferred Admission, Degree Transfers, Break in Enrolment

Deferred Admission: Students who defer their admission to the University will be subject to the tuition rates that are in effect for the term in which they are starting, and not the term in which they were originally admitted. This is of interest to International students in particular programs where tuition rates have been guaranteed for the duration of their program as long as there is no break in enrolment.

Degree Transfers: International students who transfer to degrees in Computer Science, Engineering, Law, Management, or Science will be charged the tuition rate in effect for newly admitted students to those degrees in their term of transfer.

Break in Enrolment: International students in Computer Science, Engineering, Law, Management, or Science, who apply for readmission after an absence of four consecutive terms or more, will be charged the tuition rate in effect for newly admitted students in their term of readmission.

1.4.6.4 Deferred Fee Payment for Continuing Studies Students

Students with Sponsors

If your fees will be paid by an outside agency such as the Department of Veterans Affairs, CIDA, a foreign government, or your University department (i.e., teaching assistants or demonstrators), you must have written proof of this sponsorship. Your sponsor must confirm the conditions of their sponsorship in writing on company letterhead to the University. This allows the University to initiate a contract with your sponsor and effect the payment to your fee account. You need to notify the University at least one month before the beginning of the term in which the contract takes effect. For more information and the required forms, see mcgill.ca/student-accounts/parents-and-sponsors/third-party-sponsorship.

When a third party agrees to pay fees on your behalf, payment is recorded on your fee account, which reduces the balance you must pay. The University reserves the right to insist upon payment. **If the third party does not pay the promised fees within 90 days of invoicing, you are responsible for paying the fees plus the late payment fee and accrued interest.**

1.4.6.5 Fees for Students in Two Programs

Students in two programs are normally billed additional fees for their second program. Depending on the level of the two programs (e.g., one at the undergraduate level versus one at the graduate level), you may incur both society and faculty fees and/or additional tuition fees. Consult the Student Accounts website at mcgill.ca/student-accounts/tuition-fees/general-tuition-and-fees-information/exchange-senior-citizens-part-time-and-double-program for further details.

You should consult the Student Accounts Office at student.accounts@mcgill.ca for information on tuition fees. Adjustments to bills are made throughout the term in cases where fees cannot be automatically calculated.

1.4.6.6 Other Policies Related to Fees: Quebec Inter-University Transfer Agreements

If you are taking courses as part of the **Quebec Inter-University Transfer (IUT)** agreement, you are required to pay the fees at your home university; see [section 1.3.7: Quebec Inter-University Transfer Agreement](#). The agreement covers only the transfer of academic credits.

IUT students taking courses at McGill are required to pay additional course charges that are compulsory upon registration, such as special activity charges, course material costs, or campus printing charges. Therefore, IUT students should familiarize themselves with e-billing in [section 1.4.2: Billings and Due Dates for Continuing Studies Students](#) to ensure that they do not miss critical payment deadlines.

The University reserves the right to refuse course registrations in non-government-funded activities.

1.4.7 Loans and Bursaries for Continuing Studies Students

Full-time students (registered for a minimum of 12 credits per term) may apply for provincial student loans and bursaries. Refer to mcgill.ca/studentaid for information on entrance scholarships, federal and provincial student assistance, McGill loans and bursaries, and loans available to U.S. citizens.

1.4.8 Corporate Tax Benefits for Continuing Studies Students

McGill University is recognized by the *Ministère du Travail, de l'Emploi et de la Solidarité sociale Québec* as a training establishment for the purpose of corporate tax benefits (registration number: 06C0084-00). Companies who are paying fees on behalf of their employees may be eligible for a tax deduction in accordance with Bill 90, or for the refundable training tax credit. Please refer to the following website for further information: www.emploi.quebec.gouv.qc.ca/en.

1.4.9 Tax Slips for Continuing Studies Students

T4A (RL-1), T2202A, and Relevé 8 slips are issued on *Minerva* under the *Student Accounts Menu* by the end of February each year. Note that a Quebec permanent code, a social insurance number and a valid mailing address are required to be transmitted to Revenu Québec by the University as part of its tax reporting for both the T4A and the Relevé 8 slips; therefore, it is highly recommended that if you expect to be completing a Quebec income tax return, you

provide this information to the University upon registration. More information on these slips is available on mcgill.ca/student-accounts/your-account/tax-information.

1.5 Student Records

Students must inform themselves of University rules and regulations and keep abreast of any changes that may occur. The *Student Records* section of this publication contains important details pertaining to academic standing, grading and grade point averages (GPA), and transcripts, as well as other topics, and should be periodically consulted.

1.5.1 Academic Standing

When you first start your program, and in your first term, you are deemed to be in Satisfactory Standing. At the end of each term, after final grades have been submitted, your academic standing in your program is determined based on your grade point average (GPA) calculations in the current and previous terms and your faculty's regulations.

Academic Standing codes are generated in January for the Fall term, in May for the Winter term, and in September for the Summer term, and are displayed on your McGill official and unofficial transcripts. If you receive Unsatisfactory Standing, you may not continue in your program, register for any future terms and must apply for readmission to your faculty. Note that readmission is not automatic or guaranteed. Consult the appropriate section of this publication for the regulations on Academic Standing for your faculty.

- [section 1.5.1.6: Academic Standing: Faculty of Law](#)
- [section 1.5.1.7: Academic Standing: School of Continuing Studies](#)
- [section 1.5.1.8: Academic Standing: Schulich School of Music](#)

1.5.1.1 Academic Standing: Desautels Faculty of Management

BCom students, see [Desautels Faculty of Management > Undergraduate > BCom Degree Requirements > : Academic Standing](#).

1.5.1.2 Academic Standing: Faculty of Agricultural and Environmental Sciences

Agricultural and Environmental Sciences students, see [Faculty of Agricultural and Environmental Sciences > Undergraduate > About the Faculty of Agricultural and Environmental Sciences, including School of Human Nutrition \(Undergraduate\) > Faculty Information and Regulations > : Academic Standing](#).

Farm Management and Technology students, see [Faculty of Agricultural and Environmental Sciences > Undergraduate > Farm Management and Technology Program > : Academic Rules and Information – FMT](#).

1.5.1.3 Academic Standing: Faculties of Arts and Science (including B.A. & Sc.)

Your Academic Standing is based primarily on your cumulative grade point average (CGPA), but may also be affected by your term grade point average (TGPA). The Standing in each term determines if you are allowed to continue your studies in the next term, and if any conditions will be attached to your registration.

Decisions about Academic Standing in the Fall term are based only on grades that are available in January, i.e., if you have deferred examinations or Fall/Winter spanned courses, grades for those courses don't affect your Fall Academic Standing—they will only affect your Fall TGPA. Therefore, Academic Standings for the Fall term are designated as *Interim*. Note that Interim Standings do not appear on your official transcript. Consult the appropriate section of this publication for the regulations on Interim Standing decisions.

1.5.1.3.1 Satisfactory/Interim Satisfactory Standing: Faculties of Arts and Science (including B.A. & Sc.)

If you are in Interim Satisfactory or Satisfactory Standing:

- you may continue in your program;
- you have a CGPA of 2.00 or greater.

1.5.1.3.2 Probationary/Interim Probationary Standing: Faculties of Arts and Science (including B.A. & Sc.)

If you are in Interim Probationary Standing (at the end of the Fall term):

- you may continue in your program;
- you must carry a reduced load (maximum 14 credits per term);

- you are strongly advised to consult a departmental adviser before withdrawal deadlines about your course selection for the Winter term;
- you should see your Faculty adviser to discuss degree planning.

If you are in Probationary Standing:

- you may continue in your program;
- you must carry a reduced load (maximum 14 credits per term);
- you must raise your CGPA to return to Satisfactory Standing;
- you should see your departmental adviser about your course selection;
- you should see your Faculty adviser to discuss degree planning.

You will be placed in Probationary Standing:

- if your CGPA falls between 1.50 and 1.99 and if you were previously in Satisfactory Standing;
- if your CGPA falls between 1.50 and 1.99 and your TGPA in Fall or Winter is 2.50 or higher, and if you were previously in probationary or Interim Unsatisfactory Standing;
- if you were previously in Unsatisfactory Readmitted Standing and have satisfied the relevant conditions specified in your letter of readmission, but your CGPA is still less than 2.00.

1.5.1.3.3 Unsatisfactory Readmitted Standing: Faculties of Arts and Science (including B.A. & Sc.)

If you are in Unsatisfactory Readmitted Standing:

- you were previously in Unsatisfactory Standing and were readmitted by your Faculty or the Committee on Student Standing;
- you must meet the conditions specified in your letter of readmission to be allowed to continue in your program;
- you must carry a reduced load (maximum 14 credits per term) — a lower limit may be specified in your conditions of readmission;
- you should see your departmental adviser to discuss your course selection;
- you should see your Faculty adviser to discuss degree planning.

1.5.1.3.4 Unsatisfactory/Interim Unsatisfactory Standing: Faculties of Arts and Science (including B.A. & Sc.)

If you are in Interim Unsatisfactory Standing (at the end of the Fall term):

- you may continue in your program;
- you must carry a reduced load (maximum 14 credits per term);
- you are strongly advised to consult an academic adviser, before withdrawal deadlines, about your course selection;
- you should see your Faculty adviser to discuss degree planning.

If you are in Unsatisfactory Standing:

- you have failed to meet the minimum standards set by the faculties;
- you may not continue in your program, and your registration will be cancelled.

You will be placed in Unsatisfactory Standing:

- if your CGPA falls or remains below 1.50;
- if your TGPA in the Fall or Winter falls below 2.50 and your CGPA is below 2.00 and if you were previously in Probationary, Unsatisfactory Readmitted, or Interim Unsatisfactory Standing;
- if you were previously in Unsatisfactory Standing and were readmitted by the Faculty or the Committee on Student Standing but have not satisfied the conditions specified in the letter of readmission.

Appeals for readmission by students in Unsatisfactory Standing must be received in their respective Faculties no later than the deadlines stated on their readmission websites. For **Arts**, see mcgill.ca/oasis/students/seeking-readmission. For **Science** (including B.A. & Sc.) see mcgill.ca/science/student/general/readmission. Readmission will be considered only when proof of extenuating circumstances that affected academic performance can be provided (e.g., medical or other documentation). If you are in Unsatisfactory Standing for the second time, you must withdraw permanently.

Normally, supplemental examinations are not permitted; however, if you are in Unsatisfactory Standing, you may appeal for permission to write a supplemental examination, clearly stating the reasons for special consideration and providing proof as appropriate.

Appeals for readmission or permission for supplemental examinations must be submitted to:

- Arts: Associate Dean (Student Affairs)
- Science and B.A. & Sc.: Director of Advising Services

1.5.1.3.5 Incomplete Standings: Faculties of Arts and Science (including B.A. & Sc.)

- Standing awaits deferred exam.

- Must clear Ks, Ls, or Supplementals.
- Standing Incomplete.

If you are a student with an Incomplete Standing (in the Winter or Summer term):

- you may register for the Fall term, but your Standing must be resolved by the end of the course change period for that term;
- you may continue in the program if Incomplete Standing changes to Satisfactory, Probationary, or Interim Unsatisfactory Standing;
- you may not continue in your program and your registration will be cancelled if your Standing changes to Unsatisfactory Standing.

If your Standing changes to Unsatisfactory:

- you may ask for permission to continue in your program;
- you must make a request for readmission as soon as you are placed in Unsatisfactory Standing;
- you must provide proof of extenuating circumstances that affected your academic performance (e.g., medical or other documentation).

Requests for readmission following an Unsatisfactory Standing must be submitted to:

- Arts: Associate Dean (Student Affairs)
- Science and B.A. & Sc.: Director of Advising Services

If your Standing is still incomplete by the end of course change period, you should immediately consult with your faculty Student Affairs Office.

At the end of the Winter term, if you have a mark of K or L, you will be placed in the appropriate Standing in June, if the outstanding mark in the course will not affect your Standing. Otherwise, Standing decisions will be made only once incomplete marks have been cleared. For more information about incomplete grades, please refer to [University Regulations and Resources > Undergraduate > Student Records > : Incomplete Courses](#).

Note: Requests are made at [Service Point](#) (3415 McTavish Street). However, it is important that you also see a Faculty adviser in Dawson Hall to talk about your options and the effects that your request may have on your studies. For more information, see mcgill.ca/students/advising.

1.5.1.4 Academic Standing: Faculty of Education

Education students, see [Faculty of Education > Undergraduate > Faculty Regulations for Undergraduate Programs > : Academic Standing](#).

1.5.1.5 Academic Standing: Faculty of Engineering

In the Faculty of Engineering, a decision on your Academic Standing is determined on the basis of your cumulative grade point average (CGPA) according to the criteria listed below.

Note: The Faculty determines Academic Standing decisions after the completion of each term (Fall, Winter, Summer) based on grades obtained up to that point. If you have been granted permission to defer one or more examinations, the Academic Standing decision will be made disregarding the deferred exam grade.

1.5.1.5.1 Satisfactory Standing: Faculty of Engineering

You are in Satisfactory Standing if you have a CGPA of 2.00 or greater.

You may continue with your studies under the following conditions:

- If you obtained a grade of D or F in a core course, you must repeat the course successfully (grade of C or better) or replace it with an alternative approved course and successfully complete the course.
- If you obtained a grade of F in any other course, you must either repeat the course successfully before graduation or replace it with an alternative approved course and successfully complete the course before graduation.

1.5.1.5.2 Probationary Standing: Faculty of Engineering

You are in Probationary Standing if you have **either**:

a CGPA that is less than 2.00 and equal to or greater than 1.20

or

a TGPA that is equal to or greater than 2.50 and a CGPA that is less than 2.00.

You may continue with your studies under the following conditions:

- You must reduce your credit load to a maximum of 13 credits per term and must obtain, at the end of the term, either a CGPA of 2.00 or greater or a TGPA of 2.50 or greater.
- If you have a TGPA of 2.50 or greater, but you have a CGPA that is less than 2.00, you may continue with your studies but you will remain in Probationary Standing until you obtain a CGPA of 2.0 or greater.
- If you do not obtain either the TGPA or CGPA noted above, you will be placed in Unsatisfactory Standing.
- You must consult a faculty or departmental adviser before withdrawal deadlines concerning your course selection.

1.5.1.5.3 Unsatisfactory Standing: Faculty of Engineering

You are in Unsatisfactory Standing if you have **either**:

- a CGPA that is less than 1.20
- or**
- a TGPA that is less than 2.50 and a CGPA that is less than 2.00.

If at any time, you were placed in Unsatisfactory Standing and were readmitted to the Faculty of Engineering after one term away, and you are placed in Unsatisfactory Standing again at the end of any subsequent term, you may not continue in your program. You will be asked to **withdraw** from the Faculty of Engineering for a **minimum of one term or permanently**, based on the conditions of your last letter of readmission.

If you are in Unsatisfactory Standing for the first time, the regulations below apply.

Students in Interim Unsatisfactory Standing after the Fall term:

You may continue with your studies under the following conditions:

- You must reduce your credit load to a maximum of 13 credits per term and must obtain, at the end of the term, either a CGPA of 2.00 or greater or a TGPA of 2.50 or greater.
- If you have a TGPA of 2.50 or greater, but your CGPA is less than 2.00, you may continue with your studies but will remain in Probationary Standing until you obtain a CGPA of 2.00 or greater.
- If you do not obtain either the TGPA or CGPA noted above, you will be placed in Unsatisfactory Standing.
- You must consult a faculty or departmental adviser before withdrawal deadlines concerning your course selection.

Students in Unsatisfactory Standing after the Winter term:

- You must withdraw from the Faculty of Engineering for a minimum of one term.

For more information about Academic Standing, see mcgill.ca/engineering/students/undergraduate/advising-programs/academic-standing.

1.5.1.6 Academic Standing: Faculty of Law

If you do not obtain a sessional grade point average (GPA at the end of Fall and Winter terms combined) of at least 1.50, you will be required to withdraw from the Faculty. If your sessional GPA is between 1.50 and 1.99, you will be permitted to continue with your program, but you must obtain a subsequent sessional GPA of 2.50 or a Cumulative GPA (CGPA) of 2.00. You must have a CGPA of 2.00 to be considered for graduation. Students who are required to withdraw from the Faculty may be authorized to continue in their program by the Faculty Admissions Committee if there are exceptional reasons for the required withdrawal.

1.5.1.7 Academic Standing: School of Continuing Studies

If you are in Unsatisfactory Standing, you must apply to the Appeals Committee of your academic area.

1.5.1.8 Academic Standing: Schulich School of Music

Music students, see [Schulich School of Music > Undergraduate > Academic Information > : Academic Policies](#).

1.5.2 Credit System

The faculties listed in this publication use the credit system, where each course is assigned a credit rating reflecting the number of weekly contact hours. In general, a three-credit course indicates three hours of lectures per week for one term, but this does not apply to all faculties. Laboratory contact hours usually count for fewer credits. Credits also reflect the amount of effort required of you and generally assume two hours of personal study for each contact hour.

The credit weight of each course is indicated in parentheses beside the course title.

Note for remote teaching: One credit equals about 45 hours of work. This may be a combination of lecture, laboratory, tutorial, and conference time plus personal study hours. Personal study hours may include required activities or group activities. All fixed (synchronous) activities should be held at the time the course is scheduled per the [Minerva Class Schedule](#). Credit hours normally do not require a set number of fixed hours, allowing for flexibility in course design and scheduling options. However, some programs, such as those with accreditation requirements, may require a minimum of fixed contact hours.

Note: Credit for multi-term courses (courses with the suffixes: D1, D2; N1, N2; J1, J2, J3) is granted only after successful completion of all components in the specified time frame. For example, a student would have to take D1 and D2 components in consecutive terms and successfully complete them both in order to obtain credit.

Note for Agricultural and Environmental Sciences, and Science: As a guideline, a one-credit course would represent approximately 45 hours total work per course. This is, in general, a combination of lecture hours and other contact hours such as laboratory periods, tutorials, and problem periods as well as personal study hours.

Note for Engineering: One credit normally represents three hours total work per week. This is, in general, a combination of lecture hours and other contact hours such as laboratory periods, tutorials, and problem periods as well as personal study hours. As a guide, the average number of hours

per week of course activities is indicated in the course listing in a note underneath the course description. For example, (3-1-5) indicates a course consisting of three lecture hours per week, one hour of tutorial or lab, and five hours of personal study per week.

Note for Summer Studies: For Summer courses, a three-credit course usually indicates ten hours of lectures per week starting in either the May, June, or July session and spanning a maximum period of five weeks.

1.5.2.1 Continuing Education Units (CE units)

Some courses at the School of Continuing Studies carry a Continuing Education Unit (CEU) rating. These courses do not normally count toward the fulfilment of a credit program.

A Continuing Education Unit is a measure of the number of hours of participation—contact and/or study—in an organized Continuing Education activity. One CE unit represents ten hours of participation.

1.5.3 Grading and Grade Point Averages (GPA) for Continuing Studies

Courses can be graded either by letter grades or in percentages, but the official grade in each course is the letter grade. Where appropriate, a class average appears on transcripts expressed as the letter grade most representative of the class performance.

Since Fall 2002, the University has only used letter grades on transcripts and verification forms.

For undergraduate courses, Grades A through C represent satisfactory passes, D a conditional (non-continuation) pass, and F a failure. Certain courses have been approved for Pass/Fail (P/F) grading.

For graduate level courses, Grades A through B- represent satisfactory passes. Students must obtain a B- or better in courses to fulfil program requirements.

You cannot register in a course for which you have not passed all the prerequisite courses with a grade of C or better at the undergraduate level and B- or better at the graduate level, except by written permission of the Director. Certain programs have further requirements. Students should refer to the program regulations in the appropriate academic area of this Calendar.

Undergraduate Grading

Grades	Grade Points	Numerical Scale of Grades
A	4.0	85–100%
A-	3.7	80–84%
B+	3.3	75–79%
B	3.0	70–74%
B-	2.7	65–69%
C+	2.3	60–64%
C	2.0	55–59%
D	1.0	50–54%
F (Fail)	0	0–49%
P		Pass

*A grade of D is a conditional (non-continuation) pass:

- If you obtain a grade of D in a course that is a prerequisite, you cannot register for any course that requires this prerequisite.
- If you obtain a grade of D in a required course, the course will not count toward your program.

Graduate Grading

Grades	Grade Points	Numerical Scale of Grades
A	4.0	85–100%
A-	3.7	80–84%
B+	3.3	75–79%
B	3.0	70–74%
B-	2.7	65–69%
F (Fail)	0	0–64%
P		Pass

The University assigns grade points to letter grades according to the table above. Your Academic Standing is determined by a grade point average (GPA), which is calculated by dividing the sum of the course credit, times the grade points by the total course GPA credits. The result is not rounded up to the nearest decimal point.

GPA credits are the credits of courses with grades that are assigned grade points.

$$\text{GPA} = \frac{\sum (\text{course credit} \times \text{grade points})}{\sum (\text{GPA course credits})}$$

The term *grade point average* (TGPA) is the GPA for a given term calculated using all the applicable courses at the same level in that term. The *cumulative grade point average* (CGPA) is the GPA calculated using your entire record of applicable courses at McGill at the same level; if you change levels, e.g., from undergraduate to graduate, the CGPA starts again.

This policy took effect in January 2003. Prior to January 2003, if your degree program had changed, e.g., from B.Sc. to B.A., the CGPA started again. For students with academic information prior to Fall 2002, who are registered in a different program or in a different level post-Fall 2002, the transcript displays a special message regarding the CGPA restarting.

If you repeat courses, all results are included in the GPA calculation. Therefore, grades of D or F continue to be used in the CGPA calculation even after you repeat the course or if you take a supplemental examination. Note that credits are only granted once for a repeated course regardless of the passing grade.

You must obtain a minimum CGPA of 2.00 to be considered for graduation with a McGill degree.

Note: During the first week of lectures, each instructor will provide you with a written course outline. This information should include, where appropriate:

- whether there will be a final examination in the course;
- how term work will affect the final grade in the course;
- how term work will be distributed through the term;
- whether there will be a supplemental examination in the course, and if so, whether the supplemental exam will be worth 100% of the supplemental grade, or whether term work will be included in the supplemental grade (courses with formal final examinations must have supplementals);
- whether students with grades of D, F, J, or U will have the option of submitting additional work, and, if so, how the supplemental will be calculated with the extra work (applicable only to students in Science and B.A. & Sc.).

1.5.3.1 Other Grades for Continuing Studies

Other Grades	
J	– unexcused absence (failed); the student is registered for a course but does not write the final examination or do other required work; calculated as a failure in the TGPA and CGPA.
K	– incomplete; deadline extended for submission of work in a course (see “Incomplete Courses”).
KE or K*	– further extension granted (see “Incomplete Courses”).
KF	– failed to meet the extended deadline for submission of work in a course; calculated as a failure in TGPA and CGPA.
KK	– completion requirement waived. Not calculated in TGPA or CGPA.
L	– deferred examination.
LE or L*	– permitted to defer examination for more than the normal period.
NE	– no evaluation; indicates work for which no evaluation has been carried out and which may not count as credit toward any program.
NR	– no grade reported by the instructor (recorded by the Registrar).
P	– pass; not calculated in TGPA or CGPA.
Q	– course continued in next term (applicable only to courses taken pre-Fall 2002).
W	– withdrew; a course dropped, with permission, after the Course Change deadline; not calculated in TGPA or CGPA.
WF	– withdrew failing; a course dropped, with special permission in an exceptional case, after faculty deadline for withdrawal from course, the student's performance in the course at that stage being on the level of an F; not calculated in TGPA or CGPA. (Not used by Music.)
WL	– faculty permission to withdraw from a deferred examination; not calculated in TGPA or CGPA.
NA or &&	– grade not yet available.
W- or -	– no grade; student withdrew from the University, not calculated in TGPA or CGPA.

1.5.4 Transcript of Academic Record

The proceeding sections contain information on transcripts and other details regarding academic records.

1.5.4.1 Transcript of Academic Record: General Information

A McGill transcript includes all attempted work and final grades obtained in any and all programs. The University does **not** issue partial transcripts under any circumstances.

The University issues official transcripts in electronic or paper format. Requests for both electronic official (**eTranscripts**) and paper transcripts are submitted in *Minerva*.

eTranscript PDFs are sent the same-day in as little as 15 minutes (providing there are no holds on your student account and no attachments to review) via the National Student Clearing House, a US-based non-profit organization and leading provider of trusted, educational data exchange and verification services. A minimal service fee applies.

Paper official transcripts are normally processed in 3 to 5 working days (5 to 7 during peak periods) and mailed by regular Canada Post mail to the address(es) indicated on the request. Paper transcripts are free of charge for currently registered students. Transcript fees apply for alumni and former students. Requests for archived transcripts (pre-1972) have a longer processing time.

Paper official transcripts are printed on secure paper that cannot be copied. eTranscripts are digitally signed and certified PDF documents that cannot be copied.

For more information on requesting official transcripts, refer to *Official Transcripts*.

Note: The University may not be held responsible for the loss or delay of transcripts in the mail.

Note: You cannot submit a transcript request in Minerva if you have **holds** on your record (e.g., accounting, registrar, library, etc.). Please verify the top of your unofficial transcript in *Minerva* for any holds.

1.5.4.2 Unofficial Transcripts

If you require a copy of your student record, access Minerva (mcgill.ca/minerva) to view and print an unofficial transcript. This applies to records from 1976 to the present. For pre-1976 records, your transcript is archived and you must order an official transcript. See *section 1.5.4.4: Official Transcripts*.

1.5.4.3 Verification of Student Records: Unofficial Transcripts

Subject to *section 1.5.8: Changes to Student Records after Normal Deadlines*, you are responsible for verifying your academic record on *Minerva* using the unofficial transcript to ensure that you are registered in the proper courses, and that the correct program information and expected term of graduation appear on your record.

If you are graduating, verify your record on Minerva before the end of your final term to ensure that the correct expected graduation term appears on your unofficial transcript; if not, you may be overlooked for graduation. You should direct any questions or problems with your record to your Student Affairs Office.

Note for the Faculties of Arts and Science (including B.A. & Sc.): Requests are made at *Service Point* (3415 McTavish Street). However, it is important that you also see a Faculty adviser in *Arts OASIS* or *SOUA* to talk about your options and the effects that your request may have on your studies. For more information, see mcgill.ca/students/advising.

Note for Graduate and Postdoctoral Studies: You should direct any questions or problems with your record to your *Graduate Program/Director*.

1.5.4.4 Official Transcripts

For more information on transcripts, applicable costs, delivery method, and processing time, see mcgill.ca/student-records/transcripts.

Currently Registered Students: Use *Minerva* to order an official transcript at *Student Menu > Student Records Menu > Request/Official Transcript*.

Alumni or former students who were registered or graduated as of 1972 or later: You **must** submit your request in *Minerva* at *Student Menu > Student Records Menu > Request/Official Transcript* and will require login credentials. Please contact the IT Service Desk (mcgill.ca/it) to obtain your McGill ID & Minerva PIN.

Alumni or former students who were registered or graduated prior to 1972 (archived records): You must submit an online *Request for Archived Official Transcript* located at: mcgill.ca/student-records/transcripts/printed-transcripts and will be required to provide a copy of a government-issued Photo ID.

Note: Proxy requests will be accepted only with written authorization.

1.5.4.5 Course Numbering on the Transcript

Prior to September 2002, course numbers had seven-character designations beginning with a three-number code indicating the teaching unit/department. The next three digits specified the course, with the first of these indicating its level. The final character was a letter indicating the term, or terms, during which the course was offered. For example:

107-200A = Philosophy (107) course (200) in Fall term (A);

301-202B = Architecture (301) course (202) in Winter term (B);

154-230D = Economics (154) course (230) extending for two terms, Fall and Winter (D).

A list of the former teaching unit codes and their subject code equivalents is available at mcgill.ca/student-records/transcripts/key.

For information on our current course numbering, see [University Regulations & Resources](#) > Undergraduate > Registration > Course Information and Regulations > : [Course Numbering](#).

Note for Continuing Studies: Examples of course numbers displaying on transcripts prior to September 2002 are:

280-211X = Intro. to Financial Accounting in Fall term (X);

629-202Y = Micro Economics in Winter term (Y);

660-221Z = Project Management extending for two terms, Fall and Winter (Z).

1.5.5 Unexcused Absences for Continuing Studies Students

If, without a valid excuse, you do not participate in or write a final examination or submit required term work for any courses you were registered in, you will receive a final grade of J (unexcused absence).

1.5.6 Incomplete Courses for Continuing Studies

If the instructor decides there is sufficient reason to permit a delay in the submission of required term work, an extension of the deadline after the end of the course may be granted to the student. In this case, the instructor will submit a grade of K (incomplete).

Notes:

- If the instructor submits a grade of K, he or she will also indicate the date by which the student must complete the work.
- If the instructor submits a new grade within the deadline, both the new grade and the grade of K will appear on your verification forms and unofficial and advising transcript. However, the new grade will replace the K on your official transcript.
- If you do not complete the required work before the deadline, a grade of KF will be updated on your record. A KF denotes a failed course and is calculated in the TGPA and CGPA as an F.
- In exceptional circumstances, and with the approval of the Director of the unit, the deadline may be extended further, in which case the grade of KE (further extension granted) appears. If you do not meet the extended deadline, a grade of KF will replace the KE.
- All students who miss a final exam are given a grade of J. For more information regarding the J grade, see [section 1.5.5: Unexcused Absences for Continuing Studies Students](#).

1.5.7 Non-Evaluated Work for Continuing Studies Students

If you are attending a course that has an evaluation process (such as an examination or other criteria), you may choose not to be evaluated. To do this, you must complete the required form at: www.mcgill.ca/continuingstudies/current-students/student-records/grades/non-evaluated-work-ne-grades, prior to the start of the third lecture. Submitting this request will result in a grade of NE on your academic record. Under no circumstances will a course with a grade of NE (No Evaluation) count toward a certificate, diploma, or degree program. Note that only courses administered by Continuing Studies can have a grade of NE.

If you are taking a general interest course (non-program) that does not have an evaluation process, you may request to be evaluated by completing a form prior to the start of the third lecture. You can find the form at: www.mcgill.ca/continuingstudies/current-students/student-records/grades/non-evaluated-work-ne-grades. Note that this option does not apply to short courses, workshops, and seminars not included on the McGill transcript.

1.5.8 Changes to Student Records after Normal Deadlines

1.5.8.1 Student Record Changes

Student record changes include the following: course add or course drop, course withdrawal, university withdrawal, program change (including changing majors or concentrations), status change (i.e., leave of absence, exchange, or term away). They also include changes to tuition status based on the submission of legal documents.

1.5.8.2 Registrar Deadlines

Fall term – January 31
 Winter term – June 1
 Summer term – October 1

1.5.8.3 Before Registrar Deadlines

For record changes after the normal deadlines published in this publication, but before the [section 1.5.8.2: Registrar Deadlines](#), you must make a request in writing to your Associate Dean or Director, clearly explaining why you could not request the change before these dates. The Associate Dean or Director will review your request and make a decision. If your request is approved, the change is processed according to existing faculty and Enrolment Services student record procedures.

Note for the Faculties of Arts and Science (including B.A. & Sc.): Requests are made at [Service Point](#) (3415 McTavish). However, it is important that you also see a faculty adviser in [Arts OASIS](#) or [SOUSA](#) to talk about your options and the effects that your request may have on your studies. For more information, see mcgill.ca/students/advising.

1.5.8.4 After Registrar Deadlines

The University does not normally consider a change requested after the [section 1.5.8.2: Registrar Deadlines](#) have passed. In situations where there are extraordinary personal or extraordinary academic circumstances that could not have been foreseen prior to these deadlines, you may formally request a student record change from your Associate Dean or Director. If your Associate Dean or Director approves the request, the change will be processed according to faculty and Enrolment Services student record procedures. You may be assessed a fee for a change requested after Registrar deadlines. For all changes other than grade changes, the faculty will file full documentation that supports the extraordinary circumstances with Enrolment Services.

Note for the Faculties of Arts and Science (including B.A. & Sc.): Requests are made at [Service Point](#) (3415 McTavish). However, it is important that you also see a Faculty adviser in [Arts OASIS](#) or [SOUSA](#) to talk about your options and the effects that your request may have on your studies. For more information, see mcgill.ca/students/advising.

1.5.8.5 Fee Assessment Consequences

When a change to your student record is made, the revised fee assessment appears on your next fee statement.

If you want to contest the fee assessment, you must make a written request to Enrolment Services. Enrolment Services reviews the extraordinary circumstances described in the supporting documentation provided by your faculty, and consults with the Student Accounts Office if necessary, to decide whether or not to consider the request. Enrolment Services then sends you a letter explaining the decision.

1.5.8.6 Student's Citizenship and/or Immigration or Fee Exemption Status

Note that your faculty/school or Graduate and Postdoctoral Studies does not handle changes related to your citizenship and/or immigration or fee exemption status; see [section 1.2.2.1: Why Does McGill Collect Legal Documents from You?](#) You may be assessed a fee for a change requested after the submission deadline.

1.5.9 Letters of Attestation for Continuing Studies Students

You may obtain Letters of Attestation on [Minerva](#) under the Student Records Menu. You can also make a request at the Client Services Office. This letter will confirm that you are registered for the current term with the School of Continuing Studies, and will also include the following information:

- Registration load (full/part-time)
- Courses (course numbers and titles)
- Credit or CE units for each course
- Beginning and end dates for each course
- Certificate or diploma program in which the student is registered

If you require information from previous terms, you may order a transcript (www.mcgill.ca/student-records/transcripts).

Please allow 48 hours for these letters to be prepared.

For more information on obtaining a letter on Minerva, see www.mcgill.ca/student-records/proof-reg.

1.6 Examinations: General Information

Note: The University Exam Regulations governed by the University Student Assessment Policy are available at mcgill.ca/exams/regulations.

In addition to the University Student Assessment Policy (available on the [Secretariat website](#)) and the general examination regulations listed at [mcgill.ca/exams/regulations](#), you should also consult the faculty sections of this publication for particular regulations. You will be informed of the evaluation method used in each course by the end of the Course add/drop period.

As per the [section 1.1.3: McGill Language policy](#), every student has a right to write papers, examinations and theses in English or in French, except in courses where knowledge of a language is one of the objectives of the course.

You are not permitted to write an in person or online examination in any course unless you have fulfilled the requirements of the course to the satisfaction of the instructor and your Associate Dean or Director. For an in person examination or test, you must submit all written work to the invigilator or instructor before leaving.

As per the exam regulations, you must have your valid McGill student ID card with you to write an in person examination. If you have lost your McGill ID, please provide a government issued ID with your full name written on it. Verification of your ID will be made at the time of your exam.

As per the [Code of Conduct and Disciplinary Procedures](#), Article 17, cheating in any examination is considered a serious offence that could lead to expulsion from the University. Students are not permitted to have in their possession, or to use, any unauthorized materials during an examination. This includes electronic devices such as cell phones, iPods, MP3 players, PDAs, smart watches, and other web-access devices. Unauthorized items used during an exam will be reported to the Disciplinary Officer.

Responses on multiple-choice examinations are normally checked by the Exam Security Computer Monitoring Program. The program detects pairs of students with unusually similar answer patterns on multiple-choice examinations. Data generated by the program can be used as admissible evidence either to initiate or corroborate an investigation or a charge of cheating under Section 17 of the [Code of Student Conduct and Disciplinary Procedures](#).

All students are responsible for familiarizing themselves with the University Student Assessment Policy (available on the [Secretariat website](#)) and the [Code of Student Conduct and Disciplinary Procedures](#) (available at [mcgill.ca/exams/regulations](#)).

You can find information about issues related to academic integrity at [mcgill.ca/students/srr/honest](#).

Note for Engineering Students: You should also refer to the Engineering website for more information at [mcgill.ca/engineering/students/undergraduate/courses-registration/exams-assessment](#).

Note for Law Students: You should also refer to the Law website for more information at [mcgill.ca/law-studies/courses/exams](#).

Note for Medicine: Refer to [mcgill.ca/ugme/policies-procedures/examinations](#).

Note for Continuing Studies Students: You should consult the academic sections of this publication for particular regulations.

1.6.1 Examination Accommodations for Students registered with the Office for Students with Disabilities (OSD)

Students registered with the OSD with an active accommodation plan may register for accommodations for all tests, quizzes, exams, and finals. For more information see: [mcgill.ca/osd/student-resources/forms/exam-sign](#).

1.6.2 Credit by Examination

In certain exceptional cases and in certain faculties, you can apply to the Associate Dean or Director to write a final examination in order to obtain credit in a course that you were not registered in. This is possible only in those courses where there is no other assessment except the final examination.

1.6.3 Final Examinations

Final examinations in regularly scheduled courses are held during the final examination period at the end of the term. The format of the final exams can be either online or in person, depending on the situation. The dates of the final examination periods are listed at [mcgill.ca/exams](#).

Important Note: You are advised not to make travel plans prior to the release of the Final Exam Schedule. Vacation plans *do not* constitute grounds for the deferral or re-scheduling of final exams.

Note for Summer Studies: All information pertaining to final exam conflicts can be found at [mcgill.ca/summer/finalexams](#).

In some courses there is no final examination; your final grade in these courses is determined by different forms of assessment(s) indicated in the course outline. During the first week of class, students will be provided with a course outline, which along with other details, will include the types of assessment to be used in the course and the weight accorded to each assessment.

1.6.3.1 University Regulations Concerning Final Examinations for Continuing Studies Students

Preamble

The objectives of these regulations are as follows:

1. to protect students from excessive workloads;
2. to use the full 15-week term to maximum advantage.

Regulations

1. These regulations shall apply to undergraduate courses up to and including the 500 level that are evaluated by the use of written examinations. They shall not apply to clinical, field, laboratory, performance, and seminar courses, or to other courses that are evaluated solely by means of a design, paper, program, or project.

Note for Continuing Studies: Regulation 1 also applies to graduate-level courses.

2. Written examinations (including take-home examinations) shall not be held during the last two weeks of scheduled classes during the Fall and Winter terms, except where a pattern of continuous evaluation has been established, in which case the total value of examinations given in this period shall comprise no more than 10% of the final mark.
3. If the written examinations in a course constitute 50% or more of the final mark, one of these shall be given as a final written examination; and it shall take place during the examination period after the last day of scheduled lectures in December or April.
4. A final examination given during the examination period shall be worth at least 25% of the final mark.
5. Students shall be informed of all course requirements by the end of the Course Change period. All term work shall be assigned early enough in the term for students to complete the assignment(s) by the last day of class.
6. The due date for term work in courses to which these regulations apply shall be no later than the last day of classes.
7. In courses that span the Fall and Winter terms (course pairs with numbers ending D1 and D2), instructors who wish to give a mid-year examination in December must schedule it in the formal examination period.
8. The principles enunciated in these regulations shall be applied, appropriately modified, to courses given during the summer, to other courses of less than a 13-week duration, and to courses in the Faculties of Law, Medicine, Dentistry, and Education that do not follow the normal University Timetable.
9. Individual faculties may propose variations in these regulations to the Academic Policy and Planning Committee in order to meet their special needs.

Note for Continuing Studies: Regulation 9 is not applicable to Continuing Studies students.

10. These regulations, and any variations to them, shall be made known to students by each faculty.

Note for Continuing Studies: Regulation 10 is not applicable to Continuing Studies students.

Instructors are not permitted to grant any special treatment regarding examinations to any student. Students who believe there are circumstances that might justify making special examination arrangements for them or that might legitimately be taken into account in evaluating their performance should apply to the Associate Dean or Director of their faculty.

It is the responsibility of the student to confirm the date, time, and place of the examination by checking examination schedules posted on notice boards on campus and at www.mcgill.ca/students. This information is not available by telephone. No student will be allowed to enter an examination later than one hour after it has started.

Note for Continuing Studies: Students should consult www.mcgill.ca/continuingstudies/exams.

1.6.3.2 Deferred Examinations for Continuing Studies Students

If, for serious reasons such as illness or family affliction, you have not written one or more examinations, you may receive the permission of your Faculty Client Services Office upon providing supporting documentation to defer the examination to the next supplemental examination period, except in the Faculty of Engineering (where students write the examination the next time the course is given); see [University Regulations and Resources > Undergraduate > Examinations: General Information > Final Examinations > : Deferred Examinations: Faculty of Engineering](#). You should be aware that the University will only defer examinations for compelling reasons, verified and accepted by the Client Services Office. You must provide supporting evidence such as an appropriate medical report, and you must inform the Client Services Office as soon as possible to explain why you missed the examination.

Note for Continuing Studies: There is no supplemental examination schedule.

You must **apply for deferred examinations on *Minerva*** if you are in one of the following faculties and schools:

- Agricultural and Environmental Sciences, incl. Human Nutrition
- Arts, incl. Information Studies, Religious Studies, and Social Work
- Continuing Studies
- Education
- Engineering
- Physical and Occupational Therapy
- Science, incl. Computer Science

If you do not belong to one of the above faculties, consult your faculty for application procedures.

The **final application deadline for deferred examinations** is **January 15** (for Fall term courses), and **May 15** (for Winter term courses and courses that span the Fall and Winter terms) for the following faculties and schools:

- Agricultural and Environmental Sciences, incl. Human Nutrition
- Arts, incl. Information Studies, Religious Studies, and Social Work
- Continuing Studies
- Education
- Management
- Science, incl. Computer Science

If your request is approved, an L will appear in place of a grade in those courses. The grade you obtain on the deferred examination will replace the grade of L on your official transcript.

If you receive a grade of D, F, J, or U in a course after a deferred examination, no supplemental examinations will be available. You must either re-register in the same course the following term or in an approved course substitute.

If you are not granted deferred status, you will receive a grade of J in the course, which will count as a failure in the TGPA and CGPA. You may, however, be allowed to write a supplemental examination. Please note there are no supplemental exams in *Agricultural and Environmental Sciences*, *Management* courses, or for the *School of Continuing Studies*. For the *Faculty of Engineering*, supplemental exams are exceptionally offered for some Science, Humanities, and Social Sciences courses. For a list of these courses, see the Faculty of Engineering website (www.mcgill.ca/engineering).

For Summer term courses, check with your Client Services Office on the availability and restrictions on deferred and supplemental examinations.

If you have already written an examination, you cannot later request for the exam to be deferred. You should consult your Client Services Office regarding the availability of supplemental examinations.

1.6.3.3 Examination Conflicts for Continuing Studies Students

If you have an examination conflict, you must complete an “**Examination Conflict Form**” and return it to the *Client Services Office* for approval at least 20 days before the start of the examination schedule. The form must be accompanied by supporting documentation, and there is a \$32.25 fee (non-refundable) for rescheduling an examination. Only under exceptional circumstances are examinations rescheduled. You can find the form at www.mcgill.ca/continuingstudies/current-students/exams/exam-conflicts-and-deferrals.

1.6.3.4 Supplemental Examinations

If you are in [section 1.5.1: satisfactory or probationary standing](#) and received a grade of D, F, J, or U, you may be eligible to write a supplemental exam, which will count for a large percentage of your final grade. Your initial grade will still appear on your transcript, and both will be calculated into your CGPA.

To apply for a supplemental examination for a course, you must submit a request on Minerva (mcgill.ca/minerva) by going to *Student Menu > Student Records Menu > Supplemental Exam Application*.

The following rules and conditions apply:

- You must be in Satisfactory or Probationary Standing;
- You must have received a final grade of D, F, J, or U in the course;
- A non-refundable fee for each supplemental exam application is assessed at the time of application and charged directly to your McGill account; consult the Student Accounts website for the fee at mcgill.ca/student-accounts/tuition-fees/non-tuition-charges/other;
- Only one supplemental examination is allowed in a course;
- Supplemental examinations are available for most courses given in the Faculties of Arts, Science, Education, Religious Studies, and the School of Social Work;
- Supplemental examinations are not available for courses administered by Agricultural and Environmental Sciences, Engineering, Management, Music, or Nursing;
- Special permission is required if you want to write supplemental exams totalling more than 8 credits;
- The format of the supplemental examination (e.g., multiple-choice or essay questions) will not necessarily be the same as the final examination, so you should consult the instructor before you write the supplemental examination;
- The supplemental result may or may not include the same proportion of class work as did the original grade; the instructor will announce the arrangements to be used for the course by the end of the Course add/drop Period;
- The supplemental grade will not replace the grade originally obtained, which is used in calculating the GPA; both the original grade and the supplemental result will be calculated in the CGPA;
- For courses in which both a supplemental examination and additional work are available, you may choose the additional work, or the examination, or both; where both are written, only one supplemental grade will be submitted, reflecting grades for both the supplemental examination and the additional work;
- There are no supplemental examinations for Summer Studies courses;
- Additional credit will not be given for a supplemental exam where the original grade for the course was a D and you already received credit for the course;
- No supplemental examinations are available if you fail to achieve a satisfactory grade in a course where you have written a deferred examination;
- Supplemental examinations in courses outside your faculty are subject to the deadlines, rules, and regulations of the relevant faculty.

You must frequently verify the status of your supplemental exam application on Minerva for any additional information required by your Student Affairs Office or Service Point. Once your application has been approved, you will receive a confirmation email at your McGill email address.

If you register for a supplemental examination but find yourself unprepared for it, you should not write the exam; except for the loss of the application fee, there is no penalty for missing a supplemental examination. You should consult your Student Affairs Office for further information. It is important that you also see a Faculty adviser to talk about your options and the effects that your request may have on your studies. For more information, see mcgill.ca/students/advising.

You must verify the date and time of the supplemental examination and make yourself available to write the exam. Supplemental examinations for courses taken in the *Fall term* will be written during *Study Break* the following Winter term. Supplemental examinations for courses taken in the *Winter term* will be written in August of that year. Dates can be found at mcgill.ca/exams/dates.

Note for Continuing Studies: Availability of supplemental exams and the conditions under which you will be permitted to take them are different in each academic area.

Note for the Faculties of Arts and Science (including B.A. & Sc.): It is important that you also see a Faculty adviser in Arts OASIS or SOUSA to talk about your options and the effects that your request may have on your studies. For more information, see mcgill.ca/students/advising.

Note for the Faculty of Engineering: Supplemental examinations are available for the following courses: CHEM 110, CHEM 120, CHEM 212, CHEM 234, COMP 202, MATH 133, MATH 140, MATH 141, PHYS 131, PHYS 142, and other courses administered by the Faculty of Science as well as courses administered by the Faculty of Arts (e.g., some Complementary Studies courses from Group A *Impact of Technology on Society* and from Group B *Humanities and Social Sciences, Management Studies and Law*).

Supplemental examinations are **not** available for the following Engineering courses: CHEM 233, EPSC 221, MATH 262, MATH 263, MATH 264, MATH 270, MATH 271, MATH 363, MATH 381, and PHYS 271. These courses are offered by the Faculty of Science, but administered by the Faculty of Engineering. If you are not sure which courses offer supplemental examinations, please contact the [Engineering Student Centre](#).

Note for the Faculty of Law: Regular supplemental examinations are available to a student who has failed a course, but who is not required to withdraw from the Faculty. Regular supplemental examinations may be written in up to two courses that do not exceed a total of seven credits together, or in any one course even if it exceeds seven credits. Supplemental examinations are written at the Law Faculty in the month of August. For more information, see *Supplemental Examinations* at mcgill.ca/law-studies/courses/exams.

1.6.3.5 Reassessment and Reread Policy for Continuing Studies Students

In accordance with the *Charter of Students' Rights* (available at www.mcgill.ca/students/srr/policies-student-rights-and-responsibilities), and subject to the conditions stated therein, students have the right to consult any written submission for which they have received a mark and the right to receive an explanation from the instructor or, as the case may be, the examiner.

Students also have a right to an impartial and competent reread of any written assignment completed during the course of the semester, as well as final exams. However, it is strongly recommended that students meet with the course instructor before requesting a third-party reread.

Reassessments in courses not offered by the School of Continuing Studies (SCS) are subject to the deadlines, rules, and regulations of the relevant Faculty.

Students are required to keep any material, in its wholeness and original form, as it was returned to them. A reassessment request will be refused if the relevant material is not provided in support of the request.

Grades received for course components other than written work or examinations, such as presentations and/or participation marks, are not subject to the procedures noted below. Students should meet with the instructor to address any concerns regarding these forms of assessment.

SCS recognizes four types of reassessment:

- [section 1.6.3.5.1: Reassessment of an Assignment or a Mid-term by the Instructor](#)
- [section 1.6.3.5.2: Reread of an Assignment or a Mid-term Exam by a Third Party](#)
- [section 1.6.3.5.3: Reread of a Final Exam by a Third Party](#)
- [section 1.6.3.5.4: Mark Verification](#)

1.6.3.5.1 Reassessment of an Assignment or a Mid-term by the Instructor

This type of reassessment applies to written assignments such as papers, quizzes, and mid-term exams completed during the term. Please also refer to [section 1.6.3.5.3: Reread of a Final Exam by a Third Party](#).

Reassessment of a group-written assignment requires the consent of all members of the group.

Requests for a review of a specific assignment **must be made directly to the instructor within 10 working days* of the date of return of the graded material**. *Requests received after this deadline will not be considered*. Results of the reassessment will normally be completed within 20 working days* of the receipt of the request. The grade may be increased, lowered, or remain the same. Whether the reassessed grade is higher or lower, it takes precedence over the original grade.

For English and French Intensive Language Programs, requests for a review of a specific assignment **must be made directly to the instructor within 3 working days* of the date of return of the graded material**. *Requests received after this deadline will not be considered*. Results of the reassessment will normally be completed within 5 working days* of the receipt of the request. The grade may be increased, lowered, or remain the same. Whether the reassessed grade is higher or lower, it takes precedence over the original grade.

* "Working days" means Monday through Friday.

1.6.3.5.2 Reread of an Assignment or a Mid-term Exam by a Third Party

This type of reassessment applies to written assignments such as papers, quizzes, and mid-term exams completed during the term. Please also refer to [section 1.6.3.5.3: Reread of a Final Exam by a Third Party](#).

Students who wish to contest a grade for a specific assignment should first meet with the instructor and discuss their concerns and questions. If a student remains dissatisfied with the grade, he or she may submit a request for a third-party reread of the assignment in question.

A request for third-party rereads involving group work require the consent of all members of the group. In such cases, only one reread fee will be assessed.

Students seeking a third-party reread must apply to [SCS Client Services](#); exact fee amounts and details are available on the [Student Accounts website](#).

Requests for a third-party reread of a specific assignment **must be made within 10 working days* of the date of return of the graded material**. *Requests received after this deadline will not be considered*. Results of the third-party reread will normally be completed within 20 working days* of the receipt of the request. The grade may be increased, lowered, or remain the same. The third-party reviewer's grade takes precedence over the original grade.

For English and French Intensive Language Programs, requests for a review of a specific assignment **must be made directly to the instructor within 3 working days* of the date of return of the graded material**. *Requests received after this deadline will not be considered*. Results of the reassessment will normally be completed within 5 working days* of the receipt of the request. The grade may be increased, lowered, or remain the same. Whether the reassessed grade is higher or lower, it takes precedence over the original grade.

* "Working days" means Monday through Friday.

1.6.3.5.3 Reread of a Final Exam by a Third Party

It is strongly recommended, though not required, that students meet with the course instructor before requesting a reread of a final exam.

Requests for a reread of a final exam are administered by the Student Affairs Office in the [SCS Client Services](#) unit; exact fee amounts and details are available on the [Student Accounts website](#).

Students must **apply in writing** by the following deadlines:

- **September 30** for courses offered in the Spring/Summer term
- **January 30** for courses offered in the Fall term
- **May 30** for courses offered in the Winter term

For English and French Intensive Language Programs, students must **apply in writing** by the following deadline:

- **2 working days*** from the date when final exam grades are posted

All deadlines are strictly enforced, and no late requests will be accepted. Whether the reassessed grade is higher or lower, it takes precedence over the original grade.

* "Working days" means Monday through Friday.

1.6.3.5.4 Mark Verification

In a case where a student believes that an error has been made in arriving at the final grade for a course as a whole, a **Verification of Grade** form must be completed at the [SCS Client Services](#) Office requesting that the instructor carry out a detailed check that the final course grade has been computed correctly.

For all courses and programs of study, the request **must be made within 10 working days* of the date on which the final grade appears on the student's transcript**. *Requests received after this deadline will not be considered*. The mark verification process should normally be completed within 20 working days* of receipt of the request by SCS Client Services.

* "Working days" means Monday through Friday.

Students completing a second undergraduate degree at McGill must successfully complete a minimum of 60 McGill credits to obtain their degree. You should check with your Faculty adviser for any conditions applicable to the McGill credits required toward your degree.

Graduate students should refer to their faculty under [Faculties & Schools](#) > [Graduate](#) > [Program Requirements](#) for information on minimum residency requirements for graduate programs. This information is listed for each faculty, and you can also access it through your faculty's graduate pages.

Note for Continuing Studies: Minimum Residency Requirement (Continuing Studies):

1.7.6 Language Requirements for Professions

Quebec law requires that candidates seeking admission to provincially recognized professional corporations* must be able to communicate verbally and in writing in French. To demonstrate a working knowledge of French, the professional corporation requires one of the following:

- Evidence that you have completed three years of full-time instruction in a French post-primary school
- A certificate that shows you completed your secondary education in Quebec in 1986 or later
- Successful completion of a written examination set by Quebec's *Office québécois de la langue française* (OQLF). See below for more information.

If you are a registered student and are within two years of graduating with a degree that will give you access to a professional corporation, you can write the OQLF examination. You should contact Enrolment Services for an application form. Examinations take place every three months and may be attempted an unlimited number of times. Priority is given to students closest to graduation.

More information may be obtained from the *Office québécois de la langue française*, 125 Sherbrooke Street West, Montreal, Quebec, H2X 1X4. Telephone: 514-873-6565. Website: www.oqlf.gouv.qc.ca.

1.7.7 Aegrotat Standing and Degree at McGill University

In rare cases where a student, based on serious medical or similar evidence, is unable to complete their program requirements within a reasonable time, or at all, they may be awarded their degree with Aegrotat Standing.

At McGill, this designation may be considered if a student has completed 75% or more of their degree program requirements and based on a serious medical situation or other extenuating circumstance is unable to complete their program requirements. If approved, this could result in the awarding of an aegrotat degree. An aegrotat indicator of 'Y' at graduation signifies that a student was awarded such a degree. An aegrotat degree is awarded only to students in Satisfactory Standing who have been unable to complete their degree due to special circumstances toward the end of their program. Information on this degree designation is only included in the convocation program, and not on the transcript.

A degree with Aegrotat Standing is rarely granted at McGill University. A formal request must be submitted to the Dean of the student's faculty and the Deputy Provost, Student Life and Learning, to approve granting a degree with Aegrotat Status.

1.8 Advising and the University Mission

The Mission Statement of the University expresses the commitment to offer students the *best education available*. An essential component of this is the advising process. Academic advising takes place in many ways and locations at McGill, so it is important that you learn about the different : *Types of Advising and Advisers* and how they can help you reach your goals. You should also consult the advising information provided on your Faculty's website (: *Contact Information for Faculty & School Student Affairs Offices*) and on the *Academic Advising website*.

1.8.1 The Role of the Student in Advising

Your active participation in the advising process is essential for accessing the full range of academic opportunities during your studies. You must be proactive in seeking meetings with various advisers, professors, and counsellors to ensure that you receive the advice you need to formulate a personal plan of study and to meet your academic goals. While advisers are there to provide you with guidance, you are ultimately responsible for meeting your degree or diploma requirements. It is your responsibility to learn the rules and regulations of the University, your faculty, and your program. With your cooperation, advisers and counsellors will assist you throughout your undergraduate studies.

The collection houses 2.8 million specimens of insects and other arthropods, making it the second-largest insect collection in Canada, and the largest university insect collection in the country. 1.12.7 Other Historical Collections

In addition to the McGill museums, there are other collections and exhibits of a specialised nature curated by McGill's **Heritage Advisory Committee**.

McGill began accumulating cultural property by virtue of acquisition or donation even before the university itself was established. At the Montreal Medical Institute, which became McGill's Faculty of Medicine and Health Sciences, specimens were collected and used as teaching tools as early as 1822. Articles published about early collections gained international recognition for faculty members such as Andrew Fernando Holmes and Sir William Dawson. Their collections and others had a major influence on building McGill's reputation as a learned institution.

For more information, and to view the full list of historical collections at McGill, please visit mcgill.ca/historicalcollections.

1.13 The University

McGill University is one of Canada's best-known institutions of higher learning and one of the leading universities in the world. With students coming to McGill from some 150 countries, our student body is the most internationally diverse of any research-intensive university in the country.

1.13.1 History

The Hon. James McGill, a leading merchant and prominent citizen of Montreal, who died in 1813, bequeathed an estate of 46 acres called Burnside Place together with £10,000 to the “Royal Institution for the Advancement of Learning” upon condition that the latter erect “upon the said tract or parcel of land, an University or College, for the purpose of education and the advancement of learning in this Province”; and further upon condition that “one of the Colleges to be comprised in the said University shall be named and perpetually be known and distinguished by the appellation of ‘McGill College.’”

At the time of James McGill's death, the Royal Institution, although authorized by law in 1801, had not been created, but was duly instituted in 1819. In 1821 it obtained a Royal Charter for a university to be called McGill College. Further delay was occasioned by litigation, and the Burnside estate was not acquired until March 1829. The Montreal Medical Institution, which had begun medical lectures at the Montreal General Hospital in 1822, was accepted by the College as its Faculty of Medicine in June 1829. After further litigation, the College received the financial endowment in 1835 and the Arts Building and Dawson Hall were erected. The Faculty of Arts opened its doors in 1843.

Progress, however, was slow until the 1821 Charter was amended in 1852 to constitute the members of the Royal Institution as the Governors of McGill College. Since that time the two bodies have been one. It was first called “The University of McGill College” but in 1885 the Governors adopted the name “McGill University.” Even after the amended charter was granted, little advance was made until 1855 when William Dawson was appointed Principal. When he retired 38 years later, McGill had over 1,000 students and Molson Hall (at the west end of the Arts Building), the Redpath Museum, the Redpath Library, the Macdonald Buildings for Engineering and Physics, and a fine suite of medical buildings had been erected.

Since then, the University has continued to grow vigorously. In 1884, the first women students were admitted and in 1899 the Royal Victoria College was opened, a gift of Lord Strathcona, to provide separate teaching and residential facilities for women students. Gradually, however, classes for men and women were merged.

In 1905, Sir William Macdonald established Macdonald College at Sainte-Anne-de-Bellevue as a residential college for Agriculture, Household Science, and the School for Teachers. Those components have since become the Faculty of Agricultural and Environmental Sciences, which includes the School of Human Nutrition, on the Macdonald campus, and the Faculty of Education, located on the Downtown campus. The University's general development has been greatly facilitated by the generosity of many benefactors, and particularly by the support of its graduates, as regular public funding for general and capital expenditures did not become available until the early 1950s. Since that time government grants have become a major factor in the University's financial operations, but it still relies on private support and private donors in its pursuit of excellence in teaching and research.

The University now comprises 10 Faculties and 17 Schools. At present over 40,000 students are taking credit courses; one in four is registered in Graduate Studies.

The University is also active in providing courses and programs to the community through the School of Continuing Studies.

The Governors of the University constitute the Royal Institution for the Advancement of Learning, a corporation existing under the laws of the Province of Quebec. In them is vested the management of finances, the appointment of professors, and other duties. Twelve of the governors are elected by the Board from amongst those nominated by its Nominating, Governance and Ethics Committee; three are elected by the Alumni Association; two are elected by Senate from amongst its members; two elected by the full-time administrative and support staff from amongst its members; two elected by the full-time academic staff; and two elected by students from amongst the student body. The Board elects the Chancellor of the University and also, from amongst its members, a chair to preside at its meetings, who may also be the Chancellor. The Chancellor and the Principal are ex officio members.

The Chancellor is presiding officer of Convocation and of joint sessions of the Board of Governors and the Senate.

The Chair of the Board of Governors is President of the Royal Institution for the Advancement of Learning.

The Principal and Vice-Chancellor is the chief executive officer of the University, appointed by the Board of Governors after consultation with a statutory committee. The Principal is, ex officio, Chair of Senate.

The Senate is the highest academic authority of the University and has control over admission, courses of study, discipline, and degrees. The regulations of Senate are executed by the various faculties and schools, which also carry primary responsibility for the educational work of the University.

1.13.4 Recognition of Degrees

The Royal Institution for the Advancement of Learning (McGill University) is a publicly funded institution and holds a Royal Charter dated 1821 (amended in 1852) as well as being incorporated under the laws of the Province of Quebec.

In addition, McGill University is a member of the American Association of Universities (A.A.U.). It is also a member of the Association of Commonwealth Universities and the International Association of Universities. Its undergraduate, professional, and graduate degrees, including doctorates in a full range of disciplines, have been recognized by educational, government, and private organizations worldwide for decades.

1.13.8 Student Governance: McGill Association of Continuing Education Students (MACES)

All students registered in courses that appear on the official McGill transcript, and whose records (including from the Faculty of Education) are administered by the School, are members of the **McGill Association of Continuing Education Students (MACES)**. Students taking Continuing Studies courses, but registered in programs administered by other McGill faculties, are members of other McGill student associations. Students registered in more than one program may belong to both MACES and other McGill student associations.

MACES was founded in 1985, incorporated in 1989, and a certificate of accreditation was issued in 1990. MACES's mission is to advocate for its students' academic and social needs as well as to offer them a network where they can meet other diverse groups of students and professionals.

Additionally, the Association offers a variety of services for its members including a fully equipped computer lab, which is free for all members, Microsoft courses, as well as study, meeting, and social spaces in its building located at 3437 Peel Street, only minutes away from the McGill downtown campus. MACES also organizes and sponsors various events that provide an opportunity for students to build their social and professional network.

MACES has an ideal warm, relaxed ambiance for socializing, studying, or having a group meeting after a working day, before classes, and on weekends, a place where students are always welcome.

MACES is governed by its bylaws through the elected MACES Board of Directors. These executives are there to run the Association as well as to address students' needs with an open-door policy.

Full details of MACES services, bylaws, officers, and committees are available from the Association (telephone 514-398-4974 or visit www.maces.ca).

3.3.1.3 Supporting Documents for Undergraduate Programs

The following documents must be received before the application can be processed:

1. An unofficial transcript of the highest level of education completed (if applicable) accompanied by one piece of identification. Arrangements should be made to have an official transcript sent directly from the former educational institution to the School of Continuing Studies.

(See [University Regulations & Resources](#) > [Continuing Studies](#) > [Personal Information](#) > [Submitting Legal Documents](#) > [section 1.2.2.1: Why Does McGill Collect Legal Documents from You?](#).)

Applicants applying on the basis of the CEGEP *Diplôme d'études collégiales* (DEC) must provide their Permanent Code so that McGill University can access their CEGEP transcripts electronically.

2. Proof of age: Students 21 years of age and over, who do not have the normal academic background for admission, may be admitted as mature students. One piece of personal identification must be attached.
3. TOEFL, IELTS, McGill SCS-TELP, McGill Certificate of Proficiency in English – Language and Culture, or Certificate of Proficiency – English for Professional Communication, or both CEEN 421 and CEEN 422 with a minimum grade of B-, if your mother tongue is other than English.

Note: Students who have completed both Secondary V and a Diploma of Collegial Studies in Quebec (DEC) are not required to submit proof of proficiency in English.

3.3.1.4 Supporting Documents for Graduate Programs

Candidates wishing to apply to a graduate program must have a degree (i.e., a bachelor's degree) from a recognized university that is equivalent to an undergraduate degree as approved by Graduate and Postdoctoral Studies or the *Ministère de l'Immigration, de la Diversité et de l'Inclusion*. Programs may have additional admission requirements. Please refer to the admission requirements specified in the program description.

The following documents must be received before the application can be processed:

1. An unofficial transcript with confirmation of degree awarded and date of graduation or an official letter from the university confirming the expected date of completion (if the degree has not been granted yet).
2. All students must make arrangements to have an official transcript sent by their previous institution to the School's Client Services – Admissions before their application can be considered. The transcript must be in the original language with an official translation if not in English or French, along with confirmation of degree awarded and date of graduation.
3. TOEFL, IELTS, McGill SCS-TELP, McGill Certificate of Proficiency in English – Language and Culture, or Certificate of Proficiency – English for Professional Communication, or both CEEN 421 and CEEN 422 with a minimum grade of B-, if your mother tongue is other than English.

(See [School of Continuing Studies](#) > [Areas of Study](#) > [Career and Professional Development](#) > [Graduate Programs, Diplomas, and Graduate Certificates](#) > [Academic Regulations](#) > [section 4.1.3.2.2: Proof of Proficiency in English](#).)

Note: Students who have completed both Secondary V and a Diploma of Collegial Studies in Quebec (DEC) are not required to submit proof of proficiency in English but must provide their Permanent Code so that McGill University can access their CEGEP transcripts electronically.

Note: Applications to graduate-level programs as Mature students **will not be considered**.

3.3.1.5 Due Date for Documentation Requirements for McGill Applications

Please refer to the [School's website](#) for additional information regarding the submission of all required supporting documents, including transcripts, statements of standing, test scores, letters of recommendation, etc. (depending on the program).

3.3.1.6 What are Official Documents at McGill?

McGill requires official versions of all transcripts and statements of Academic Standing from schools or other educational institutions. Test scores and examination results must also be official. At McGill, “official” signifies that the school, educational institution, or Examination Board, for students who write Advanced-level examinations, sends directly to McGill University without intermediary all signed and sealed transcripts, statements of Academic Standing, test scores, and examination results. We do not accept as “official”: copies of documents certified by a notary, commissioner of oaths, Canadian Education Centre, or embassy staff member. We do not make conditional decisions based on unofficial transcripts or statements of Academic Standing.

We recognize that in some countries, it is difficult to arrange for schools to send official transcripts. We also recognize that individuals who no longer reside in the country where they studied face particular challenges in arranging for official documentation. Should this be the case, please communicate this to us in writing.

3.3.2 Admission Procedures: Faculty of Education, Continuing Education Programs

Application for admission to the Faculty of Education, Continuing Education programs can be done online at mcgill.ca/applying. Students should complete the application form and submit the required documents to the appropriate academic area. For application deadlines and procedures, visit mcgill.ca/continuingstudies/area-of-study/education.

Applicants to the First Nations and Inuit programs must contact the *Office of First Nations and Inuit Education* for admission information at 514-398-4527.

3.4 Deferring or Declining Our Offer of Admission?

The offer of admission is valid for one academic year beginning with the session of admission. If you do not enrol in courses during that one-year period, you will be required to re-apply. If you wish to decline the offer of admission, please contact the Client Services Office via email at admissions.conted@mcgill.ca to inform them of your decision.

3.5 Program Transfers

A student may request one program transfer per admission; for any subsequent request, the student will be required to complete a new “Application for Admission” and will be subject to the \$89.52 application fee. Students who wish to transfer from one program to another must submit a written request to the Client Services – Admissions Office. Please note that students cannot request a program transfer in the same session in which they were admitted, nor if they never registered for courses in the program to which they were admitted. Additionally, students cannot request a program transfer if they have not registered for courses in their current program for over a year.

The *Request for Program Change* form is available at mcgill.ca/continuingstudies/forms.

3.6 Advanced Standing

Advanced Standing is reviewed and processed at the time of admission and is granted based on the official documents submitted with the admission application. However, you may submit your own request for Advanced Standing. Advanced Standing will only be granted for equivalent credit courses that were completed within the last five years, at the same level and with the minimum grade stipulated by the University. The Request for Advanced Standing form is available at mcgill.ca/continuingstudies/recognition-prior-learning.

3.6.1 Post-Admission Requests for Advanced Standing

Students applying for Advanced Standing after the time of admission must complete an “Application for Advanced Standing” and submit it to the Client Services Office. Requests will not be considered unless accompanied by all required documentation. Please note that the evaluation process takes at least six weeks to complete. All decisions are final and may not be appealed. Students should take note of the following procedures:

1. Complete all sections of the Application for Advanced Standing.
2. Attach an unofficial copy of your transcript.
3. Attach detailed official course outline(s) (indicating textbook used, chapter/topics covered, etc.).
Note: Summary course description(s) are **not** acceptable.
4. Make arrangements for official transcripts to be sent directly from the institution where the course(s) were taken to the Client Services Office of the School of Continuing Studies.
5. If required, students are responsible for submitting any additional supporting documentation to the Client Services Office of the School of Continuing Studies.

The Application for Advanced Standing can be found online at: mcgill.ca/continuingstudies/recognition-prior-learning. It is also available at the Client Services Office.

3.6.2 Exemption by Examination (for Career and Professional Development Students)

The Exemption by Examination test is intended for students who do not have the requisite academic background or formal training required, but who believe that they have the requisite level of knowledge needed.

Applicants will be permitted to take an Exemption by Examination test for:

- corequisite courses to the program;
- or
- prerequisite courses that are not part of their program.

Students who successfully pass the Exemption by Examination test(s) will not have to take the course(s) for which the test(s) was taken.

Those who fail the Exemption by Examination test(s) will not be permitted to repeat the test(s); instead, they must enrol in the course(s) for which the particular test was taken.

Students may obtain relevant information from: mcgill.ca/continuingstudies/recognition-prior-learning. Students interested in the Exemption by Examination test should contact Career and Professional Development for further details.

Note: Students who have been granted credits and/or exemptions are not permitted to register for the courses for which they have been granted credits and/or exemptions. Students applying to an undergraduate program will not be granted credits and/or exemptions for equivalent credit course(s), unless the course(s) in question were successfully completed with a minimum grade of C or better within the last five years. 3.7 International Students

The immigration authorities do not issue visas to students unless they are studying full-time in a recognized program. Please note that McGill University does not issue any immigration documents. Most of the programs offered by the School of Continuing Studies are designed for part-time students, but some may be taken full-time. To be full-time in a credit program you must take at least 12 credits each term toward your program. The non-credit intensive English and intensive French language programs are full-time programs.

Prospective visa students should contact the School of Continuing Studies to verify that the program they wish to apply to may be taken full time. Admitted students will be given an International Student Study Plan and are advised, prior to registration, of the appropriate sequence of courses that will enable them to complete the program within the time frame specified by the immigration authorities.

Note: Students in the intensive English or intensive French language programs will not be required to provide a Study Plan to immigration authorities.

3.7.1 Application Procedures – International Students

For acceptance into a program, students must complete a formal application. Please see [section 3.1: Admission Requirements](#) for information on how to apply to a program.

International students are reminded that in order to study at McGill, they are required to obtain a Study Permit (Visa) from Immigration, Refugees, and Citizenship Canada. This, in turn, can be issued only after a *certificat d'acceptation du Québec* (CAQ) has been obtained from the *Ministère de l'immigration, de la Diversité et de l'inclusion* of Quebec.

Initial application for a Study Permit may not be made from within Canada, although subsequent renewals may be made from within the country.

Acceptance into the School's programs does not necessarily entitle a student to a *certificat d'acceptation du Québec* or Study Permit, which is issued at the sole discretion of the respective immigration authorities, nor does it permit a student to work within Canada, for which a separate Work Permit is required.

3.7.2 Immigration Procedures

Unless their studies at McGill will be completed in less than six months, all students, other than Canadian citizens and permanent residents of Canada, must obtain proper authorization from both Quebec and Canadian immigration officials prior to proceeding to Canada and/or commencing studies.

Once you receive your Admission letter from McGill University, you should start the application process for a *certificat d'acceptation du Québec* (CAQ). Once you receive your CAQ, obtaining a study permit can take **three to six months**. You should take this into consideration when making your application to the School of Continuing Studies.

Immigration authorities require prospective students to present proof of access to sufficient funds to support themselves for the period of their studies, before acceptance will be granted. Proof of a *certificat d'acceptation du Québec* (CAQ) will be required of all international students at registration. International students have the following two immigration options, depending on the length of time chosen to study in Canada:

3.7.2.1 Temporary Resident Visa (Only for Intensive English or Intensive French Language Programs)

If you are certain that you will study for less than six consecutive months, you need only apply for a Temporary Resident Visa from Immigration Canada. However, some international students may have to apply for an Electronic Travel Authorization (eTA); for further information, refer to www.canada.ca/en/immigration-refugees-citizenship/services/visit-canada/eta. Please note that a person arriving on a Temporary Resident Visa cannot study for more than six consecutive months. Temporary Resident Visas cannot be changed to a Study Permit from within Canada.

3.7.2.2 Study Permit

Persons planning to study for more than six consecutive months are required to obtain a *certificat d'acceptation du Québec* (CAQ) from the *Ministère de l'immigration, de la Diversité et de l'inclusion* of Quebec, and a Study Permit from Immigration, Refugees, and Citizenship Canada. The first application for these documents must be made before arriving in Canada. For more information, consult the Immigration Canada website at www.cic.gc.ca.

Students must start by applying for the *certificat d'acceptation du Québec* (CAQ) at the *Ministère de l'immigration, de la Diversité et de l'inclusion* office designated to serve the geographic area where the student resides. The application form, as well as a guide on how to apply, is available on their website at

www.immigration-quebec.gouv.qc.ca/en/home.html. Allow at least five weeks to complete the application process for a CAQ. Immigration Québec officials will notify the Canadian Visa Service in the embassy or consulate closest to the student when the CAQ has been approved or it may be mailed directly to the student. The student must then visit the Canadian Visa Service and apply for a Study Permit and a Temporary Resident Visa if required.

Note the Expiry Date on your Study Permit; in some cases, it may expire before you register for your second year at McGill. **It is extremely important that you do not let your Study Permit expire. You should contact Quebec and Canadian immigration authorities six to seven weeks prior to the expiry date on your document.**

For further information, students may contact the Canadian Embassy/Consulate in their country of residence. McGill cannot determine the length of time that it may take to complete immigration procedures. We can only advise you to begin this process as soon as possible, and to be patient.

3.10 Glossary

Undergraduate: A student who has not yet completed a bachelor's degree or a program that leads to a bachelor's degree. A graduate student has completed a bachelor's degree and is working toward a master's degree or doctorate.

Bachelor's Degree: A degree that normally takes three or four full-time years to complete, depending on the educational system you come from. An honours program demands a high degree of specialization and requires a student to satisfy specific requirements while maintaining a good Academic Standing. Students generally complete a first academic year and can then select an honours program. An honours program can be a requirement for certain graduate (master's) programs.

Certificate Program: A certificate is a 30-credit first-cycle program, governed by the teaching Faculty.

Diploma Program: A diploma is a 30-credit second-cycle program which has as a prerequisite for admission an undergraduate degree or its equivalent, in any discipline, and for which faculty approval rests with the teaching faculty.

Graduate Diploma: A graduate diploma is a 30-credit second-cycle program which has, as a prerequisite for admission, an undergraduate or graduate degree, or its equivalent, in the same or a related discipline, and for which faculty approval rests with Graduate and Postdoctoral Studies.

Graduate Certificate: A Graduate Certificate is a program of fewer than 30 credits but no less than 15 credits, which has, as a prerequisite, an undergraduate degree, and for which faculty approval rests with Graduate and Postdoctoral Studies.

Professional Development Certificate: A Professional Development Certificate is a non-credit transcript micro-program of fewer than 45 CE Units but no less than 12 CE Units. The micro-programs are primarily targeted at professionals who already have some experience in a specific industry or professional field and wish to sharpen their professional skills and competencies, as well as validate them through academic recognition.

Credit System: The School of Continuing Studies uses the credit system, where each course is assigned a credit rating reflecting the number of weekly contact hours. In general, a three-credit course indicates three hours of lectures per week for one term, but this does not apply to all faculties. Laboratory contact hours usually count for fewer credits. Credits also reflect the amount of effort required of students and generally assume two hours of personal study for each contact hour. The credit weight of each course is indicated in parentheses beside the course title.

Continuing Education Units (CE Units): Some courses at the School may carry a Continuing Education Unit rating. These courses do not normally count toward the fulfilment of a credit program. A Continuing Education Unit is a measure of the number of hours of participation—contact and/or study—in an organized Continuing Education activity. One unit represents ten hours of participation.

Non-Transcript Activity: A non-transcript activity is a course, seminar, or workshop in any discipline that does not carry university credit or Continuing Education Units and will not appear on a university transcript.

Term: The academic year is broken into two terms: Fall (September to December) and Winter (January to April), with certain courses available during the Summer term (May to August).

Advanced Standing: If you are applying from a school system outside North America, or from another university, you may be eligible to receive Advanced Standing for university-level work you've already completed. Some students applying from outside Quebec may be able to earn exemption from taking basic courses by writing placement exams before classes start.

Minerva: By logging into Minerva (mcgill.ca/minerva), McGill's online administrative system, you can apply for admission, register for courses, check your exam schedule, update the status of your tuition, and look at your grades, 7 days a week, 24 hours a day, from the comfort of your own computer.

eCalendar: This publication (mcgill.ca/study) is the official listing of requirements for degree, certificate, and diploma programs and courses offered by the University. It also describes the University's academic and administrative regulations, policies, and procedures.

Important Dates: The Important Dates website (mcgill.ca/importantdates) contains specific details on registration dates and information pertaining to the upcoming term. In case of discrepancy, the information posted on *Important Dates* takes precedence over the information in the *eCalendar*.

4.1.2.2 Admission Regulations for Certificate Programs

To be admitted to one of the 30-credit certificate programs offered by the Career and Professional Development unit, applicants must hold a CEGEP diploma (Diploma of Collegial Studies in Quebec (DEC)) or equivalent, and meet the English Language Proficiency requirements. Applicants who are 21 years of age and over but do not have the normal academic background for admission may be admitted as mature students provided that they meet the English Language Proficiency requirements. Applicants between 18 and 21 years of age who do not have a CEGEP diploma but have at least a high school leaving certificate may be accepted into a qualifying program, determined by the department. Formal admission to a certificate program will normally follow upon satisfactory completion of the qualifying program provided that all other admission criteria are met. Students below 18 years of age without a CEGEP diploma will not be admitted to a certificate program nor will they be permitted to take courses.

4.1.2.2.1 Admission Requirements for Certificate Programs

To be admitted to a certificate program:

1. Students must hold a CEGEP diploma (Diploma of Collegial Studies in Quebec (DEC) or equivalent); or

- Students 21 years of age and over who do not have the normal academic background for admission may be admitted as mature students.
- Students between 18 and 21 who do not have a CEGEP diploma but have at least a high school leaving certificate may be accepted into a qualifying program to be determined by Career and Professional Development. Formal admission to the certificate program will normally follow upon satisfactory completion of the qualifying program.

Students below 18 years of age without a CEGEP diploma (DEC) will **not** be admitted to a certificate program, nor will they be permitted to take courses.

4.1.2.2.2 Proof of Proficiency in English

The language of instruction for most courses and programs at McGill is English; however, students may submit any written work that is to be graded in English or French, except in cases where knowledge of the language is one of the objectives of the course. Applicants must demonstrate the required level of proficiency in English **prior to admission** to McGill University, regardless of citizenship status or country of origin. McGill University has this language requirement in place to ensure that all students are provided with the opportunity to succeed in their chosen program. In all cases, the University reserves the right to require proof of English proficiency if it is deemed necessary at any point during the review process. Below, you will find information on when proof of proficiency is required.

If you answer “yes” to any of the following seven statements, you do **not** necessarily need to provide proof of English proficiency, but must provide documentation to support your answer.

- Have you lived and attended school, for at least four consecutive years, in a country where English is the acknowledged primary language?
- Have you completed both Secondary V (Quebec High School Transcript issued by the *Ministère de l'Éducation*) and a DEC at a French CEGEP in Quebec?
- Have you completed a DEC at an English CEGEP in Quebec, during or later than 2003?
- Have you or will you complete a French Baccalaureate – Option Internationale (British or American section)?
- Have you or will you complete an International Baccalaureate (IB) Group 1 English (Language A: Literature, Language A: Language and Literature, or Literature and Performance) with a result of 5 or better?
- Have you or will you complete the British Curriculum A-Level English with a final grade of C or better?
- Have you completed the British Curriculum GCSE/IGCSE/GCE O-Level English, English Language, English First Language, or English as a Second Language with a final grade of B or better?
- Have you completed or will you complete English as Language 1 or Language 2 in the European Baccalaureate curriculum (in the Schola Europaea system)?

If you answered "no" to all of the above, but answer "yes" to any of the following questions, you will be asked to provide supporting documentation to this effect in order to provide proof of English language proficiency.

- Do you consider English to be your mother tongue?
- Have you been attending school, for at least four consecutive years, at an accredited educational institution (in a non-English speaking country) where English is the language of instruction?
- Have you obtained an undergraduate degree from an accredited educational institution where the language of instruction in your program of study was English (minimum three years)?
- Have you obtained a graduate degree from an accredited educational institution where the language of instruction in your program of study was English (minimum two years)?

Applicants to Career and Professional Development who do not meet any of the above-listed conditions must demonstrate proficiency in English using **one** of the following options:

- TOEFL (Test of English as a Foreign Language):

iBT (internet-based test): minimum acceptable score of 90 overall (with a minimum individual component score of 21 in each of the four components, i.e., reading, writing, listening, and speaking).

Note: An institutional version of the TOEFL is not acceptable.

- IELTS (International English Language Testing System) Academic Versions: A band score of 6.5 or better; individual component scores must be 6.0 or better. Regular Academic and UKVI Academic versions are both accepted. Please note that the IELTS indicator test is not accepted by McGill University.
- MELAB (Michigan English Language Assessment Battery): a minimum mark of 85%.
- McGill SCS TELP (McGill School of Continuing Studies Test of English Language Proficiency): a Category A result.
- McGill Certificate of Proficiency in English or McGill Certificate of Proficiency – English for Professional Communication: Certificate of Proficiency awarded.
- University of Cambridge: Cambridge C1 Advanced. Certificate awarded with a grade of B or higher (formerly Certificate in Advanced English (CAE)).
- University of Cambridge: Cambridge C2 Proficiency. Certificate awarded with a grade of C or higher (formerly Certificate of Proficiency in English (CPE)).
- Pearson Test of English - Academic: Overall score of 65 or better; individual component scores of 60 or better.
- Canadian Academic English Language Assessment (CAEL): Overall bandscore of 70 or better; individual component scores of 60 or better. Both paper (CAEL-Paper edition) and the computer (CAEL-CE) tests are accepted.

Note: Your test results must be reported directly to the University by the test centre; consequently, candidates' copies of results will not be accepted as proof of English language proficiency. It is your responsibility to ensure that the official test results in an official format are forwarded directly by the testing service to the Client Services Office (Admissions) of the School of Continuing Studies, 688 Sherbrooke St. West, 11th Floor, Montreal, Quebec, H3A 3R1. For TOEFL, the institutional code at McGill University is 0935-00.

4.1.2.2.5 Exemption by Examination

In general, certificates offered by Career and Professional Development are composed of 10 courses. Some programs, however, have corequisite and prerequisite courses that must be completed by the student in order for them to obtain their certificate or diploma.

Students who believe that they have taken the equivalent of one or more of the corequisites to the program, or one or more of the prerequisite courses that are not part of the program to which they have applied, may take an Exemption by Examination test for eligible programs as deemed by the Department. Students who have failed any of the corequisite courses to the program, or any of the prerequisite courses that are not part of the program to which they have applied, are not eligible to take the Exemption by Examination test for the course(s) that they have failed.

The Exemption by Examination test is intended for students who do not have the requisite academic background required, but who believe that they have the requisite level of knowledge needed. Students who successfully pass the Exemption by Examination test(s) with a minimum grade of 55%, with the exception of CMSC 000 which requires a minimum passing grade of 65%, will not have to take the course(s) for which the test(s) was taken. Those who fail the Exemption by Examination test(s) will not be permitted to repeat the test(s); instead, they must enrol in the course(s) for which the particular test was taken. Students will be notified in writing of their test results. Test results are valid for one academic year.

Students may register for the Exemption by Examination test on the following website: mcgill.ca/continuingstudies/recognition-prior-learning. There is a CAD\$117.92 (non-refundable) application fee (payable by credit card) due at the time of registration. Students interested in a list of courses for which the Exemption by Examination test applies should refer to [the website](#).

For further details on the Exemption by Examination test, students should contact Career and Professional Development. Exemption by Examination tests will be held on the following dates:

Note: The School of Continuing Studies reserves the right to reschedule test dates and to revise the application fee without prior notice.

4.1.2.3 Academic Regulations for Certificate Programs

Students must inform themselves of University rules and regulations and keep abreast of any changes that may occur. The Academic Regulations section contains important detailed information required by students during their studies at the School of Continuing Studies and should be periodically consulted for modifications.

4.1.2.3.1 Academic Advisers

Students who would like to take the opportunity to meet with an academic adviser may call 514-398-6200 to schedule an appointment during regular business hours. Please note this service is by appointment only.

4.1.2.3.2 Academic Standing for Certificate Programs

A minimum grade of C is required in all courses in a program, with the exception of CMSC 000 for which a minimum grade of B- is required. The only other exception is that a grade of D will be allowed in one elective course that is not a prerequisite to other courses to be taken in the program.

A maximum of three unsatisfactory grades, excluding supplementals, is permitted on the record. In this context, an unsatisfactory grade is a grade of F, J, or D in compulsory courses, and a grade of F, J, or more than one D in elective courses. Even if an unsatisfactory grade is improved by means of a supplemental examination, where available, the original grade remains on the record and counts toward the total number of unsatisfactory grades.

Students who have more than three unsatisfactory grades on their record will be required to withdraw from the program and will not be permitted to register in other courses or programs in Career and Professional Development.

In order to be eligible for graduation, students must complete all program requirements with a cumulative grade point average (CGPA) of at least 2.0, which will be computed over all courses (including supplementals and unsatisfactory grades but excluding corequisite courses) taken in the program. If a student's CGPA falls below 2.0, the student may be asked to withdraw.

Academic Standing Requirements for Special Students

Special Students, although not formally registered in a program, are expected to demonstrate seriousness of academic purpose. Special Students must meet all academic and language requirements stipulated by Career and Professional Development, and must complete all courses, including corequisite and prerequisite courses, with a grade of C or better. A maximum of three grades below C in any course offered through Career and Professional Development is permitted on the record. In this context, grades below C include the grade of D (a conditional, non-conditional pass), F (a failure), and J (unexcused absence/failed). Special Students are permitted to repeat the same course only once. Special Students who accumulate more than three grades below C in Career and Professional Development and/or whose CGPA falls below 2.0 will not be permitted to register in other courses in Career and Professional Development. Please note that even if a grade is improved by means of repetition of the course(s), the original grade remains on the student's record and counts toward the total number of unsatisfactory grades.

4.1.2.3.3 Advanced Standing and Residency Requirement

Advanced Standing

Advanced Standing may be granted to students who provide evidence of equivalent credit course(s) completed in other programs at McGill University or at another recognized university. Students should note that courses taken more than five years ago will not be recognized for Advanced Standing.

Students wishing to apply for advanced standing must complete an Advanced Standing form at the time of admission. Evaluation requests received after this time will not be considered before registration and will be delayed until the following session. Requests will not be considered unless a student has applied to a program and must be accompanied by all required documentation.

Note: The evaluation process takes at least six weeks to complete.

Residency Requirement

A) Students transferring to McGill:

Advanced Standing of up to 30% of the courses in any one certificate program may be awarded for successfully completed equivalent study done at another university within the last five years.

B) Students transferring within McGill:

1. Students who withdraw from a certificate program may transfer credit to another certificate with no limit to the number of credits granted provided the courses are identical, were completed within the last five years and all other requirements of the new certificate are met.
2. Students who withdraw from a degree or diploma program and those who have completed a degree program and who have successfully completed courses appropriate to the content, standards, and other requirements of a particular certificate may apply and be awarded credit toward that certificate program up to and including five courses provided they were completed within the last five years. They must complete a minimum of five courses (15 credits) in the certificate program at the School of Continuing Studies after admission to that program.
3. Students who have completed a diploma or certificate program may apply for admission to a second certificate program and be given Advanced Standing (if applicable) up to a maximum of 9 credits (three courses) provided the courses were completed within the last five years.

Students wishing to transfer from a diploma program to a certificate program will receive Advanced Standing only for those courses in which they obtained the minimum passing grade required in the diploma program.

C) Students taking two programs concurrently:

1. Students may apply for admission to and register in more than one certificate program at a time. Where program course requirements overlap, credit may be granted up to a maximum of three courses (9 credits). Students may be granted exemption for overlapping courses in excess of 9 credits but must choose substitute courses with the approval of Career and Professional Development. Courses cannot be counted more than twice.
2. Students may be concurrently registered in a certificate and degree program. Courses taken at the School of Continuing Studies and approved for the degree program by the Associate Dean, which also meet the requirements of the certificate, may also be counted toward completion of the certificate. This form of double counting between certificate and degree programs is limited to five courses. Courses cannot be counted more than twice.

D) Students admitted to degree or diploma programs after completing a certificate program:

Students who apply for admission to a degree or diploma program after having completed a certificate program may be granted Advanced Standing at the discretion of the Associate Dean of the faculty in which the degree or diploma is offered.

E) Special Students:

Please consult [School of Continuing Studies > Getting Started > Admission Requirements > Special Student Status > section 3.8.1: Undergraduate Courses](#) for more information pertaining to Special Students.

4.1.2.3.4 Course Terminology

Corequisites

This refers to academic course requirements that may be completed before or concurrently. In course terminology, this means that Course A is corequisite to Course B if Course A must be taken concurrently with (or may have been taken prior to) Course B. Corequisite courses must be respected for all courses - including all courses for which deferrals (L) have been granted.

Prerequisites

Admission to certain courses is restricted to students who have reached a certain level of knowledge by having completed other required work. In course terminology, this means that Course A is prerequisite to Course B if a satisfactory pass in Course A is required for admission to Course B. Prerequisite courses must be completed prior to course registration - including all courses for which deferrals (L) have been granted. Therefore, students are required to drop all courses in which they have obtained a grade of D, F, L, or J in the prerequisite and re-register for the prerequisite and corequisite as required.

The prerequisite course(s) or conditions are specified in the course description; see [University Regulations & Resources > Continuing Studies > Registration for Continuing Studies Students > section 1.3.3: Course Information and Regulations](#). Students must observe these prerequisites. If you fail to meet the prerequisite requirement, you will be denied permission to register in the course. Students unsure of their status with regard to a prerequisite must inquire at the School of Continuing Studies.

Note: Any student in violation of the above regulation may have the course in question immediately removed from their student record. Please note that this will affect course load, which may result in part-time registration status.

Required Courses

Programs may frequently comprise a number of required courses. In course terminology these represent mandatory courses that must be completed to fulfil the requirements of a program unless the student receives an exemption(s).

Complementary Courses

Programs may comprise a number of complementary courses. These are courses selected from a restricted list, a particular subject area, or a discipline. In some programs, students must include a number of these complementary courses to meet program requirements.

4.1.2.3.5 Program Corequisites

Certain programs require specific corequisites. These may be completed after admission to the program. It is highly recommended that students complete all corequisite courses for a program at the beginning of the program. Please note that all program corequisites must be completed in order to graduate from the program.

4.1.2.3.6 Course Load

All our programs are structured to be taken on a part-time basis. Therefore, students are advised to register for no more than two courses per term. If, however, a student with a special reason wishes to take a full-time load, the following conditions are applicable:

- A student would be permitted, if the schedule allows it, to register for a full load in the first term.
- If a student then has one failure, the course load will be reduced to three courses in the subsequent term.
- If a student has two failures, the course load would be reduced to two in the subsequent term.
- If a student has three failures, the course load would be reduced to one in the subsequent term and the student would not be permitted any further failures.
- If a student has accumulated four failures, the student will be asked to withdraw.

Note: The number of failures will be cumulative over the complete record. A failure is defined as being a grade less than C (55%) for any student pursuing an undergraduate certificate program. The only exception is CMSC 000 for which a failure is defined as being a grade less than B- (65%).

4.1.2.3.7 Information Sessions

Information sessions are held throughout the year. This is an opportunity for you to learn more about specific programs and courses and to talk to academic advisers. Members of the Career and Professional Development staff will be available to explain and discuss the requirements of the various programs and courses offered. Academic advisers and Academic Program Coordinators will be available at these sessions to answer your questions and you will be given the opportunity to meet with industry representatives, course lecturers, and instructors. Please call Career and Professional Development at 514-398-6200 for further information.

4.1.2.3.8 Independent Studies (Special Student Status)

Please consult [School of Continuing Studies > Getting Started > Admission Requirements > Special Student Status > section 3.8.1: Undergraduate Courses](#) for information pertaining to Special Students.

4.1.2.3.9 Time Limits

For a single certificate requiring ten courses (30 credits) the program must be completed within four years of initial registration. For corequisite certificates, the two certificate programs (20 courses, 60 credits) must be completed within eight years of initial registration. Where a certificate program requires more than 10 courses, the time limit will be adjusted accordingly. Time limits will be adjusted accordingly for those students who are granted Advanced Standing or who transfer from one program to another. Students exceeding the time limits may request an extension in writing to the undergraduate adviser. A recommended revision of the program of study must be approved by the Director.

Students who do not register for a course in their program for one year will be required to reapply, pay the application fee and meet any new program requirements.

4.1.3.1.1 Diplomas

4.1.3.1.1.1 Admission Requirements – Diploma Programs

To be admitted to a 30-credit diploma program, applicants must have an undergraduate degree from an approved university and meet the language requirements (see [section 4.1.3.2.2: Proof of Proficiency in English](#)). Some programs have additional requirements that are noted within the description of the specific program.

Applicants who have studied outside Canada are advised to request an evaluation of their degree, called an *Évaluation comparative des études effectuées hors du Québec*, from Quebec's *Ministère de l'Immigration, de la Diversité et de l'Inclusion*. Further details can be found on the web at www.immigration-quebec.gouv.qc.ca/en/working-quebec/comparative-evaluation/index.html, or by calling 514-864-9191. This equivalency evaluation may be required along with an official transcript when applying for admission. Applicants should be aware that educational credentials obtained at non-Canadian institutions will also be assessed for equivalency with a McGill University degree. Consequently, a grade point conversion system is applied to programs that use different grading systems other than that utilized by McGill University. Therefore, any cumulative undergraduate average or Standing that is not reported on a CGPA scale of 4.0 will have to be converted to a CGPA scale of 4.0.

Please see [section 4.1.3.5: Career and Professional Development Programs with a Minimum CGPA Requirement](#) for further details on applying to a program with a CGPA below the indicated required minimum.

4.1.3.2.4 Academic Advisers

General advising information for the School of Continuing Studies can be obtained by calling one of our **Client Service Representatives** at 514-398-6200 during regular business hours, or by sending an email to info.conted@mcgill.ca.

The Client Services Office welcomes walk-ins during regular business hours to obtain general advising or to meet with an academic adviser.

Please note that a pre-scheduled appointment is preferred so we can better address your queries and prioritize your appointment over walk-ins. Learners are recommended to contact Client Services well ahead of admission deadlines and registration peak periods for assistance, as academic advisers have a high influx of learners during those periods and the wait time may be longer.

4.1.3.2.5 Advanced Standing for the Diploma Programs

Students transferring to McGill University from another university may be awarded Advanced Standing of up to 30% of the courses in any one degree program for successfully completed equivalent **graduate-level** courses with a minimum grade of B- done at another recognized university within the last five years.

Students may apply for admission to, and register in, more than one program concurrently. Where program course requirements overlap, credits may be granted up to a maximum of three courses (9 credits). Students may be granted exemption for overlapping courses in excess of 9 credits but must choose substitute courses with the approval of Career and Professional Development.

Students who apply for admission to a degree or diploma program after having completed a certificate program may be granted Advanced Standing at the discretion of the Associate Dean of the faculty in which the degree or diploma is offered.

Please consult [School of Continuing Studies > Getting Started > Admission Requirements > Special Student Status > section 3.8.2: Graduate Courses](#) for information pertaining to Special Students.

Diploma in Management

Students who have completed equivalent post-graduate level courses with a minimum grade of B- at a recognized university may apply for a transfer of credits. A maximum of three courses (9 credits) may be credited for post-graduate courses taken outside the program in which they are registered. These courses must have been completed within the last five years. Students are required to complete the remaining courses at McGill University in order to be eligible for the program.

Graduate Certificates

Students who have completed equivalent post-graduate level courses, including corequisite and prerequisite courses, with a minimum grade of B- at a recognized university may be granted a maximum of 3 credits (one course). This course must have been completed within the last five years. Students must complete 12 credits (four courses) in the Graduate Certificate at McGill University. Students completing two graduate certificates may only double count 3 credits.

4.1.3.2.5.1 Supplementals for all Programs

Please note: Supplemental examinations are not available for courses offered by Career and Professional Development (i.e., if a student fails a course he/she must repeat it).

4.1.3.2.6 Academic Standing Regulations

4.1.3.2.6.1 Diploma Programs

1. Students must complete all courses with a minimum passing grade of B-. This includes all required courses, elective courses, corequisite courses, prerequisite courses, and courses outside the program to which the student has been admitted. Students will be allowed to fail no more than two courses. On the third failure, students will be asked to withdraw from the program immediately. In this context, an unsatisfactory grade is deemed to be any grade below that of a B-. Please note that even if an unsatisfactory grade is improved by means of repetition of the course(s), the original grade remains on the student's record and counts toward the total number of unsatisfactory grades.
2. Students have a maximum of four years to complete the Diploma in Management.

4.1.3.2.6.2 Graduate Certificates

1. Students must complete all courses, including corequisite, prerequisite, required, and complementary courses, with a minimum passing grade of B-. Students will be permitted a maximum of one failure. On the second failure, students will be asked to withdraw from the program immediately. In this context, an unsatisfactory grade is deemed to be any grade below that of a B-. Please note that even if an unsatisfactory grade is improved by means of repetition of the course(s), the original grade remains on the student's record and counts toward the total number of unsatisfactory grades.
2. Students have a maximum of two years to complete a graduate certificate.

4.1.3.2.6.3 Special Students

Special Students must meet all academic and language requirements stipulated by Career and Professional Development and must complete all courses, including corequisite and prerequisite courses, with a minimum passing grade of B-. Students will be permitted a maximum of two unsatisfactory grades on their academic record. Students who obtain three unsatisfactory grades will be asked to withdraw from Career and Professional Development immediately. In this context, an unsatisfactory grade is deemed to be any grade below that of a B-. Please note that even if an unsatisfactory grade is improved by means of repetition of the course(s), the original grade remains on the student's record and counts toward the total number of unsatisfactory grades.

Students who fail to comply with the minimum standards set by Career and Professional Development may not continue in their program, may not take courses as a Special Student, and will have their registration cancelled. Once a student is asked to withdraw he/she will not be permitted to register in other courses or programs in Career and Professional Development, nor will they be permitted to exercise deferral privileges for the following term.

McGill University's School of Continuing Studies affirms the right of students to dispute substantive or procedural academic matters, including decisions about the student's continuation in a program. Students may likewise dispute decisions that concern the application of academic regulations and requirements to students. A formal academic appeal must be made in writing directly to the Career and Professional Development Appeal Committee. This request must be accompanied by supporting documentation which substantiates reinstatement.

4.1.3.2.6.4 Time Limits

For a single diploma requiring 30 credits, the program must be completed within four years of initial registration. For a single graduate certificate program requiring 15 credits, the program must be completed within two years of initial registration. Time limits will be adjusted accordingly for those students who are granted Advanced Standing, or who transfer from one program to another. Students exceeding the time limits may request an extension, in writing, to the graduate adviser. A recommended revision of the program of study must be approved by the Director.

Students who do not register for a course in their program for one year will be required to reapply, pay the application fee and meet any new program requirements.

Corequisite

This refers to academic requirements that may be completed before or concurrently. Corequisite courses must be respected for all courses – including all courses for which deferrals (L) have been granted.

Corequisites for Programs

Certain programs require specific corequisites. These may be completed after admission to the program. It is highly recommended that students complete all corequisite courses for a program at the beginning of the program. Please note that all program corequisites must be completed in order to graduate from the program.

Prerequisites for Courses

Admission to certain courses is restricted to students who have reached a certain level of knowledge by having completed other required work. In course terminology, this means that Course A is prerequisite to Course B if a satisfactory pass in Course A is required for admission to Course B. The prerequisite course(s) or conditions are specified in the course descriptions. Students must observe these prerequisites. If you fail to meet the prerequisite requirement, you will be denied permission to register in the course. Students unsure of their status with regard to a prerequisite must inquire at the School of Continuing Studies. Prerequisite courses must be completed prior to course registration - including all courses for which deferrals (L) have been granted. Therefore, students are required to drop all courses in which they have obtained a grade of D, F, L, or J in the prerequisite and re-register for the prerequisite and corequisite as required.

Note: Any student in violation of the above regulation may have the course in question immediately removed from their student record. Please note that this will affect course load, which may result in part-time registration status.

Required Courses

Programs may frequently comprise a number of required courses. In course terminology these represent mandatory courses that must be completed to fulfil the requirements of a program unless the student receives an exemption(s).

Complementary Courses

Programs may comprise a number of complementary courses. These are courses selected from a restricted list, a particular subject area, or a discipline. In some programs, students must include a number of these complementary courses to meet program requirements.

Course Load

All our programs are structured to be taken on a part-time basis. Therefore, students are advised to register for no more than two courses per term. If, however, a student with special reason wishes to take a full-time load, the following conditions are applicable:

- A student would be permitted, if the schedule allows it, to register for a full load in the first term.
- If a student then has one failure, the course load will be reduced to three courses in the subsequent term.
- If a student has two failures, the course load would be reduced to two in the subsequent term.
- If a student has accumulated three failures, he/she will be asked to withdraw.

A failure is defined as being a grade less than B- (65%).

Information Sessions

Information sessions will be held throughout the year. Please refer to the School of Continuing Studies website for the precise dates. These sessions will give you an opportunity to learn more about specific programs and courses. Academic advisers and Academic Program Coordinators will be available at these sessions to provide you with details on program requirements, admission procedures, etc. We urge you to attend these sessions if you are planning to take courses in the upcoming term.

4.1.3.3 Engineering – Graduate Level

It is the responsibility of the student to read, understand, and abide by the regulations and procedures in this publication.

Academic Standing

A minimum grade of C is required in all required courses. A grade of D will be allowed in one elective course that is not a prerequisite to other courses taken in the program. Students may repeat failed courses only once. A minimum Cumulative Grade Point Average (CGPA) of 2.00 is required to be placed in Satisfactory Standing.

Time Limits

Thirty-credit programs taken on a part-time basis must normally be completed within five years of admission to the program. Programs taken on a full-time basis must normally be completed within 28 months of admission to the program. Students exceeding time limits may request an extension, in writing, which may be granted under special circumstances with the approval of the Director. Students who do not register for any course in their program for one year will be required to re-apply, meeting any new program requirements.

The time limit for completion of the 60-credit Certificate in Education for First Nations and Inuit is 12 years. The University reserves the right to request that a student retake a course or courses after a five-year period if it is felt that too long a break has occurred in the ongoing nature of the training.

If a student fails this component of the program, the student will be required to withdraw from the program, but may appeal to the Internships and Student Affairs Office for readmission. Satisfactory progress in the student's coursework is a prerequisite for placement in the Practicum.

Students should note that courses taken more than five (5) years ago will not be recognized for Advanced Standing. Permission must be obtained from the Director concerned. 4.4.2.2 Certificate of Proficiency – English for Professional Communication Overview

This 30-credit program is aimed at the community at large, including the employees of McGill University.

4.4.2.2.1 Certificate (Cert.) Proficiency - English for Professional Communication (30 credits)

This award-winning part-time certificate program has been designed to enable students to master English oral and written linguistic and communication skills necessary to function effectively in a professional anglophone environment.

The program is the equivalent of one year of full-time university studies, requires the completion of ten 3-credit courses, and starts at the low-intermediate level (courses CEEN 211 and CEEN 212). Students with a basic or an elementary knowledge of English will need to complete zero-credit prerequisite courses before entering the program. The overall program structure is divided into two modules:

- 1) The Zero-Credit Module comprises three prerequisite courses (one at the basic level and two at the elementary level) of 48 hours each.
- 2) The Credit Module consists of ten 3-credit courses of 39 hours each. It includes courses at the 200, 300, and 400 levels.

The program is offered three times a year: in Fall and Winter for a period of 12 weeks (Zero-Credit Module) and 13 weeks (Credit Module), and in Spring for a period of nine weeks. Courses are offered during the evening and on Saturday mornings.

Every student registered in a credit or zero-credit course has exclusive access to online pedagogical material and other resources through the myCourses platform. This allows students to participate in virtual projects and/or reinforce their language training on an individual basis and at their own pace. The communication tools integrated in myCourses further consolidate the individual pedagogical support offered by the lecturer.

The program leads, under certain conditions, to the Certificate of Proficiency - English for Professional Communication. See School of Continuing Studies > Areas of Study > Languages > English Language Programs > Certificate of Proficiency - English for Professional Communication Overview > Certificate of Proficiency – English for Professional Communication: Academic Regulations.

The level of this certificate corresponds to the Advanced Level recognized by the American Council on the Teaching of Foreign Languages (ACTFL).

4.4.3.2 Certificate of Proficiency – French for Professional Communication Overview

This 30-credit program is aimed at the community at large, including the employees of McGill University.

4.4.3.2.1 Certificate (Cert.) Proficiency - French for Professional Communication (30 credits)

This award-winning part-time certificate program has been designed to enable students to master, in both oral and written French, the linguistic and communicative skills necessary to function effectively in a professional francophone environment.

The program is the equivalent of one year of full-time university studies, requires the completion of ten 3-credit courses, and starts at the low-intermediate level (courses CEFN 211 and CEFN 212). Students with a basic or an elementary knowledge of French will need to complete credit prerequisite courses before entering the program. Those credit courses won't be accepted as part of the Certificate. The overall program structure is divided into two modules:

- 1) The Preparatory Module comprises four prerequisite courses (one at the basic level and three at the elementary level) of 39 hours each.
- 2) The Intermediate and Advanced Credit Module consists of ten 3-credit courses of 39 hours each. It includes courses at the 200, 300, and 400 levels.

The program is offered three times a year: in Fall and Winter for a period of 13 weeks (Preparatory and Intermediate and Advanced Credit Modules). In Spring, both Modules last nine weeks. Courses are offered during the evening and on Saturday mornings.

Every student registered in a credit or non-credit course has exclusive access to online pedagogical material and other resources through the myCourses platform. This allows students to participate in virtual projects and/or reinforce their language training on an individual basis and at their own pace. The communication tools integrated in myCourses further consolidate the individual pedagogical support offered by the lecturer.

The program leads, under certain conditions, to the Certificate of Proficiency - French for Professional Communication (see "Academic Regulations"). The level of this certificate corresponds to the Advanced Level recognized by the American Council on the Teaching of Foreign Languages (ACTFL). For information on term dates, please refer to the Department's website.

4.5 McGill Community for Lifelong Learning

4.5.1 About the McGill Community for Lifelong Learning (MCLL)

4.5.1.1 The McGill Community for Lifelong Learning (MCLL)

MCLL is primarily for people of retirement age who want to continue learning for the joy of it, and share their knowledge, ideas and experience with others. Whatever your interests or educational background, if you are intellectually curious, you will enjoy expanding your knowledge with others in a friendly and stimulating environment. You will also make new friends and have the satisfaction of being a student again in the surroundings of a university—with no exams!

Key to MCLL's sense of community is the commitment of members who, in addition to attending study groups, contribute their time in other ways. Members provide the team of moderators and lecturers, serve on the elected Council and committees, and take care of many administrative tasks.

The two cornerstones of learning at MCLL are peer learning and active participation. It is these principles that differentiate our programs from traditional university courses and classes. You will have the opportunity to choose from 30 to 50 study groups in a broad range of topics such as art, music, culture, literature, history, politics, health and science. There are also workshops on computer skills.

Our home base is at 688 Sherbrooke Street West (corner of University), part of the McGill downtown campus.

4.5.1.3 Administrative Officers

MCLL Administrative Officers

Ana Milic

Program Coordinator

Sally Cooper

Administrative Coordinator

4.5.1.4 Self-Administration

MCLL is self-administered by a Council elected by its members. The Council works in collaboration with the School of Continuing Studies. There are various committees, managed by the Council, to which many members contribute their talents. The committees are: Curriculum, Development, Planning, Special Events, Newsletter, Membership, and Communications. In addition, many members contribute to the day-to-day administration of the Institute.

MCLL is governed according to its bylaws, approved by the University Senate and Board of Governors. Full details are described in the [McGill Community for Lifelong Learning Member Handbook](#).

4.5.2 MCLL Schedule

MCLL study groups meet for a term of ten weeks (two hours per week, per subject) in Fall, Winter, and Spring.

Classes for 2021–2022 are tentatively scheduled as follows:

- **April 14 to June 18**
- **July 1 to August 20**
- **September 14 to November 19**
- **January 11 to March 18**

4.5.3 Study Group Subjects

Each semester 25–60 study groups are offered, which cover a wide range of subjects, such as:

- art and architecture
- computer skills
- creative writing
- current events
- film studies
- history
- literature
- music
- philosophy
- psychology
- science and society

and other topics.

Many topics are interdisciplinary. The Curriculum Committee welcomes proposals for new study groups and is also ready to help moderators prepare proposals.

4.5.4 Special Events

In each study group, you will meet other adult learners who have similar interests and a keen sense of curiosity. In addition, there are various social and educational special events that are organized by and for the membership during the Fall, Winter, and Spring terms. These additional events introduce you to many more members who, like you, have a sense of curiosity and determination to exercise it.

Special events that have been organized in the past include lectures by McGill faculty, outings to the Macdonald campus and Botanical Gardens, and luncheons to celebrate the holiday season.

4.5.5 Registration

A detailed calendar of study groups is available on the web prior to the beginning of each term. Online registration is available and recommended.

Go to our website: mcgill.ca/continuingstudies/mcgill-community-lifelong-learning to view the calendar. To receive the calendar by mail, please contact us:

Telephone: 514-398-8234

Email: mcll.scs@mcgill.ca

4.5.5.1 Membership Fees

Because MCLL is grounded in a strong sense of community and because there are many activities offered outside of the study groups, members pay a membership fee rather than a fee for each individual study group. This fee entitles you to participate in study groups for the duration of the semester, includes McGill library privileges, and allows you to attend other special activities.

The current membership fee is \$110 per semester. Throughout the year we also hold a variety of lectures. Members can attend these lectures for a \$10 fee.

Please note: Fees are subject to annual review.
