The Schulich School of Music offers a range of prestigious scholarships based on academic and performance achievements. The Schulich Scholarship, the Lloyd Carr-Harris String Scholarship, the Student Excellence Award, and the Derek H. Davis Scholarship are renewable awards valued between \$2,000 and \$12,000 granted at the time of admission. In addition, we have introduced two new entrance scholarships that may be renewable, the Mills-Tyrrell Best in the West Entrance Scholarship and the Lalonde Scholarship in Jazz. There is no application process for these scholarships. Students who are newly admitted in a Bachelor of Music (B.Mus.) or Licentiate in Music (L.Mus.) program will automatically be considered for these renewable awards and other types of entrance scholarships.

In addition to the renewable scholarships, the Schulich School of Music offers an extensive list of merit-based awards and prizes for returning B.Mus. and L.Mus. students. No application is required for these merit-based awards. These awards are given on the basis of a student's record for the academic session ending in April and are tenable during the following academic year beginning in September. Students must have successfully completed a minimum of 27 graded credits, excluding summer courses and courses completed under the Satisfactory/Unsatisfactory (S/U) option, in the academic year preceding the award. Most scholarships are disbursed twice a year, once at the beginning of Fall term and the other at the beginning of Winter term. The awards will only be released on the condition that the student is enrolled full-time at McGill University. Students whose records contain outstanding incompletes (K or KE grade) or deferrals (L grade) will not be considered for these scholarships.

Detailed scholarship opportunities for new and returning students can be found in Music Tuition and Funding. mcgill.ca/music/resources/undergraduate/finance.

The Schulich School of Music also offers a range of competitions for students across all music disciplines. Winners for these competitions may receive funding to support travel, projects, research, and performance opportunities. See Competitions and Prizes page at mcgill.ca/music/resources/competitions-awards for detail.

The Scholarship and Student Aid Office administers other types of financial aid in support of music students' learning activities. See Scholarships and Student Aid mcgill.ca/studentaid for detailed information on financial support open to McGill students.

You are invited to register for a tour of the Schulich School of Music, led by a current Schulich student. To do so, please visit the following page, where you can also view other upcoming events of interest: mcgill.ca/music/admissions/visits. All information is confidential and will be used solely for Schulich School of Music recruiting purposes.

4.1 Application Procedures

All inquiries regarding admission should be directed to:

Music Admissions Office
Schulich School of Music, McGill University
555 Sherbrooke Street West

Montreal QC H3A 1E3
 Telephone: 514-398-4546
 Fax: 514-398-8873
 Email: undergraduateadmissions.music@mcgill.ca

Full information, including access to the web-based application form, is available at mcgill.ca/music/admissions.

In order to ensure proper consideration, web applications for the Fall Term (September) must be submitted by **January 15**. The School does not normally admit students in the Winter Term (January). Please consult the Music Admissions Office for exceptions. Applications received after these deadlines will be considered if places are still available.

1. **Application information** should include detailed descriptions of the applicant's musical background, training, and statement of intent—including diplomas, certificates, and/or transcripts;
2. Applicants applying to the Music Education concurrent program are asked to submit a second letter of recommendation. References for Music Education should comment on an applicant's potential to be a music teacher;
3. All **supporting documents** for undergraduate applications can be submitted online—see mcgill.ca/music/admissions/undergraduate/materials for required materials;
4. Once an admission decision is made, **official transcripts** are required to complete the admission file;
5. All screening (due **January 15**) and recorded auditions (due **February 1**) should be submitted electronically directly to the Schulich School of Music: forms.music.mcgill.ca/audition.

Applicants are advised that satisfying the entrance requirements does not guarantee admission where instrumental and/or program places are limited.

4.2 Music Entrance Requirements

The minimum music entrance requirements are the equivalent of McGill Conservatory Collegial I Instrument or Voice (Performance applicants: Collegial II) and Secondary V Theory and Ear Training.

Approximate Equivalents to Entrance Requirements in Practical Subjects (McGill Conservatory Collegial I – Instrument/Voice)

Quebec CEGEPs	CEGEP II
Toronto Conservatory	Grade 9
Western Board	Grade 9
Mount Allison	Grade 9
Associated Board of the Royal Schools of Music	Grade 7

The above listing is intended only as a general guide. Admissibility to any program is determined by audition and academic record. Students wishing to major in Performance should be approximately two years more advanced, and be able to demonstrate potential as performers at their audition.

All applicants in all **jazz instruments** who select the on-campus audition option on their application form will be required to submit screening video material for preselection by **January 15**. Following a review of these recordings, selected applicants will be invited to attend a live audition. No live audition will be scheduled in any jazz instrument until recordings have been received and reviewed. All applicants must perform an audition of approximately 15 minutes in duration. The student should choose material that will represent different musical periods and reveal musicianship and technical proficiency to their best advantage.

Consult the Music Admissions' website at mcgill.ca/music/admissions/undergraduate/auditions for specific information on entrance audition requirements and dates.

All applicants who apply to an undergraduate music research or performance program at McGill must play an instrument (including voice) and audition. Applicants have the option of attending an on-campus audition or submitting a recorded video audition. One does not take priority over the other. All applicants have equal opportunities for admissions.

Applicants for **Composition** are asked to submit two or three samples of their written work. In addition to the statement of intent, composition applicants are asked to submit a brief written statement (1-page) or recorded video (max 3-minutes), that discusses their musical background and the compositions they have submitted in their portfolio.

Music Education applicants are asked to outline reasons for wishing to enter the Music Education field in their statement of intent, and have a letter of reference sent from someone attesting to their suitability for teaching.

All screening, audition recordings and composition samples should be submitted electronically to the Schulich School of Music. Please consult the Music Admissions' website at mcgill.ca/music/admissions/undergraduate/materials for instructions on how to submit this material.

4.3 Academic Entrance Requirements

4.3.1 Bachelor of Music

An applicant's entrance audition and academic record are considered when making an admission decision. As a limit is placed upon the number of students who are admitted for study in a particular instrument or program, fulfilment of the minimum entrance requirements does not guarantee acceptance. Proof of English proficiency may be required of non-Canadian students whose mother tongue is not English. It is the applicant's responsibility to make the necessary arrangements to take these exams before the application deadline. TOEFL, IELTS, and Duolingo English Test are accepted exams.

4.3.2 CEGEP Applicants

Students are expected to obtain the Quebec Diploma of College Studies (*Diplôme d'études collégiales* (DEC)) in the Music Concentration or equivalent. Applicants with a DCS/DEC in a field other than Music must have the equivalent Music prerequisites and/or performance experience. The minimum overall average required is 75%. CEGEP graduates are considered for admission to a three-year or a four-year program.

4.3.3 Canadian High School (excluding Quebec) Applicants

Applicants are expected to obtain a high school graduation diploma that leads to university admission in the student's home province. Ontario high school students are normally expected to have obtained a minimum of six pre-university (4U, 4M) courses; at least four of the six must have been taken at the 4U level. There are no specific non-Music prerequisite courses required, and the minimum overall average should be 75%. Canadian high school graduates are admitted to a four-year program.

4.3.4 U.S. High School Applicants

Applicants are expected to obtain a high school graduation diploma that meets the requirements for university/college admission in the U.S. The minimum overall average required is B+. There are no specific non-Music prerequisite courses, SAT, or Achievement Test results required. Some credit will be granted for Advanced Placement Examinations in appropriate subjects. U.S. high school graduates are admitted to a four-year program.

4.3.5 International Applicants

In general, applicants must be eligible for admission to university in their country of origin and have above-average grades. Students who have completed an International Baccalaureate, a French Baccalaureate, or a minimum of three GCE "A" (Advanced) Level examinations are considered for admission into a three-year program. Normally, applicants with five GCE "O" (Ordinary) Level results, plus one year of schooling beyond the Ordinary Level, are admitted to a four-year program. Applicants with qualifications from other systems will be considered for either a three-year or a four-year program.

4.3.6 Transfer Students

Transfer students are considered on the basis of both their university or college work and previous studies. Normally, students are expected to complete a full year of university studies prior to applying for admission, and to be in good standing as defined by the university previously attended. The minimum overall average required is a CGPA of 3.00. Transfer credits for non-Music courses in which a grade of C or better has been received are granted following an evaluation of the student's transcript. Transfer credits, with certain restrictions, are granted for music complementary or elective courses following an evaluation of the student's transcript (a higher grade may often be required). Transfer students must complete a minimum of 60 credits at McGill in order to obtain a degree.

4.3.7 Mature Students

Applicants who are at least 21 years of age and are Canadian citizens or Permanent Residents at or before registration, who have not met the high school or CEGEP academic requirements, and who are able to demonstrate exceptional talent in their discipline may be considered for admission. Such applicants may reside anywhere in Canada. All available academic/educational documents must be submitted. An interview may be required.

4.3.8 Special Students

Special Students do not need to fulfil any of the academic requirements outlined previously, but are required to have the necessary music prerequisites for the courses concerned. The minimum requirement is a bachelor's degree in music or equivalent. Registration is subject to the availability of space in the course(s) concerned. Special Students are normally not entitled to lessons in an instrument or in voice. Registration is permitted for one year only, after which time the student must apply for admission to either a degree or diploma program.

4.3.9 Visiting Students

Individuals wishing to take courses at McGill for credit at another university may be admitted as Visiting Students provided they have the prerequisites for the course(s) concerned and have official permission from their home university.

4.4 Diploma Programs

4.4.1 L.Mus. (All Applicants)

For admission to the Licentiate program, the applicant must have completed secondary school. The applicant's music qualifications must be equivalent to McGill Conservatory Collegial II Instrument or Voice and Secondary V Theory/Ear Training. An entrance audition is required. This program is normally three years in length. The Licentiate diploma is also an excellent option for applicants who may have completed a non-music degree(s) and wish to pursue performance studies before applying to a graduate program.

4.5 Music Placement Examinations

All new Bachelor of Music or Licentiate in Music students, including students from other faculties who are interested in pursuing a music minor with prerequisites, may sit diagnostic placement examinations in theory (courses with MUTH or MUJZ prefixes) and musicianship (courses with MUSP prefixes) if they wish to register for 200-level courses in these subjects. Placement examinations take place once a year during the Summer.

Students may also be exempt from MUHL 186 Western Musical Traditions or MUJZ 187 Jazz History Survey if they have successfully completed equivalent history courses at another college or university, or have passed the Royal Conservatory of Music (RCM) History exam. See [Transfer Credits FAQs](#) for more information.

For a precise schedule and exam descriptions, refer to [Placement Exams](#).

4.6 Readmission

Students who are not on a Leave of Absence, and have no course registrations in Fall and/or Winter semester are considered inactive students. In order to continue in the program, they must submit a program readmission request before the application deadline for the semester when they wish to resume studies. In certain cases, students may be required to pass another audition before they can be readmitted in the program.

Detailed information on readmission policy and application procedure for Bachelor of Music and Licentiate in Music programs are found in Music's Program Transfer and Readmission [website](#).

4.7 Tuition Fees, Practical Instruction Fees, and Lesson Quotas

The typical annual tuition fee for a Bachelor of Music (B.Mus.) or Licentiate in Music (L.Mus.) student can be found on the Student Accounts [website](#).

B.Mus. and L.Mus. students who are registered in practical instruction (MUIN courses) have Music Private Lesson Fee added to the regular per-credit tuition fee rate. The current fee rate for the Music Private Lesson Fee is found in [Schulich School of Music fees](#). When a student is registered for practical instruction, such as MUIN 180 (3 credits), they will be billed the per-credit tuition fee rate for 3 credits plus the Music Private Lesson Fee for one semester of private lessons, which equates to 13 weeks of 1-hour private instruction with the instrumental or vocal teacher.

Each music program has a practical instruction quota for different student categories. See Table 1: Practical Instruction Quota for detail. Students may request an additional year of practical instruction in addition to the required practical instruction in their program. This additional year of practical instruction can be taken as elective lessons (MUIN 110, MUIN 111) and may be used to fulfill the elective requirements in a B.Mus. program. Elective lessons are optional and are billed the same way as required practical instruction in a program. More information on elective lessons is found on Schulich School of Music [Electives website](#).

Students may request a second year of elective lessons (MUIN 210, MUIN 211) beyond the program's practical instruction quota by permission of the Department of Performance. Practical instruction taken above the program's practical instruction quota will be subject to a post-quota Music Supplemental Private Lesson Fee in addition to the regular fees associated with practical instruction.

Table 1: Practical Instruction Quota

Voice Coaching (MUIIN 300, MUIIN 301) is available at the per-credit rate for a maximum of two terms for full-time B.Mus. Voice Performance and L.Mus. Voice students only. The Music Private Lesson Fee is waived for these two MUIIN courses.

Students taking practical instruction (MUIIN 270, MUIIN 271, MUIIN 273, MUIIN 274, MUIIN 276, MUIIN 302, MUIIN 303, MUIIN 304, MUIIN 305) in the Minor in Early Music Performance and the Minor in Jazz Performance will be charged the per-credit tuition plus the Music Private Lesson Fee.

Students cannot register for practical instruction on Minerva. They must submit a practical instruction request every year to request private lessons to be added to their records. Visit the [Practical Instruction website](#) for application details.

- [section 5.12.3: Reassessments and Rereads](#)
- [section 5.13: Graduation Requirements](#)
- [section 5.13.1: Graduation Honours](#)

5.1 General Academic Requirements

Students are required to be punctual at all classes and lessons. Grades in academic subjects are calculated on the basis of class work, examinations, and other course-related tasks as described in the class syllabus. Students risk failure in the subject concerned if they miss examinations or class work without a valid excuse provided in a timely manner.

We strongly recommend that students follow the sample course sequence published on their respective program's website at mcgill.ca/music/programs so they can complete program requirements within the standard four-year time frame (B.Mus. students) or three-year time frame (L.Mus. students). It is particularly important for students to pass the required core courses in a timely manner and in strict sequence, as they provide structured training in the professional competencies crucial to your success in our programs and in the field of music. Students who do not pass their core courses or meet other program requirements according to the standard time frames risk not being permitted to register for lessons and/or ensembles until core courses and program requirements are completed. Students also risk delaying their graduation if they fail to complete the required courses in the recommended program sequence.

In general, C is the passing grade for a required course which is a prerequisite to another course in the program. Practical subjects and concentration courses in certain music programs have a higher minimum grade requirement. See Academic Requirements by Program for detail.

In addition, B.Mus. and L.Mus. students are required to attain a term grade point average (TGPA) of 2.0 in addition to keeping a cumulative grade point average (CGPA) of 2.0 in order to continue in the program. See Academic Standing for detail.

5.2 Academic Requirements by Program

In addition to the general academic requirements, the programs below have additional requirements students must abide by for successful program continuation.

B.Mus. Composition

All B.Mus. Composition students must attain a minimum grade of B- in all courses with MUCO prefixes in order to continue in the program.

The Composition area may recommend students to transfer to another B.Mus. program if they fail to meet this requirement. Students may consult with a Program Advisor to determine their eligibility to transfer to another B.Mus. program.

B.Mus. Performance

Students in all B.Mus. Performance programs must attain a minimum grade of B- in all practical instruction/exams and ensembles to continue in the program.

The faculty will issue students an academic warning if they fail to meet this requirement. Students having received a warning are permitted to continue in their admitted program providing they do not get another grade lower than B- in a practical instruction/exam (MUIN courses) and/or ensembles (MUEN courses) in subsequent terms. Students failing to meet these requirements will be asked to transfer to another program. Students may also consult with a Program Advisor to determine their eligibility to transfer to another B.Mus. program offered by the Department of Music Research.

B.Mus. Jazz Performance

All B.Mus. Jazz Performance students must attain a minimum grade of B- in all jazz (MUJZ) courses, as well as in all practical instruction/exams (MUIN courses) and ensembles (MUEN courses) to continue in the program.

The faculty will issue students an academic warning if they fail to meet these requirements. Students having received a warning are permitted to continue in the admitted program as long as they abide by the probationary conditions. Students failing to meet the probationary condition will be asked to transfer to the B.Mus. Faculty Jazz concentration program. They may also consult with a Program Advisor to determine their eligibility to transfer to another B.Mus. program offered by the Department of Music Research.

L.Mus. Programs

Students in all L.Mus. Performance programs must attain a minimum grade of A- in all practical instruction/exams (MUIN courses) and ensembles (MUEN courses) to continue in the program.

The faculty will issue students an academic warning if they fail to meet this requirement. Students having received a warning are permitted to continue in their admitted program providing they do not get another grade lower than A- in a practical instruction/exam and/or ensemble in subsequent terms. Students failing to meet these requirements will be asked to withdraw from the licentiate program.

5.3 Academic Standing

In addition to meeting the program-specific academic conditions stipulated above, students are expected to maintain Satisfactory Academic Standing for program continuation.

Academic Standing is based primarily on students' cumulative grade point average (CGPA), but may also be affected by their term grade point average (TGPA). Academic Standing, assessed after the end of each term, determines if students will be allowed to continue their studies in the next term and if any conditions will be attached to their registration.

Decisions about Academic Standing in the Fall term are based only on grades that are available in January. Grades for courses in which students have deferred examinations and Fall term grades for courses that span the Fall and Winter terms do not affect Academic Standing for the Fall term, even though they will ultimately affect students' Fall TGPA. Therefore, Academic Standings for the Fall term are designated as Interim and should be interpreted as advisory; moreover, Interim Standings will not appear on external transcripts. Interim Standing decisions are mentioned below only if the rules for them differ from those for regular Standing decisions.

Satisfactory/Interim Satisfactory Standing

Students in Satisfactory Standing may continue in their program.

- New students are admitted to Satisfactory Standing.
- Students with a CGPA of 2.00 or greater are in Satisfactory Standing.

Probationary/Interim Probationary Standing

Students in Probationary Standing may continue in their program, but must carry a reduced load (maximum 12 credits per term) and raise their TGPA and CGPA to return to Satisfactory Standing. They should see their Program Advisor to review their course options.

Students in Interim Probationary Standing may continue in their program, but should evaluate their course load and reduce it as appropriate. They are strongly advised to meet with a Program Advisor to review their program status before the add/drop deadline in each term.

- Students who were previously in Satisfactory Standing will be placed in Probationary Standing if their CGPA falls below 1.99.
- Students who were previously in Probationary Standing will remain in Probationary Standing if their CGPA falls between 1.50 and 1.99 and their TGPA is 2.50 or higher, although the TGPA requirement will not apply to the Summer term.
- Students who were previously in Interim Unsatisfactory Standing will be placed in Probationary Standing if their CGPA falls between 1.50 and 1.99 and their TGPA is 2.50 or higher.
- Students who were previously in Unsatisfactory Standing and who were readmitted to the Faculty by the Associate Dean (Academic and Student Affairs) will be placed in Probationary Standing if their CGPA is less than 2.00, but if they satisfy relevant conditions specified in their condition of readmission.

Unsatisfactory Readmitted Standing

Students who were previously in Unsatisfactory Standing and who were readmitted to the Faculty by the Associate Dean (Academic and Student Affairs) will have their Standing changed to Unsatisfactory Readmitted Standing. Their course load is specified in their letter of readmission, as are the conditions they must meet to be allowed to continue in their program. They should see a Program Advisor to discuss their course selection.

Unsatisfactory/Interim Unsatisfactory Standing

Students in Interim Unsatisfactory Standing may continue in their program, but should evaluate their course load and reduce it accordingly. They are strongly advised to meet with a Program Advisor to review their program status before the add/drop deadline in each term.

Students in Unsatisfactory Standing who have failed to meet the minimum standards set by the Faculty may not continue in their program and their registration will be cancelled.

Appeals for readmission by students in Unsatisfactory Standing should be addressed to the Associate Dean (Academic and Student Affairs) no later than the readmission application deadlines published on the website mcgill.ca/music/resources/undergraduate/academic-actions/program-transfer-and-readmission. Readmission will be considered only when proof of extenuating circumstances that affected academic performance can be provided (e.g., medical or other documentation). Students in Unsatisfactory Standing for the second time must withdraw permanently.

Normally, supplemental examinations are not permitted; however, students in Unsatisfactory Standing may appeal to the Associate Dean (Academic and Student Affairs) for permission to write a supplemental examination, clearly stating the reasons for special consideration and providing proof, as appropriate.

- Students will be placed in Unsatisfactory Standing (Winter or Summer term) or Interim Unsatisfactory Standing (Fall term) if their CGPA falls or remains below 1.50.
- For the Fall and Winter terms, students who were previously in Probationary, Unsatisfactory Readmitted, or Interim Unsatisfactory Standing will be placed in Unsatisfactory Standing if their TGPA falls below 2.50 and their CGPA is below 2.00.
- Students who were previously in Unsatisfactory Standing and who were readmitted to the Faculty by the Associate Dean (Academic and Student Affairs) who have not at least satisfied the conditions to attain Probationary Standing that were specified in the letter of readmission will be placed in Unsatisfactory Standing.

Incomplete Standing

Students will have an incomplete standing when there are no final grades assigned to incomplete courses from previous semester(s), such as deferred exam (courses with grade of "L"), approved extensions (courses with grade of "K"), or Supplementals.

Students with Incomplete Standings in the Winter or Summer term may register for the Fall term, but their Standing must be resolved by the end of the course change period for that term. Students whose Incomplete Standing changes to Satisfactory or Probationary may continue in their program. Students whose Standing changes to Unsatisfactory Standing may not continue in their program.

Students whose Standing changes to Unsatisfactory and who wish to ask for permission to continue in their program must make a request to the Associate Dean (Academic and Student Affairs) as soon as they are placed in Unsatisfactory Standing. Readmission will be considered only when proof of extenuating circumstances that affected academic performance can be provided (e.g., medical or other documentation).

Students whose Standing is still Incomplete by the end of the course change period should immediately consult with the [Music Student Affairs Office](#).

5.4 Ensemble Policy and Regulations**5.4.1 Preamble**

The ensemble program is designed to provide an enriched and cohesive curriculum in practical musicianship for every student. Much of this training is accomplished in ensembles (instrumental, choral ensemble, or specialized) for the duration of a student's studies.

Students are responsible for checking their program requirements carefully in order to verify and fulfil large and small ensemble requirements; the Performance Department does not follow the particular enrolment of any student's participation in their large or small ensembles.

Note: In some documentation, large ensembles are referred to as "basic" ensembles, and small ensembles are referred to as "assigned" ensembles.

For each program's large and small ensemble requirements, students should refer to the appropriate section of the eCalendar's *Music Undergraduate* section (all undergraduate and licentiate requirements are found under [section 6.2: Department of Performance](#) and [section 6.1: Department of Music Research: Composition; Music Education; Music History; Theory; Faculty Program](#). Graduate programs are found in the *Music Graduate and Postdoctoral Studies* section).

Small Ensembles:

Information on small ensembles for orchestral instruments can be found on the [Chamber Music website](#). Jazz majors should refer to the [Jazz Combos](#) section. Additional information on other types of small ensembles can be found on the [Other Ensembles](#) section of the School of Music's Ensembles website.

Students should refer to the [ensembles website](#) and the program description for clarification on ensemble requirements by program.

Note: In all cases where the term "director" of an ensemble is used, it is understood to mean the conductor, director, stage director, or coach of the ensemble.

The following policy and regulations apply to all students performing in all ensembles, large or small, required, complementary, or elective. They apply also to all students who have been assigned to an ensemble for any reason, including conducting students, composers- and arrangers-in-residence, and others.

5.4.2 Large Ensembles and Small Ensembles

For ensemble purposes, the orchestral instruments include:

- flute
- oboe
- clarinet
- bassoon
- saxophone
- french horn
- trumpet
- trombone
- tuba
- percussion
- harp
- violin
- viola
- cello
- double bass

Voice majors may choose from a group of vocal and choral ensembles appropriate to the level of their development.

In all programs which specify small ensembles, the following are considered small ensembles:

Small Ensembles

MUEN 540	Chamber Music Project 1
MUEN 541	Chamber Music Project 2
MUEN 553	Vocal Chamber Ensemble
MUEN 556	Introduction to Collaborative Piano 1
MUEN 557	Introduction to Collaborative Piano 2
MUEN 560	Chamber Music Ensemble
MUEN 562	Guitar Ensemble
MUEN 570	Jazz Combo
MUEN 574	Afro-Cuban / Brazilian Jazz Combo
MUEN 578	Song Interpretation 1
MUEN 579	Song Interpretation 2
MUEN 580	Early Music Ensemble

Small Ensembles

MUEN 581	Introduction to Ensemble Playing for Pianists
MUEN 582	Piano Ensembles
MUEN 584	Studio Accompanying
MUEN 585	Sonata Masterclass
MUEN 591	Brass Consort
MUEN 598	Percussion Ensembles

Note: Beethoven Orchestra (MUEN 567) does not count toward small ensemble credits.

5.4.3 Additional Ensembles

Additional ensembles chosen by students in non-performance programs to reflect their particular interests may, with departmental approval, be applied as music and/or free elective credit. Students in performance may apply a maximum of four ensemble credits as complementary performance courses. Students electing an ensemble will normally be required to participate in the ensemble placement auditions and will be placed accordingly.

5.4.4 Assignments and Auditions

Auditions for large and small ensembles are mandatory for participation in the ensemble. Information on all auditions for ensembles can be found on the [ensembles website](#).

Students who cannot participate in the ensemble auditions at the times indicated on the website must contact the ensemble resource supervisor at least two (2) weeks before the date of the audition. The students must submit—in writing—reasons for their lack of availability and, if applicable, submit a recording of their audition materials prior to the day of the auditions. If students miss an audition with an accepted reason, but do not deliver the audition materials to the department, or if students miss an audition for reasons unacceptable to the Performance Department, they will not be allowed to audition and their assignment will be left entirely to the discretion of the Performance Department. The students may also be subject to grade penalties in the ensemble to which they are assigned.

Students will be notified of their assignments by email from either their instructor or the Ensemble Resource Office. Reassignments may be made from time to time during a term and will be communicated to students. Students registered in an instrumental program who are not assigned a large ensemble following the ensemble placement auditions should take a choral ensemble as their large ensemble.

5.4.5 Commitment

Ensembles are courses. Each student who has registered for an ensemble, or who has been assigned to an ensemble, has made a commitment to the ensemble and is required to be available to attend all rehearsals, concerts, performances, field trips, recordings, and other activities, which constitute the course requirements of that ensemble. If rehearsals outside of class meeting times occur, advance notice will be given. These additional rehearsals will be avoided when possible.

5.4.6 Failing Grade

A failing grade in any of the ensembles (large, small, complementary, or elective) obliges the student to make up the credit during a later semester. A subsequent failure in the same course may result in the student being required to withdraw from the program.

5.4.7 Request to be Excused from a Rehearsal

Musicians are required to inform the Ensemble Resource Administrator at ensembles.music@mcgill.ca of any possible professional engagements before they get placed into ensembles. Any student who cannot attend a Large Ensemble rehearsal is required to fill out an [Absence Request Form](#) as soon as they learn of their conflict.

Note: For Opera McGill policies, please contact stephen.hargreaves@mcgill.ca. For jazz and early music large ensemble policies, please contact the instructor.

If a student has been excused for a rehearsal, they are responsible to find a substitute to cover their part during the absence, unless discussed with the Director.

Important: Only two absences in the entire concert cycle will be permitted (excused or unexcused); if a student foresees they will need to miss more than two rehearsals, efforts should be made to be reassigned into a different program. No permission is given to be excused from a dress rehearsal or the concert itself.

Missing more than two rehearsals per concert cycle will prevent the student from participating in that concert cycle. In such a situation, the student will either receive a lower grade, be reassigned to another program when possible, or be asked to complete additional work to make up for the missed concert cycle. If

a student has a legitimate excuse (e.g., an illness) that results in more than two absences, they should contact Student Affairs at studentaffairs.music@mcgill.ca to explore whether they are eligible for a late withdrawal.

Students who are unable to play/sing because of an injury or illness should still attend the rehearsal when possible.

Students who are experiencing academic or physical barriers and have a documented disability, mental health condition, chronic health condition, or other impairment are encouraged to register with [Student Accessibility and Achievement](#).

Absences or tardiness without an approved Ensemble Excuse Form will result in a final mark deduction as follows:

Excused absences (up to 2 per concert cycle) result in no loss of grade

A tardy* (10 minutes or less) to rehearsal without approval will result in loss of one grade point (i.e., B to B-)

An absence (more than 10 minutes late) without approval will result in the loss of one entire letter grade (i.e., A to B)

* Please note, arriving after or during the warm-up or the tuning note is considered tardy.

Students may be excused from a rehearsal of an ensemble for the following reasons; however, submitting a form with one of these reasons does not guarantee approval of a request:

Reason for Absence	Actions Required
<ul style="list-style-type: none"> Sickness, or emergency medical or dental work <p> Important Note: Any student who is experiencing pain while playing or singing should inform their practical teacher and the Director of their ensemble(s), and should seek appropriate medical attention. 5.4.8 Preparation

If the director of an ensemble is not satisfied with the quality of the student's preparation for rehearsals, the director shall first warn the student. This warning shall be communicated by the director to the Ensemble Resource Supervisor and Area Coordinator, who shall inform the student in writing. If, in the director's opinion, this lack of preparation continues, further action will be taken to remedy the situation.

For any particular performance, if—after a written warning to the student(s) with copies to the Ensemble Resource Supervisor, practical instruction teacher, Area Coordinator, and Department Chair—the director, in consultation with their sectional coaches, feels that the performance of a student or group of students will not meet a certain minimum standard established by the director, the director may cancel a student's participation in a performance.

Students who are required to withdraw from an ensemble for reasons of lack of preparation will be given a grade F, which will be reflected in their grade point average (GPA).

5.4.9 Withdrawal

Withdrawal for any reason obliges the student to make up the credit(s) during a later term.

5.4.10 Exemption from a Required Ensemble

In order to be given permission not to participate in a required ensemble for a term or part thereof, a student must meet one of the following four criteria:

1. The student must be a participant in a major national or international competition, or (in the case of voice students) be given a significant role with a recognized performing arts ensemble, and (in the case of all students) have completed the minimum number of required terms of the ensemble, and have the permission of:
 - their practical teacher;
 - the Area Coordinator;
 - the director of the ensemble; **or**
2. The student must have completed all program requirements except the final exam on their instrument; **or**
3. The student must have completed all musical requirements of their program, having only non-music and/or free electives remaining; **or**
4. The student must have a significant medical reason.

Note: Permission to not participate in a required or complementary ensemble for a term or part thereof is not an exemption and does not satisfy any credit requirements for a degree.

5.4.11 Rotation in Large Ensembles

When possible, and to help ensure equal opportunity and experience for students in the large instrumental ensembles, the seating of students in these ensembles may be rotated periodically throughout the term or year. The director of the ensemble, along with the guidance of the Area Coordinator and/or practical instruction teachers, will determine whether or not rotation is possible.

5.4.12 Transfer Credits

The previous ensemble participation of students coming to McGill from other universities will be recognized if their ensemble experience was similar to that required by the Schulich School of Music; determination of this experience will be approved by the Area Coordinator and the Department Chair. In general, transfer credit is made on a term-for-term basis (not by credits) and usually does not exceed two (2) terms. Students are normally not permitted to reduce the large ensemble training requirements of their McGill program to less than the number of terms required for them to complete the rest of their program. In such cases, transfer credit may be given as music and/or free elective credit for students in non-performance programs. Students in performance may apply a maximum of four credits as complementary performance courses.

5.4.13 Large Ensemble Extra Credits

Based on the admitted program, large ensemble credits accumulated above the minimum may be applied as music and/or free elective credits. In addition, students in performance may apply a maximum of four MUEN credits as complementary performance courses. Participation in additional large or small ensembles implies that the same policies will apply.

5.4.14 Performance Library

Students are responsible for the music that has been loaned to them for their use, and for its return in good condition to the Gertrude Whitley Performance Library. Students will be required to pay for the replacement of any music that has been lost, stolen, or damaged, and a hold on a student's Minerva account can be placed by the Performance librarian should music or fines not be handed in to the library.

5.5 Accompanist Program

Bachelor of Music (B.Mus.) and Licentiate in Music (L.Mus.) students registered for practical instruction (including elective practical instruction) in one of the eligible instruments may request Accompanist Funding for a designated set of hours. Further details are available from the Accompanist Funding Program [website](#).

5.6 Academic Category

All Music students are registered in one of the following categories:

Academic Categories

Major: B.Mus. candidates may choose one or more of several majors as described under [section 6: Browse Academic Units & Programs](#).

Faculty Program: a B.Mus. program which allows for cross-disciplinary studies. Students may combine another major or minor offered by the Schulich School of Music or other faculty in this program (see [section 6.1.4: Bachelor of Music \(B.Mus.\) - Faculty Program Music \(123 credits\)](#) and [section 6.1.5: Bachelor of Music \(B.Mus.\) - Faculty Program Music - Jazz \(123 credits\)](#)).

L.Mus.: Diploma programs are designed for advanced instrumentalists and singers who wish to concentrate on their practical subject.

Academic Categories

Special: those who are not proceeding towards a degree or diploma.

Visiting: those taking courses at McGill for credit towards a degree at another university.

Exchange: those taking courses at McGill as an exchange student from one of McGill's approved list of bilateral exchange partners.

5.7 Auditing

Students are not permitted to audit a course with credit(s) without officially registering. This includes ensembles (courses with MUEN prefix).

For information on auditing, see [University Regulations and Resources](#) > Undergraduate > Registration > : [Auditing of Courses](#).

5.8 Electives**5.8.1 Electives**

The Schulich School of Music has three types of electives in a Bachelor of Music (B.Mus.) program: non-music electives, music electives and free electives. An updated list of suggested electives for music students is found on the Electives [website](#).

5.8.2 Music Electives

Unless otherwise specified, any Music course that is not a required course in the student's program can be counted as a Free and/or Music Elective in the B.Mus. program subject to prerequisites, program restriction, and room in the course. Ensemble credits accumulated above the minimum may be applied as Free and/or Music Elective credits with limitations depending on the program.

Courses in a Music minor or second Music major can also count as Music electives

5.8.3 Non-Music Electives

Non-Music Electives are undergraduate-level courses administered by a faculty other than the Schulich School of Music. These may include arts and science courses such as French language, psychology, political science, computer science, etc. Students are permitted to take more than the assigned number of non-music electives in their program. Overflow of non-music electives in a Bachelor of Music (B.Mus.) program is counted as free electives.

Courses in a minor offered by Arts, Science and Management can also count as non-music and/or free electives.

5.8.4 Free Electives

Free Electives can be a mix of music and non-music electives.

5.9 Distance Education (Online) Courses

Students may take a maximum of 6 credits of non-Music elective courses taught through distance education toward their B.Mus. degree at McGill. Courses taught through distance education from institutions other than McGill will be approved as transfer credits under the following conditions:

- The course is given by a government-accredited, degree-granting institution acceptable to McGill.
 - The course must be assessed by the department which oversees the subject and be approved on McGill's Course Equivalency Database (see mcgill.ca/students/transferecredit/course-equivalency).
 - The course counts for credit toward degrees granted at the institution giving the course.
 - Prior approval for the course is obtained from the Music Student Affairs office.
-

5.10 Course Changes & Withdrawal

Students are permitted to change courses and/or sections of a course during the add/drop period in each term. This is referred to as the official Course Change period. Course and section changes are made by the student, using Minerva to access their record directly. Contact Music Student Affairs Office if you are unable to change a course or section. For more information, see [University Regulations and Resources](#) > Undergraduate > Registration > : [Course Change Period](#).

Late course change requests, including section changes, if approved, will be charged the applicable Late Course Change Fee. No charge will be made for late changes imposed by the Faculty. If students' registrations must be corrected after the Course Change period to bring their records into conformity with the courses they are actually taking, the students will be charged the late fee. For complete information on administrative fee charges and fines, please consult the [Student Accounts website](#).

Small ensembles such as chamber music (MUEN 560), jazz combo (MUEN 570) and early music (MUEN 580) have multiple sections based on group assignments at the beginning of each semester. It is students' responsibility to ensure they are registered in the correct ensemble section before the add/drop deadline. Failure to enroll in the accurate ensemble section will lead to a failing grade of J due to registration error.

Course Withdrawal

Students are not permitted to withdraw from practical instruction, practical exams (courses with MUIN prefixes) and/or ensembles (courses with MUEN prefixes) without instructor or departmental approval. For most other courses, students may withdraw from one or more courses on Minerva before the course withdrawal deadlines. In such cases, the student's mark in the course will be W. This grade does not affect the student's cumulative grade point average (CGPA). For more information, consult [Important Dates](#).

Depending on when the student withdrew from a course online, the student may be eligible for a refund. For information on the **Refund Policy**, consult [University Regulations and Resources > Undergraduate > Registration > : Course Withdrawal](#).

Late Course Withdrawal

Students are expected to abide by the University's course withdrawal deadlines. It is only under extenuating circumstances students may appeal for a course withdrawal after the course withdrawal without refund deadline. Late course withdrawal requests must be submitted before the end of the semester for which the course is taken.

5.11 Incompletes

At the discretion of the instructor, a mark of K (Incomplete) may be given to a student who, due to extenuating circumstances, has not finished the coursework on time. The deadline for completion and submission of the required work shall be set by the instructor but may not be later than four months after the K was given. If the final grade is not received within the specified timeline (as agreed by the instructor and student), the mark will be changed to KF (Incomplete Failed), unless an extension has been granted (KE). Completion of the course will cause the K to be replaced on official transcripts by the mark earned. Courses marked with a K do not get counted towards eligible credits for in-course scholarships consideration.

Students who did not withdraw from a course before the course withdrawal deadline, or abandon a course without formally withdrawing, will receive a grade of J; a failing grade for not successfully meeting the course requirements.

In exceptional cases, when research or an assignment cannot be completed for reasons beyond the student's control, students may be given permission by the Associate Dean (Academic and Student Affairs) to leave a course permanently Incomplete (without penalty). The symbol K will be replaced by KK, in which case the student's grade point average will be calculated without the inclusion of this course.

5.12 Examinations

The following information pertains to examinations for students in the Schulich School of Music.

5.12.1 Deferrals

Deferred examinations are permitted in the case of illness or other exceptional circumstances.

- Music students requesting a deferred examination in **academic courses** for a final exam offered during the official final exam period must submit the [Request for a Deferred Examination](#) in [Minerva](#).
- Students requesting a deferred examination in a **practical music examination** must email the [Performance Department](#) directly to re-schedule the exam.

Supporting evidence such as an appropriate medical note is required. The supporting documents must be submitted to the [Music Student Affairs Office](#) no later than five business days from the date of the final exam. For all exam deferral requests **except for practical music examination (practical exam with MUIN prefix)**, an L (deferred) will appear in place of a grade if the request is approved. The grade obtained in the deferred examination will replace the grade of L (deferred) on the official transcript.

Deferred examinations in academic courses without a final exam during the official exam period are given at the discretion of the instructor. A deferred examination in a Music practical examination will be held during the next examination period.

Deferred examinations in academic courses are normally held during the March Study Break for Fall term deferrals and in August for Winter Term deferrals. See the [Exams website](#) for more information. **It is the student's responsibility to check the date, time, and place of the deferred examination.**

A mark of L (deferred) not cleared by early May makes the student ineligible for in-course scholarships.

Students who are unable to write a deferred exam due to extenuating circumstance must contact the Music Student Affairs Office immediately to discuss the next steps. Deferred examinations cannot be written at a later date. Students who have failed to complete a deferred exam will have a final grade of J (absent), which will negatively impact TGPA/CGPA.

5.12.2 Supplemental Exams

Supplemental exams in Music courses may be given at the discretion of the instructor or the Department Chair. A student who receives a mark below 30% in a course is not permitted to take a supplemental examination but must repeat the course.

If an instructor or a Department Chair recommends a supplemental exam for Bachelor of Music (B.Mus.) and Licentiate in Music (L.Mus.) students, they are required to apply for a supplemental exam through Music's Student Affairs Office. B.Mus. and L.Mus. students do not submit the request using Minerva's supplemental examination request form. Final grade for a supplemental exam does not replace the original grade a student has received for the course.

Students are subject to a supplemental exam fee if the request is approved.

5.12.3 Reassessments and Rereads

Students may request reassessments of term work or rereads of final exams. In either case, students should first consult the instructor for clarification on an assessment and to request a possible grade adjustment if deemed eligible. If a satisfactory conclusion cannot be reached, students may contact the Student Affairs Office (studentaffairs.music@mcgill.ca) in writing to apply for a reassessment. A formal re-evaluation will be conducted by a qualified and impartial evaluator.

- Grades may either be raised or lowered as a result of a reread/reassessment; the final course grade following a reread/reassessment takes precedence, whether it is higher or lower.

Students must submit a reread/reassessment request by the following deadlines:

- March 31 of the subsequent year for fall courses;
- July 31 of the same year for winter courses; or
- November 30 of the same year for summer courses.

No late applications for rereads/reassessments will be accepted.

5.13 Graduation Requirements

1. The successful completion of all courses and proficiency requirements as specified in the candidate's program is required to meet graduation requirements. Students registered in two programs must fulfil all requirements for both programs. A minimum grade of C (or higher, depending on the program) must be achieved in all required courses, all complementary courses specified by course number, and all prerequisite or corequisite courses. A grade of D (non-continuation pass) is acceptable only in elective courses that are not prerequisite or corequisite to other required courses in the program.
2. Students must attain a minimum cumulative grade point average (CGPA) of 2.00 in order to graduate from a Bachelor of Music (B.Mus.) or a Licentiate in Music (L.Mus.).
3. For students with advanced standing and/or transfer credits, they are required to earn a minimum of credits in residence at McGill University (B.Mus.: 60 credits, L.Mus.: 48 credits) in order to be eligible to graduate.

For more information on applying to graduate, see mcgill.ca/graduation/applying.

5.13.1 Graduation Honours

For information on the designation of Dean's Honour List awarded at graduation, see [University Regulations and Resources](#) > Undergraduate > Graduation > Graduation Honours > : [Dean's Honour List](#).

For information on the designation of Distinction awarded at graduation, see [University Regulations and Resources](#) > Undergraduate > Graduation > Graduation Honours > : [Distinction](#).

Departments may recommend that students be awarded Outstanding Achievement in recognition of superior performance on an instrument or voice or in an academic discipline.

6 Browse Academic Units & Programs

The **Department of Music Research** offers undergraduate degrees (Bachelor of Music) in Music Composition, Music Education, Music History, Theory, and the Faculty Program. The Department also offers Minors in Music History, Composition, Music Education, Music Entrepreneurship, Music Theory, and two Minors in the area of Music Technology.

The **Department of Performance** offers undergraduate degrees (Bachelor of Music) in Performance, Early Music Performance, and Jazz Performance; diploma programs in Licentiate in Music; and Minors in Conducting, Early Music Performance, Jazz Arranging and Composition, and Jazz Performance.

6.1 Department of Music Research: Composition; Music Education; Music History; Theory; Faculty Program

At both the undergraduate and graduate levels, the Department embraces the disciplines of Composition, Music Education, Music History, and Theory; Music Technology and Sound Recording. The philosophy of the Department is to encourage integration of the disciplines as much as possible within the learning process in each program of study: the development of basic musicianship, the absorption of the grammar and syntax of musical discourse, and the study of the world of ideas are understood as interconnected.

Major programs offer the student some focus with the flexibility to pursue other areas of interest. The Faculty program is intended to offer an option for individual and creative plans of study. All of the Department's programs give a solid grounding in analytic, synthetic, and writing skills that are useful preparation not only for the music profession but also for professions as diverse as law, journalism, management, and librarianship.

The Music Education program combines an orientation towards a professional career in primary and secondary schools with sensitivity to broader intellectual frameworks against which teachers should understand their roles. This program is offered concurrently with the B.Ed., Music (see [section 6.3: B.Mus./B.Ed. Bachelor of Music and Bachelor of Education Concurrent Program](#)).

The Department also offers a Minor in Music Composition, a Minor in Music Education, Music Entrepreneurship, Music History, Music Theory, Musical Applications of Technology, and Musical Science and Technology to Music students and to students who seek to place their work in larger context. Several of the Minors are open to students from other faculties.

For each program, all courses listed are required courses unless otherwise indicated.

6.1.1 Bachelor of Music (B.Mus.) - Major Composition (124 credits)

The Bachelor of Music (B.Mus.); Major in Composition program offers students a solid grounding in the basics of classical music composition for instruments and voices, with or without electronics. This is achieved through lecture courses and tutorials (private composition lessons in the third and fourth years of the program). The study of topics related to music theory helps to hone students' compositional technique, while the study of topics related to music history helps to develop students' critical thinking skills. Free elective courses allow students either to focus on an area of secondary interest as a minor degree, or to pursue a broader range of course offerings, either within or outside the Schulich School of Music. To ensure consistent performance throughout their program, students are required to achieve a minimum grade of B- in courses given by the Composition Area.

6.3 B.Mus./B.Ed. Bachelor of Music and Bachelor of Education Concurrent Program

The Bachelor of Education in Music (B.Ed. Music) [mcgill.ca/dise/teachercert/music](https://www.mcgill.ca/dise/teachercert/music) is an integrated 152-credit program of initial teacher training that leads to certification as a teacher in the Province of Quebec. This program is only open to students who have completed a Bachelor of Music (B.Mus.) or its equivalent, and normally students receive significant advanced standing in the program such that the B.Ed. Music program can be completed in two and a half years. Applicants to B.Ed. Music should choose Faculty of Education (Music) as the faculty which offers the program when submitting an application for an undergraduate program. Students who do not have an equivalent B.Mus. should complete the concurrent Bachelor of Music (B.Mus.) - Major Music Education and Bachelor of Education (B.Ed.) - Music Elementary and Secondary [mcgill.ca/music/programs/bmus/bmus-bed](https://www.mcgill.ca/music/programs/bmus/bmus-bed). The concurrent program is comprised of 170 credits, and combines academic studies in music, professional studies and field experience. Students normally take five years to complete the concurrent program. The two degrees are awarded during the same convocation period. Applicants to the B.Mus./B.Ed. concurrent program should select Schulich School of Music as the faculty when applying for this program.

Students in the concurrent B.Mus./B.Ed. or B.Ed. Music who receive an F or J in any Field Experience course are placed in Unsatisfactory Standing. Although they may complete their term, they are required to withdraw from the program.

6.3.1 Concurrent Bachelor of Music (B.Mus.) - Major Music Education and Bachelor of Education (B.Ed.) - Music Elementary and Secondary (170 credits)

The Concurrent B.Mus./B.Ed. combines the Bachelor of Music (Major Music Education) with the Bachelor of Education (Music Elementary and Secondary). Requirements are normally completed in five years and lead to certification as a school teacher in the Province of Quebec. Out-of-province students (or those without Quebec CEGEP, French Baccalaureate, International Baccalaureate, or at least one year of university studies prior to commencing the Concurrent program) are required to complete 170 credits, normally in six years.

Applicants who already hold a Bachelor of Music degree from a North American university should apply directly to the Bachelor of Education in Music Elementary and Secondary (B.Ed. Music) program offered by the Faculty of Education <https://www.mcgill.ca/dise/progs/music>.

Notes:

1. Students majoring in Music Education in the jazz stream may take Jazz Arranging 1 (MUJZ 260) with the permission of the instructor, per available space in the course, and if they have the prerequisite, MUJZ 161. Alternatively, they may be asked to register for a different jazz stream course upon the recommendation of the Jazz Area Chair and/or the Music Education Area Chair.
2. In addition to meeting prerequisites/co-requisites for MUCO 230 or MUCO 261, students must obtain the relevant instructor's permission, per available space in the course, prior to registration. MUCO 260 is waived as a prerequisite for MUCO 230.

The B.Mus. Major Music Education program in the Schulich School of Music focuses on the development of prospective music educators as musicians. This is achieved both through core music history, theory, musicianship, and performance courses, as well as through different instrumental, vocal, and conducting techniques courses. Laboratory experiences provide an opportunity to develop facility with basic music rehearsing/teaching techniques, with emphasis on the ability to diagnose and correct technical and musical problems. The B.Ed. Music Elementary and Secondary program in the Faculty of Education focuses on the development of the musicians as educators. This is achieved through courses in educational foundations, music pedagogy, pedagogical support, and a practicum component comprised of four field experiences and supporting professional seminars.

The components of the 137-credit Concurrent Bachelor of Music - Major Music Education and Bachelor of Education - Music Elementary and Secondary (excluding the 33-credit Freshman Program) are as follows:

58 credits in Education

71 credits in Music

8 free elective credits

Program Prerequisites - Freshman Program

32 credits distributed as follows:

Prerequisite Courses

4 credits of Large Ensemble

6 credits of non-Music electives

and 22 credits in the following course list:

7 Practical Instruction (MUIN courses)

Students in the Schulich School of Music may receive practical instruction in the principal instrument or voice in their major studies, as part of a music performance minor or as elective lessons in a second instrument, subject to approval of the Department of Performance. Practical Instruction is also known as private lessons, and is designated by MUIN subject codes which has additional music fees tied to the regular tuition. Students are entitled to a maximum number of terms of lessons, which varies by program. See [section 4.7: Tuition Fees, Practical Instruction Fees and Lesson Quota](#) for more information.

(1) Practical Instruction in Major Studies

Students enrolled in a Bachelor of Music (B.Mus.) and Licentiate in Music (L.Mus.) program need to complete the required practical instruction in their program.

(2) Practical Instruction in Music Minor

B.Mus. students enrolled in a jazz performance minor or early music performance minor can register for practical instruction in the minor in addition to the required practical instruction in their major program.

(3) Practical Instruction in a Second Instrument

B.Mus. and L.Mus. students may apply for practical instruction on an instrument other than their major studies, subject to the approval of the Department of Performance. Practical instruction in a second instrument is also known as elective lessons. Students are permitted to take up to a maximum of four terms of elective lessons during their program. The first two terms of elective lessons (MUIN 110, MUIN 111) are billed in a similar fashion as the required practical

instruction, while a Supplemental Music Private Lesson Fee for second instrument will be levied on the third (MUIIN 210) and fourth (MUIIN 211) term of elective lessons.

Application details for practical instruction in a second instrument is found on the Elective website.

Students are not permitted to only register for practical instruction in any given semester. Students are expected to register for other required academic course(s) for the program in the same semester for which they are taking practical instruction.

All new and returning students must submit a [Practical Instruction Request Form](#) by the assigned deadline if they wish to register for practical instruction and/or voice coaching lessons in the following academic year. Students cannot add MUIIN courses on Minerva. The faculty will add the MUIIN practical instruction registration to the student records once the practical instruction request has been approved. Students must register for at least one course in the academic year before the faculty can add MUIIN course(s) to their records.

7.1 Practical Assignment and Lessons

7.1.1 Registration/Withdrawal

Registration for practical instruction (MUIIN lesson course numbers) is **not available** on Minerva. Students are reminded to submit an [Online Practical Instruction Request Form](#) by the specified deadlines. Practical Instruction will then be added onto students' records.

Students cannot withdraw from practical instruction on Minerva; they must notify the Department of Performance of their intention to withdraw by emailing teacherpreference.music@mcgill.ca. For deadlines, refer to [section 5.10: Course Changes & Withdrawal](#).

7.1.2 Assignment of Teachers

The assignment of students to teachers for practical instruction is the responsibility of the Chair of the Department of Performance. Student requests for specific teachers will be taken into consideration whenever possible.

It is understood that returning students will study with the same teacher unless prior arrangements have been made with the Chair of the Department in consultation with the teachers concerned. **However, those students who do not return the Online Practical Instruction Request (including Voice Coaching) by the specified deadline cannot be guaranteed the teacher of their choice, and they will be assessed a late fee of \$50.** Teacher assignments will be made soon after the period of enrolment and confirmed during the first week of classes. Following this assignment, it is the students' responsibility to contact their teachers and arrange lesson times.

Individual lessons missed as a consequence of the instructor's absence will be made up at the mutual convenience of the instructor and student. Lessons missed as a result of the student's absence will be made up only if notice of cancellation has been given 48 hours in advance, or if a doctor's certificate is produced and prior notice of the cancellation is given.

Note: Students who are taking practical instruction in fulfilment of the requirements for any degree or diploma are required to study with teachers on the staff of the Schulich School of Music.

7.2 Examinations and Goals in Practical Instruction

Different levels of achievement are required of students depending upon the program of study for which they are registered. These levels are defined in part by the difficulty of material and length of the program required at the various examinations, and in part by the examiners' assessment of how well the student plays this material.

In general, there are five categories of practical study:

- Concentration Study
- Major Study
- Licentiate Study
- Postgraduate Study
- Elective Study

7.2.1 Concentration Study

Students in the:

- B.Mus. Faculty Program;
- Faculty Program – Jazz concentration; or
- Major in Music Composition, Music Education, Music History, or Music Theory

are obliged to present one examination in order to fulfil the practical requirement of these programs: the Concentration Final Examination (MUIIN 283). Grades of C or higher in all practical requirements are mandatory for continuation in the program.

The sequence would normally be:

Concentration Study Sequence

MUIIN 180	BMus Practical Lessons 1
MUIIN 181	BMus Practical Lessons 2
MUIIN 280	BMus Practical Lessons 3
MUIIN 281	BMus Practical Lessons 4
MUIIN 283	BMus Concentration Final Examination

Examination:

BMus Concentration Final Examination (MUIIN 283)

Purpose: To determine that the student is sufficiently accomplished to qualify for the degree of Bachelor of Music. In the event that the student is inadequately prepared, the panel may recommend to the department in which the student is registered that: a) the student be asked to withdraw from the program; or b) the student be permitted to redo the examination.

Panel: A minimum of two staff members (not including the teacher), one of whom must be from the area. The panel is appointed by the Chair of the Department of Performance. At the discretion of the Departmental Chair, the teacher may be included on panels of three or more examiners.

Distribution of Marks: The final mark for the examination is the average of the marks submitted by the examination panel.

7.2.2 Major Study

A student majoring in Performance must show talent for this field before being admitted to the program. The practical requirement for these programs comprises examinations and recitals as specified in the programs.

7.2.2.1 B.Mus. Major in Performance, Major in Early Music Performance, and Major in Jazz Performance

The sequence would normally be:

Major Study Sequence

MUIIN 180	BMus Practical Lessons 1

The panel may recommend to the Department that the student be: a) asked to withdraw from the program; b) permitted to continue to the BMus Performance Examination 2.

BMus Performance Examination 1 (MUIIN 282)

Panel: A minimum of three staff members, one of whom may be the student's teacher. The panel is appointed by the Chair of the Department of Performance.

Distribution of Marks: The final mark for the examination is the average of the marks submitted by the examination panel.

BMus Performance Examination 2 (MUIIN 382)

Purpose: To assess the student's ability to perform a program of sufficient length and suitable repertoire as specified in the requirements for each instrument.

Panel: A minimum of three staff members, one of whom may be the student's teacher. The panel is appointed by the Chair of the Department of Performance.

Distribution of Marks: The final mark for the examination is the average of the marks submitted by the examination panel.

BMus Performance Examination 3 (MUIIN 482)

Purpose: All recitals are to be performed in public before a jury and are intended to demonstrate technical mastery of their instrument/voice as well as an understanding of different musical styles appropriate to their level of study.

Panel: A minimum of three staff members, one of whom may be the student's teacher. The panel is appointed by the Chair of the Department of Performance.

Distribution of Marks: The final mark for the examination is the average of the marks submitted by the examination panel.

7.2.3 Licentiate Study

Students must show talent for this field before being admitted to the program. Grades of A- or higher in all practical requirements are mandatory for continuation in the program.

7.2.3.1 L.Mus. Performance

The sequence would normally be:

Licentiate Study Sequence

MUIIN 250	L.Mus. Practical Instruction 1
MUIIN 251	L.Mus. Practical Instruction 2

MUIIN 452	L.Mus. Performance 3 Examination
MUIIN 369	Concerto (mandatory test for pianists)

Examinations:

L.Mus. Performance 1 Examination (MUIIN 252)

Purpose: To assess the student's progress in the practical area and determine whether or not the student may continue in the program. The panel may recommend to the Department that the student be: a) asked to withdraw from the program; or b) permitted to continue to the L.Mus. Performance 2 Exam.

Panel: A minimum of three staff members, one of whom may be the student's teacher. The panel is appointed by the Chair of the Department of Performance.

Distribution of Marks: The final mark for the examination is the average of the marks submitted by the examination panel.

L.Mus. Performance 2 Examination (MUIIN 352)

Purpose: The recital is a public presentation, before a jury, intended to demonstrate competence in public solo performance. Non-keyboard performers and singers must use appropriate accompaniment.

Distribution of Marks: The final mark for the examination is the average of the marks submitted by the examination panel.

7.2.4 Postgraduate Study

Master of Music (M.Mus.), Graduate Artist Diploma (Gr.Art.Dip.), Graduate Diploma in Performance (Gr.Dip.), and Doctor of Music (D.Mus.) candidates should consult the [graduate program requirements](#).

7.2.5 Elective Practical Instruction

Bachelor of Music (B.Mus.) or Licentiate in Music (L.Mus.) students may request for an additional year of practical instruction in their major instrument/voice beyond the required practical instruction for their program. This additional year of practical instruction may be offered as elective lessons. Alternately, students may request to take practical instruction in a second instrument which is also known as elective lesson.

Elective practical instruction is also known as elective lessons. Elective practical instruction courses have an MUIN prefix.

Students may elect to pursue further practical instruction in an instrument/voice beyond a program's curricular requirements.

Additional student fees ([section 4.7: Tuition Fees, Practical Instruction Fees, and Lesson Quotas](#)) may apply when students apply for elective practical instruction.

For more information about elective practical instruction, visit the [Elective Lessons website](#).

8 Practical Examinations

Practical exams are concentration or performance exams with an MUIN prefix. Students cannot add MUIN courses on Minerva. They must submit an application form to apply for a practical exam.

Details of specific examination requirements and practical exam application form for each area:

- Brass
- Early Music
- Guitar
- Harp
- Jazz
- Organ
- Percussion
- Piano
- Strings
- Voice
- Woodwinds

are available on the area's program webpage at mcgill.ca/music/programs or may be obtained from the Department of Performance office.

8.1 Application for Practical Examination

Practical examinations and recitals must be presented in one of the official final examination periods. See [Important Dates](#) for Fall and Winter; Bachelor of Music (B.Mus.) or Licentiate in Music (L.Mus.) students in their final year may request for a final practical exam/recital (MUIN 283, MUIN 482 or MUIN

452) for early September subject to the approval of the Department of Performance. September final practical exams will be recorded as a summer course. E.g. A final recital scheduled for early September 2025 will be recorded for Summer 2025 semester.

All students wishing to present a required practical examination should register for the exam by the online application deadline given below. Registrations after that date will be accepted with permission of the Department of Performance up to the deadlines stated below.

Students are responsible for:

1. reviewing their area's *examination requirements* and, in consultation with their assigned practical instructor, deciding on appropriate material to perform at the examination;
2. completing the online *examination application form* to submit the details pertinent to their examination level by the deadline specified below.

Applications may be withdrawn without penalty any time up to the withdrawal deadline given below. Permission to withdraw from a practical examination after the withdrawal deadline will normally be granted only in the case of illness. A medical certificate must be submitted to the Department of Performance Office within seven days after the withdrawal request has been received. Withdrawal from a practical examination on other than medical grounds must be authorized by the Chair of the Department of Performance.

Examination Period	Online Application Deadline*	Withdrawal Deadline
Fall	October 15, 2024	November 15, 2024
Winter	February 15, 2025	March 15, 2025

Special Procedures for September Exams (Graduating Students Only):

The September examination period is available only for Summer graduands. No supplemental examinations will be given at this time. Registration for September examinations is not available on Minerva. Contact the Department of Performance Office for information.

Examination Period	Application*/Recital Program Deadline	Withdrawal Deadline
September 7-9, 2024	May 31, 2024	August 1, 2024

* Applications received after these deadlines will only be accepted with special permission from the Chair of the Department of Performance, and on payment of a \$50 late application fee.

8.2 Examination Marking

The final mark for any practical examination is the average of all the marks submitted by the individual examiners. In addition, however, at least half of the examiners on the panel must pass the student in order to continue to the next level of examination.

The passing grades for examinations are:

- in L.Mus. programs: A-
- in B.Mus. Major Performance programs: B-
- in Concentration Study programs: C

In instances where the average mark is a passing grade but a majority of the panel has failed the student, the final mark will be the letter grade immediately below the required passing grade.
