Summer Institutes in Global Health

Providing Health Care to Refugee, Immigrant and Migrant Populations

HYBRID | JUNE 12-14, 2024

Providing Health Care to Refugee, Immigrant, & Migrant Populations

June 12-14, 2024

Online access: via [Cvent](#)

In-person location: Students' Society of McGill University
Building 3480 McTavish St. Room 203

Learning Objectives

At the conclusion of this course, participants will be able to:

1. Recognize the priority health needs of diverse refugee, immigrant and migrant (RIM) populations.
2. Explain the social determinants of health of RIM populations, how they may lead to difficulties accessing health care, and the importance of providing care with a multi-disciplinary and multi-sectoral approach.
3. Implement best practice approaches and specific tools when delivering care to promote the health of RIM populations.

8:00-8:30AM

8:30-9:15AM

9:15-9:45AM

9:45-10:20AM

DAY 1 AGENDA | WEDNESDAY, JUNE 12, 2024
