Gender Equality and Global Health: Practical approaches for gender-transformative change

University of Ottawa & McGill Summer Institute in Global Health

June 13-15, 2023

Course Agenda

Each session will be a combination of lecture/presentation by faculty to ground the discussions in research evidence and experience, followed by application through participatory exercises in breakout sessions and group activities. Case studies and assigned readings will help to illustrate and reinforce key concepts.

Date, time, location	Session	Speakers
Tues. June 13th, 2023
