

DR. ERIN KENNEDY

**6th Annual
Philip H. Gordon Visiting Professor**

June 12 – 13, 2024

Hôpital général juif
Jewish General Hospital

McGill

We are honored to welcome the following visiting professor
to the 6th annual Colorectal Academic Day in honor of Dr. Philip H. Gordon

DR. ERIN KENNEDY

Dr. Erin Kennedy is a colorectal surgeon at the Sinai Health System and Professor of surgery at the Institute of Health Policy, Management and Evaluation at the University of Toronto. She completed her general surgery residency and colorectal fellowship at the University of Toronto and during this time she earned her PhD as part of the surgical Scientist Training Program. She is currently the Head, Division of General Surgery at Sinai System and the Ontario GI Cancers Lead at Ontario Health-Cancer Care Ontario.

Her primary research interests are quality of care and management of rectal cancer.

We are thrilled to welcome Dr. Erin Kennedy to McGill and the Jewish General Hospital as the 2024 Philip H. Gordon Visiting Professor in Colorectal Surgery.

Hôpital général juif
Jewish General Hospital

PHILIP H. GORDON, MD, FRCSC, FACS

PROFESSOR OF SURGERY AND ONCOLOGY
MCGILL UNIVERSITY

DR. GORDON was the 1st Director of Surgery at the Jewish General Hospital from 1974-2012.

Having completed a Colorectal Fellowship at the University of Minnesota, he returned to the Jewish General Hospital after serving as an honorary assistant in surgery at St. Mark's Hospital in London.

He was the first fully trained Colorectal Surgeon in Canada who devoted his surgical practice solely to Colorectal Surgery.

He was the founding President of the Canadian Society of Colon and Rectal Surgeons from 1982-1986 and was the only non-American to serve as President of the American Society of Colon and Rectal Surgeons in 1994.

He co-authored several textbooks on Colorectal Surgery, which have served as references in the field. He served on numerous editorial boards of prestigious peer-reviewed journals, and co-authored numerous articles in peer-reviewed journals and textbooks. He became an honorary member of the Royal Society of Medicine Section of Coloproctology and the Association of Coloproctology of Great Britain and Ireland. He was named to the Faculty Honour List for Educational Excellence in recognition of contributions to teaching in the McGill Faculty of Medicine in 2007.

This lecture was established in recognition of Dr. Gordon's life-long devotion and contributions to Colorectal Surgery locally, nationally and internationally.
