

ACCESSIBILITY

- We regret to note that ECOLE is not wheelchair accessible. The front entrance is four steps up and has two heavy doors with a buzzer system.
- Most of the doors in the building are heavy, including washroom doors. All washrooms are single-use and non-gendered. There are unfortunately no handrails next to the toilets or sinks.
- All rooms have fluorescent lighting, though during the day many rooms can be lit with natural light through large windows. We also have a small number of lamps and string lights available that are sufficient to light our smaller meeting spaces, so please let us know if you would like to use these for any events.
- We cannot guarantee that ECOLE is a scent-free space.
- Children are welcome to attend any ECOLE events. We are happy to provide childcare and/or whisper translation for any meetings, discussions, film screenings, and workshops. Please include this request in the space booking form below, at least three days prior to the event so we can guarantee childcare/translation.
- *Si vous avez besoin de la traduction chuchotée du français vers l'anglais, nous pouvons vous en fournir gratuitement. Prière de nous contactez trois jours à l'avance de l'évènement pour lequel vous souhaitez avoir accès à la traduction chuchotée.*
