Title: The impact on mental disorders on active tuberculosis treatment outcomes: a systematic review and meta-analysis

Ga Eun Lee BSc, MScPH

Ga Eun Lee has a BSc in Honours Microbiology and Immunology and a MScPH with Global Health option from McGill University. Her primary research interests are the health of vulnerable populations and health system strengthening. She is currently an epidemiologist in maternal-child health at the University of Montreal Hospital Research Centre.

Jamie Scuffell MBChB, MSc

Dr Jamie Scuffell is an Academic Clinical Fellow in General Practice at King's College London, UK. He holds an MSc in Control of Infectious Diseases from the London School of Hygiene and Tropical Medicine, and is interested in how psychosocial determinants of health interact with infectious diseases.
