Personal Dietary Restrictions and/or Allergies: _____

Dates Interested in Attending (please check all that apply):

☐ Saturday, November 3rd, 2018 ☐ Saturday, February 2nd, 2018 ☐ Saturday, May 4th, 2018

CHILDCARE

We are pleased to offer optional childcare services to group participants with children between 1-5 years-old, provided by two seasoned educators. The children and the educators will gather in a room adapted for children right across from the room where the group meetings will be held. The educators will entertain the children with books, toys, songs, and interactive play, and will supervise them while they eat.

Meet Our Educators

Suzanne Kiddie has a DEC in Early Childhood Education, a BA Specialization in Child Studies, and over 20 years experience working at CPE Terre des Enfants, presently as an educator, pedagogical instructor, and yoga instructor. She has certification in First Aid and CPR, as well as training in the administration of an Epi Pen. Besides her comprehensive training and experience, Suzanne has a true passion for her work with children and an excellent understanding of their developmental needs.

Jennifer Cochrane has a BA in Early Childhood-Elementary Education from Concordia University and has close to 25 years experience working in a variety of classroom settings. She has worked as an Elementary School teacher with the English Montreal School Board and a Daycare Educator for CPE Concordia. She has a certification in CPR and First Aid, and has also recently completed an Educator Training course for children with Autism Spectrum Disorder (ASD), learning disabilities and behavioral issues. Jennifer is presently working as an educator at CPE McGill and continues to enjoy supporting and nurturing the learning of the children in her classroom.

Catering

A light brunch will be provided to both parents and children, and may include baked goods, assorted sandwiches, fresh fruit, raw vegetables, milk and water.

Are you interested in using our childcare services
(if yes, please complete the following questionnaire)?

☐ YES

☐ NO

Additional Information:

**Please note that food brought from home must be nut-free. You will be notified if other types of food allergies are reported by other parents, in order to know what other foods to avoid bringing.*

***In order to ensure a smooth transition for your children, an opportunity for you to meet the educators, and a timely start of the parent group meeting, we kindly ask that you arrive 20 minutes prior to the first meeting you are attending, and 10 minutes in advance for the remaining meetings.*

Once completed, you may click this button to submit it (if you have Acrobat and Outlook)

or please save this form and send it to thewelloffice@mcgill.ca to complete your registration!

Thank you!
