

Prioritized Support for Business Travelers

Employees who have attached their work email to their Airbnb account (airbnb.com/business) have access to prioritized business travel support

Online resources are self serve and good for finding information about business travel setup and booking

Online Resources:

- [Business Guides](#)
 - [Getting started as a business traveler](#)
 - [Booking business travel on Airbnb](#)
 - [Booking business travel for others](#)
- [Airbnb Help Center](#)
 - [How to modify a reservation](#)
 - [How to cancel a reservation](#)
 - [How to request a refund or pay for something extra](#)

The prioritized phone support is good for extra support needs like getting in touch with an unresponsive host or addressing a technical glitch

24/7 Prioritized Phone Support:

- Local support numbers are shown on every itinerary
- 1-888-983-0568 (toll free number, able to be dialed within 48 states (sans Alaska, Hawaii))
- 1-415-644-5360 (can be dialed from outside the US, with an international charge)
