Coordinator	Daniela Teuta	Telephone	(514) 345-3511, Local 3263
		E-mail	smhc.medical.education.er.comtl@ssss.uv.qc.ca

This elective is open to Clerkship students and may accommodate a maximum of one student at any one time.

Elective Description

This clinical elective is designed to allow students to gain experience in emergency care. Students are encouraged to participate in the diagnosis and management of patients with a wide range of minor or major medical/surgical problems and to learn medical and surgical procedures related to emergency care. This is an exciting, hands-on elective.

No last minute alterations to site or scheduling can be accepted. Once you are placed, changes will not be accommodated.
