

Academic Grade 12 Courses British Columbia and Yukon

Courses that fulfill prerequisites requirements for admission have been identified as follows:

*	Courses that fulfill math requirements (when math is a prerequisite)
°	Courses that fulfill science requirements (when biology, chemistry and/or physics are prerequisites)
◆	Courses that fulfill language requirements (when either English or French is a prerequisite, based on language of high school).
■	Arts Education 12 courses that will be considered academic, however a maximum of one will be included in the McGill top-five admissions average.

Consult [Canadian High School Requirements](http://mccgill.ca/applying/requirements/can) to view the prerequisites required for each program.
