Made by determination

MADE
by McGill
Land acknowledgement

McGill University is on land which has long served as a site of meeting and exchange amongst Indigenous peoples, including the Haudenosaunee and Anishinabeg nations. We acknowledge and thank the diverse Indigenous peoples whose presence marks this territory on which peoples of the world now gather.

Creating an inclusive community

McGill is committed to creating a learning environment rooted in the principles of equity, diversity and inclusion. With communities and individuals of diverse identities, experiences and ideas, we collaborate to identify and challenge barriers to access, representation and full participation in university life.
Made by trailblazers, risk-takers, and dreamers

For 200 years, McGillians have made history, blazing new trails in virtually every field.

McGill attracts some of the brightest minds from around the world — our students win more national and international awards on average than their peers at any other Canadian university.

This success stems from a simple philosophy: we believe that ideas are made to be challenged. At McGill, we inspire each other to dream big, to try our best, and to achieve more than we ever thought possible.

Follow your passions. Keep learning.

At McGill, you'll explore different ways to learn. You'll work as part of a team and challenge yourself in individual projects. Debate face-to-face in small seminars and in online platforms. Take workshops on creative thinking and leadership. Intern, conduct research and volunteer in the community.

Whether in the lab or virtual environment, on our idyllic campuses or in the field, you’ll be guided by experts who are tackling the major issues of our time. We’ll help you develop the curiosity and the skills to realize your dreams.

/ 12 Nobel Prizes / 147 Rhodes Scholars / #1 in Canada among medical-doctoral universities (2021 Maclean's University Ranking) / #27 in the world (QS 2022 University Ranking) / International Sustainability Institution of 2019 (International Green Gown Awards)
A vibrant student city

Affordable, multilingual, creative and bursting with culture, Montreal earns its stripes as one of the best student cities in the world.

Its diverse vibe shines through in the unique, colourful neighborhoods that make up this iconic city. Boasting amazing restaurants and a lively arts, music and theatre scene, you’ll be engaged and inspired here. And to top it all off, Montreal has some of the lowest rent prices in Canada!

Get an international experience close to home.

Whether you’re coming from Ontario, New Brunswick or BC, getting to Montreal is easy by bus, train or plane. The city is an international hub, welcoming people from around the world. You’ll get to discover new cultures and cuisines in a welcoming, bilingual environment – all within a short trip from home!
An exceptional campus experience

McGill offers unique campuses with world-class facilities.

Modern buildings, historic architecture and expansive green spaces make our downtown campus truly iconic. A short ride away, Macdonald Campus is a serene retreat located on 1,600 acres of waterfront property. “Mac” mixes high-tech and nature: computerized greenhouses and culinary laboratories sit alongside spacious bike paths and Canada’s largest arboretum.

Take a virtual campus tour
A welcoming, international community

McGill students come from across Quebec and Canada, and from more than 150 countries and territories around the world.

Total number of students: 39,736

- Undergraduates: 27,484
- Graduates: 10,265
- Postdoctoral scholars: 638
- Residents & Fellows: 1,349

McGill has the most internationally diverse student population of any university in Canada.

PLACE OF RESIDENCE

- Quebec: 47%
- Rest of Canada: 23%
- International: 30%

MOTHER TONGUE

- English: 46%
- French: 19%
- Other: 35%

All figures based on 2020 enrolments
How will you make our future?

Forge your own path.

We never know what’s around the corner. Seriously. But we can build the resilience and optimism to face it. Our community of open minds, risk-takers and creative thinkers will help you establish the confidence to find new ways forward. Which of our 300+ programs will kick-start your future?

A degree recognized around the world.

Whatever you plan to do after graduation, a McGill degree will open doors. Our graduates go on to work at leading institutions. People worldwide understand the value of students made by the McGill experience.
Over 300 programs to explore
Bring your unique perspective, help shape our community. Challenge yourself and develop your own passions.
Made by opportunities that open doors

Amara Regehr, Civil Engineering, class of 2021

Amara spent two summers travelling North America, measuring CO2 emissions from abandoned oil and gas wells. Working with Prof. Mary Kang, as part of the Summer Undergraduate Research in Engineering (SURE) program, Amara learned how to use a complicated modelling software, and co-authored a paper in an influential academic journal. This hands-on experience helped her stand out. Amara landed an internship with engineering firm CDM Smith in her final year, and was offered a job in Boston after graduating.

Learn about Amara’s journey

Look up and see the world

Set yourself apart. Get ready to turn your passion into a career.

What drives you to be your best? Our students and professors are fueled by a desire to bring creative ideas to the community. Prepare to make your mark through internships with top-tier organizations, entrepreneurship training, research projects, and field study placements around the world.

A worldwide network of more than 275,000 alumni will open doors to exciting opportunities when you graduate. Wherever you go, employers recognize and respect the value of a McGill degree.
Build skills for your career

Our internships, co-ops and research programs are a chance to apply all you’ve learned in the classroom to real-life situations.

Leverage McGill’s global connections to build on-the-job skills and make sure your CV stands out.

Many universities reserve top research experiences for graduate students, but McGill breaks the mould. Our undergraduate students can learn alongside professors and conduct research that changes our world.

Made for research that matters

Aiman Hadif, Cognitive Science, class of 2021

At McGill’s Raz Lab, Aiman worked closely with people suffering from a range of psychological issues and traumas, from post-traumatic stress disorder to major depression. His most important mentor was his Principal Investigator, Dr. Michael Lifschitz. “The biggest thing he taught me, alongside coding, running participants and analyzing data, was to never give up—in research and in life.”

Discover Aiman’s research experience ❯
Broden your perspective

Expand your horizons by travelling abroad

Choose from 150+ partner institutions around the globe — from Argentina to Australia and Spain to Singapore. Whether you’re majoring in poli sci, engineering or anything in between, we’ll help you find a study abroad spot that will show you life from a whole new perspective.

Find your next challenge

Journalism, dragon boating, dance, K-pop, trivia or... Quidditch? You name it, we have a club for it. There are over 300 student groups on campus for you to explore.

Explore clubs at McGill

How to apply in 7 easy steps

Know your deadlines

Mark your calendar with these important dates regarding your application.

Decide what to study

Use the Program finder tool to explore over 300 undergraduate programs and find your best match.

Make sure you’re eligible

Admission to most programs is based on grades only. In this step, you’ll find:
- How your academic record is reviewed
- The grades that gained entrance to your program in previous years
- The prerequisites for your program

Get ready to apply

As of October 1, you can apply. Complete each step of the pre-application to-do list, including:
- Understand the deadlines that apply to you
- Prepare your academic documents
- Identify supporting documents you’ll need to provide

Submit your application

Review our tips on how to apply and see what the application fees will be. Remember that you can apply to two programs.

Apply for an entrance scholarship

Look into entrance scholarships early! The deadline is usually a week after your application deadline. This page provides information about entrance scholarships, bursaries, grants and other funding opportunities.

Submit documents and keep in touch

You can track your application in Minerva and learn which supporting documents you need to provide. On this page you’ll see:
- How to follow your applications status
- Supporting documents you may need to prepare
- How to submit supporting documents
APPLICANTS FROM CANADIAN HIGH SCHOOLS OUTSIDE QUEBEC AND ONTARIO FOR ADMISSION IN 2022-23

MCGILL’S COMPETITIVE ADMISSION PROCESS

- Admission is competitive and subject to availability of space; presentation of the minimum requirements does not guarantee acceptance.
- If admitted, you are expected to maintain your level of academic performance through to the completion of your pre-McGill studies.

CANADIAN HIGH SCHOOL DIPLOMA (OTHER THAN QUEBEC AND ONTARIO) vs. INTERNATIONAL BACCAULÆRATE

- Applicants must have obtained, prior to the start of classes, a high school diploma that gives them access to university education in their home province or territory.
- Admission is based on McGill’s calculation of your ‘Top 5’ academic Grade 12 courses, including the prerequisites for the program to which you applied. See What is considered an “academic” course.
- Marks for failed/repeated courses are taken into consideration and will be used in the ‘Top 5’ calculation, as required.
- Grade 12 English or French will be included in the ‘Top 5’ calculation, depending on the language of instruction at your school.
- Check decision dates.
- Applicants completing the IB Diploma at a school in Canada will normally be considered for admission based on their ‘Top 5’ average and will be required to self-report marks in percentage format. Predicted IB results may be required for some programs.
- Students may subsequently be granted advanced standing credits based on their final IB results and their entering program. Consult the Transfer Credit and Advanced Standing page.

PROOF OF ENGLISH PROFICIENCY

- Applicants who have lived and attended high school and/or university, for at least four years, in a country where English is the acknowledged primary language, are not required to provide further proof of English proficiency.
- If this is not the case, please review the English language proficiency requirements.

DOCUMENTATION

- You will receive an email acknowledgment within 48 hours after submitting the application for admission. The login information provided in the email will allow you to access your Minerva account to view your application status. It is your responsibility to verify your status and ensure the completion of your application.
- You are required to self-report your grades, after January 5, using the designated web form accessible through Minerva (Music and Religious Studies applicants are excluded and will need to upload an unofficial copy of your transcript).
- You will be considered for admission in two rounds. If you do not receive a decision in the first reporting period you must update your grades and re-submit the self-reported grades form.
- Additional supporting documents (such as recommendation letters and personal statements) are not used for admission consideration and should only be submitted if required by one of the following:
  - Architecture, Education, Music, Nursing and Religious Studies. Consult the Pre-application to do list.
  - Major Scholarship applicants can view required documents on the Scholarships and Student Aid website.

Macdonald Campus.
APPLICANTS FROM ONTARIO HIGH SCHOOLS FOR ADMISSION IN 2022-23

DEADLINES

| Application for admission | February 1 |
| Transcripts & supporting documents | May 4 |
| Major Entrance Scholarship (application & documents / online via Minerva) | February 7 |
| McGill Financial Aid application days from (online via Minerva) | 30 days from acceptance date |

Music (application & documents) | January 15 |
Religious Studies (application & documents) | February 1 |
Architecture portfolio | March 7 |

MCGILL’S COMPETITIVE ADMISSION PROCESS

• Admission is competitive and subject to availability of space; presentation of the minimum requirements does not guarantee acceptance.

• If admitted, you are expected to maintain your level of academic performance through to the completion of your pre-McGill studies.

ONTARIO HIGH SCHOOL DIPLOMA

Applicants must have obtained, prior to the start of classes, the Ontario Secondary School Diploma (OSSD).

• Admission is based on McGill’s calculation of your ‘Top 6’ pre-university (4U and 4M) course average including the prerequisites for the program to which you applied.

• At least four of the ‘Top 6’ courses, as well as all prerequisites, must be at the 4U level.

• Marks for failed/repeated courses are taken into consideration and will be used in the ‘Top 6’ calculation, as required.

• All applied courses are included in the ‘Top 6’ average; performing arts courses at the 4M level (maximum of two) will be eligible.

• 4U English or French will be included in the ‘Top 6’ calculation, depending on the language of instruction at your school.

• Check decision dates.

PROOF OF ENGLISH PROFICIENCY

Applicants who have lived and attended high school and/or university, for at least four years, in a country where English is the acknowledged primary language, are not required to provide further proof of English proficiency.

If this is not the case, please review the English language proficiency requirements.

DOCUMENTATION

• You will receive an email acknowledgment within 48 hours after submitting the application for admission. The login information provided in the email will allow you to access your Minerva account to view your application status. It is your responsibility to verify your status and ensure the completion of your application.

• If you are registered with the Ontario Universities Application Centre (OUAC) you must provide your OUAC number on your application and McGill will access your transcripts electronically. If not available at time of application it can be submitted at a later date via Minerva.

• If you are not registered with OUAC, you must upload your transcript to Minerva.

• Additional supporting documents (such as recommendation letters and personal statements) are not used for admission consideration and should only be submitted if required by one of the following:

  • Architecture, Education, Music, Nursing and Religious Studies. Consult the Pre-application to do list.

  • Major Scholarship applicants can view required documents on the Scholarships and Student Aid website.

Every effort has been made to ensure the accuracy of information at the time of publication. Please consult mcgill.ca/undergraduate-admissions/apply for the most up-to-date and complete information.

What will it cost?
The answer depends on where you’re from, what you want to study, and where you choose to live.

Calculate your costs

Where will I live?
Whether you’re looking for a quiet apartment or a vibrant dorm community, we’ve got you covered.

Explore life in residence

Is financial aid available?
We’re committed to supporting our students in every way.

McGill offers merit-based entrance scholarships and need-based entrance financial aid, along with other funding programs. All new first-year students are eligible to apply, regardless of their citizenship.

Look into funding

Discover off-campus housing

Looking to live off campus? Lucky for you — Montreal is one of the most affordable places to live in Canada! We can help you explore other housing options in Montreal.
Join an Event

Discover the community that brings the McGill experience to life. Join a virtual event and meet our team of recruiters and undergraduate students. We’ll show you all that McGill has to offer!
