

# VIRTUAL REALITY IN DENTISTRY

## Step-by-Step Checklist

- 1 Review indications and contraindications for VR use. 
- 2 Explain the VR game to the patient. 
- 3 Obtain verbal consent and have communication plan. 
- 4 Position patient on dental chair and adjust headset. 
- 5 Launch VR game and wait for 5 minutes. 
- 6 Begin dental procedure. 
- 7 Monitor patient's experience (30 min max). 
- 8 Return VR to charging station. 
- 9 Document use and outcome. 
- 10 Turn power off and disinfect.
