

# VIRTUAL REALITY WORKSHOP

APRIL 26, 2024

9:00AM –  
3:00PM

Shriners Hospitals  
for Children®  
-Canada  
1003 Blvd Décarie,  
Montréal, Canada

[mcgill.ca/virtualrealityforchildcare](https://mcgill.ca/virtualrealityforchildcare)

Learn the ins and outs of using VR in child health settings.

Join us for our in-person, one-day VR workshop, where you will:

- learn about the evidence for VR in pain/anxiety management
- meet with VR companies and try out their products
- create a mobilization/implementation plan for VR integration.

If you are interested in participating please complete the registration form:

# Virtual Reality Workshop

April 26, 2024 | Montréal, Qc, Canada

# CALL FOR ABSTRACTS

**DEADLINE: 17 APRIL, 2024**

**The McGill Virtual Reality for Child Care hub is hosting its first, in-person, one-day VR workshop event.**

It is an opportunity for all healthcare professionals, researchers, and trainees across Quebec to come together and:

- learn about the evidence for VR in pain/anxiety management,
- meet with VR companies and try out their products, and
- draft a mobilization/implementation to integrate VR in their respective practice settings.

The VR Workshop Organizing Committee invites all students, trainees, researchers, and healthcare professionals to submit an **abstract** for the poster/booth session of the workshop.

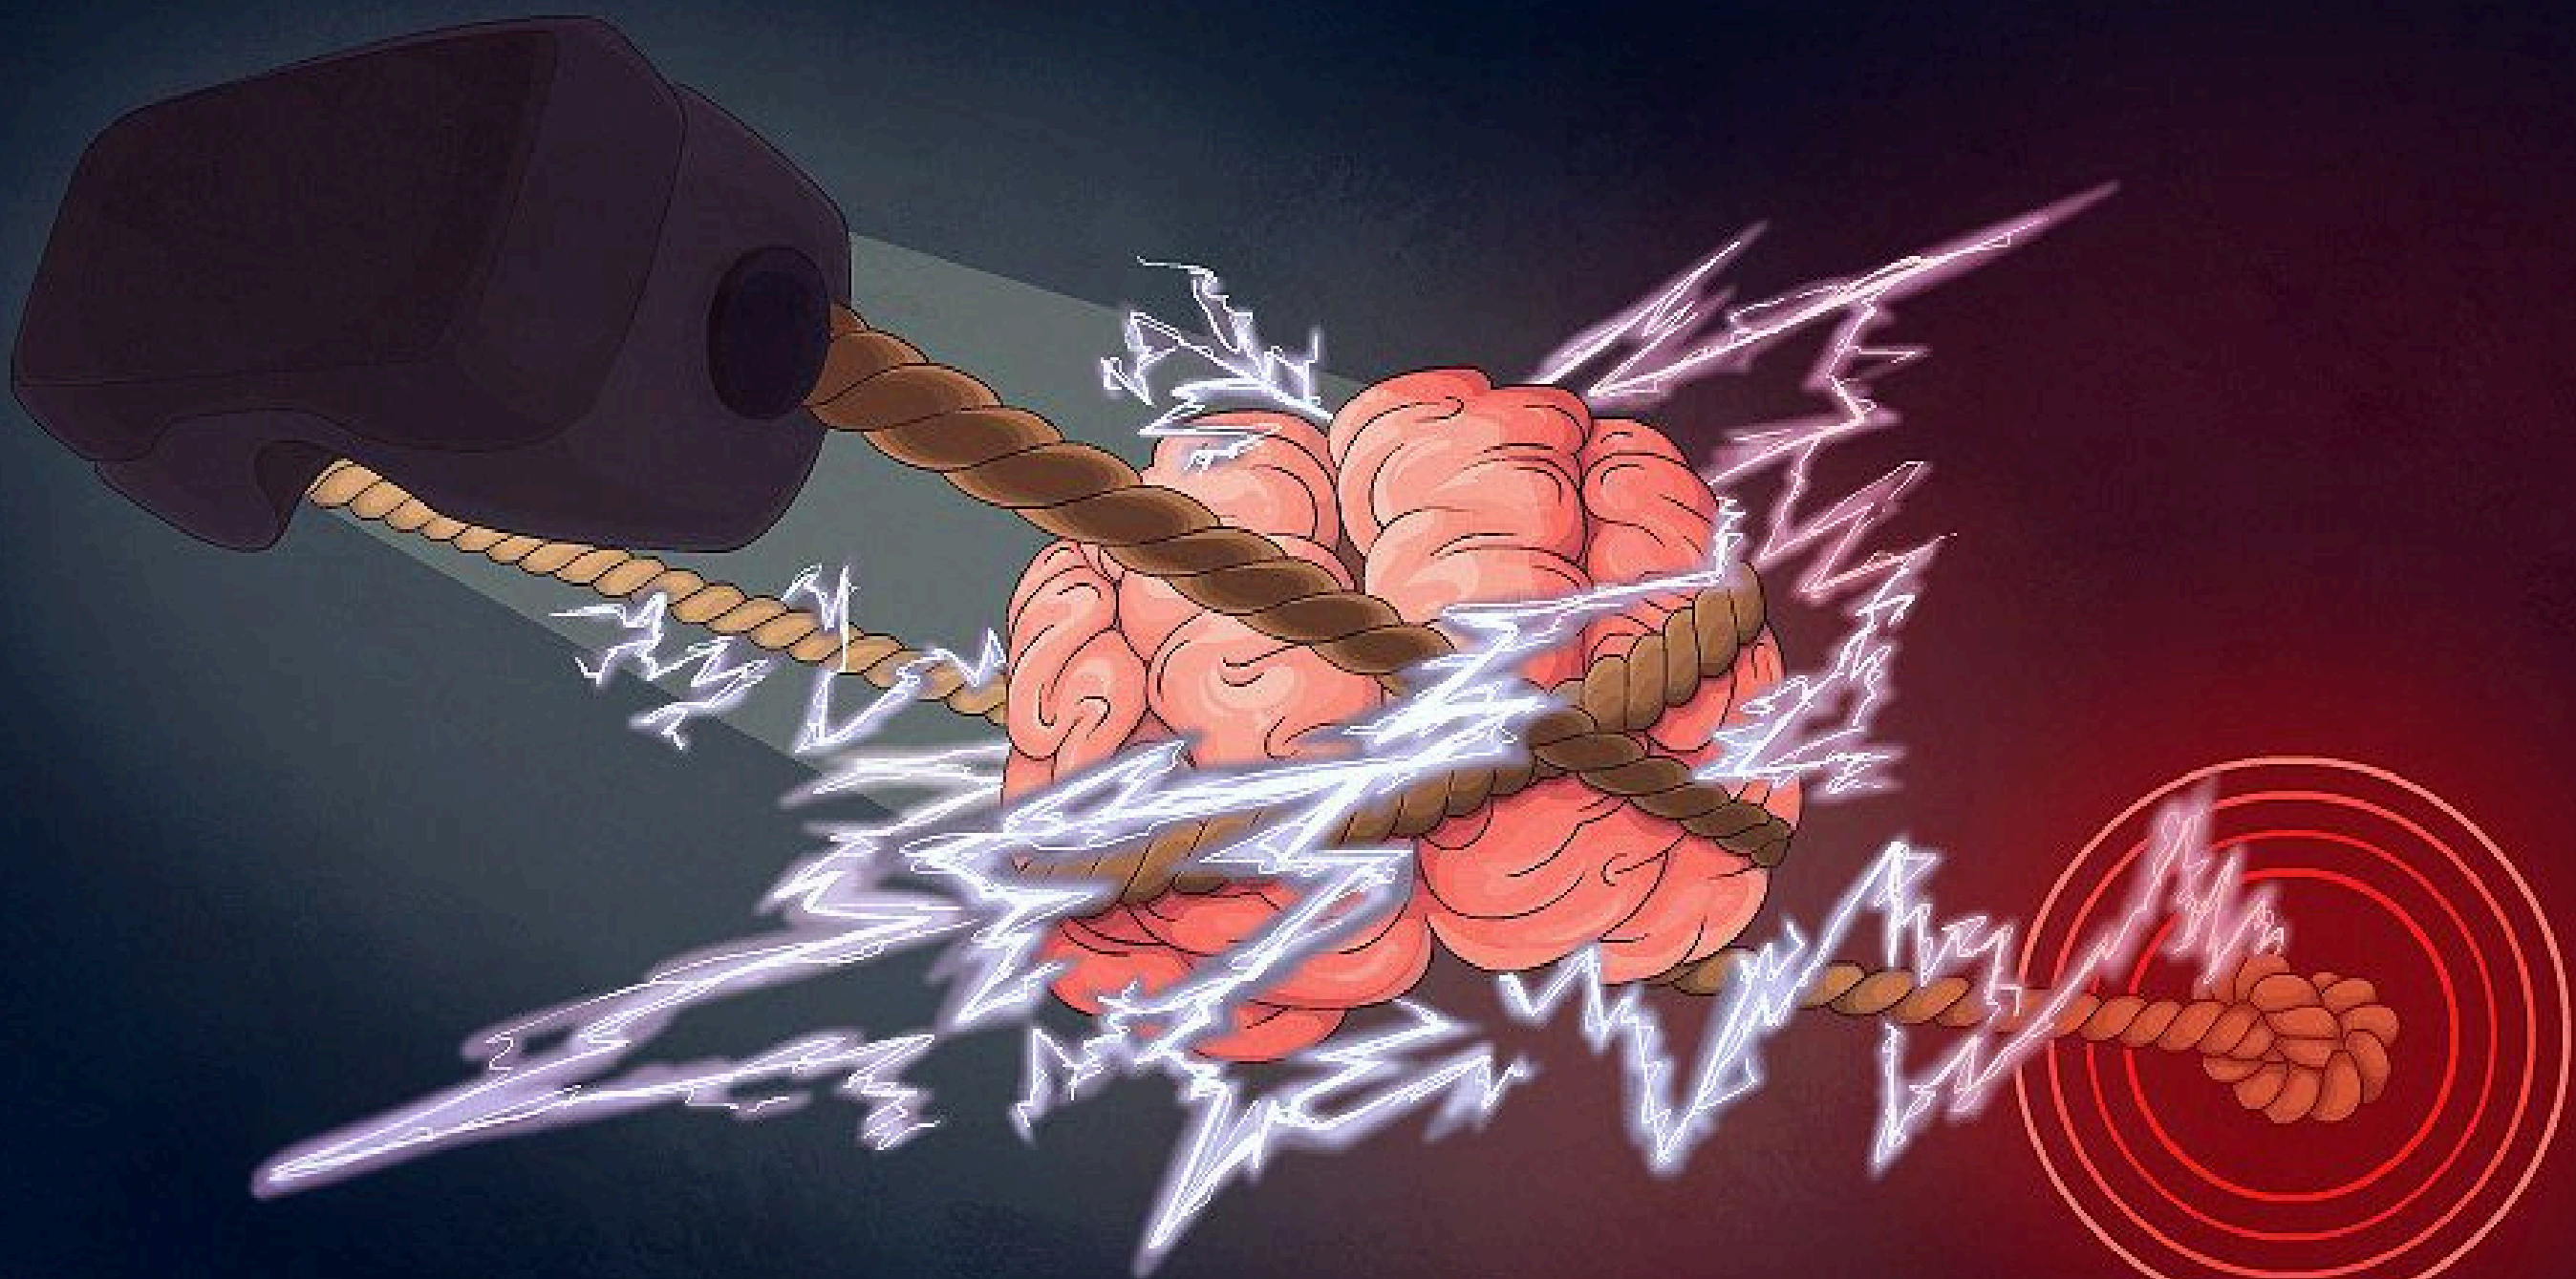

## Requirements:

- Include: authors, program or department, affiliation, and supervisor (if applicable)
- Abstract should be no longer than 250 words
- May be in English or French
- Topic: VR in child health care

## Submit your abstract here:

<https://www.mcgill.ca/virtualrealityforchildcare/inscription-latelier-de-rv-vr-workshop-registration>

**Virtual Reality Workshop**

**April 26, 2024 | Montréal, Qc, Canada**

# CALL FOR BOOTHS

**DEADLINE: 17 APRIL, 2024**

**The McGill Virtual Reality for Child Care hub is hosting its first, in-person, one-day VR workshop.**

We invite VR companies, start-ups, and organizations to:

- host a booth during the poster/booth session
- showcase your products and resources
- connect with healthcare professionals, researchers, and trainees interested in using VR clinically

**Submit your booth here:**

[mcgill.ca/virtualrealityforchildcare/inscription-latelier-de-rv-vr-workshop-registration](https://mcgill.ca/virtualrealityforchildcare/inscription-latelier-de-rv-vr-workshop-registration)

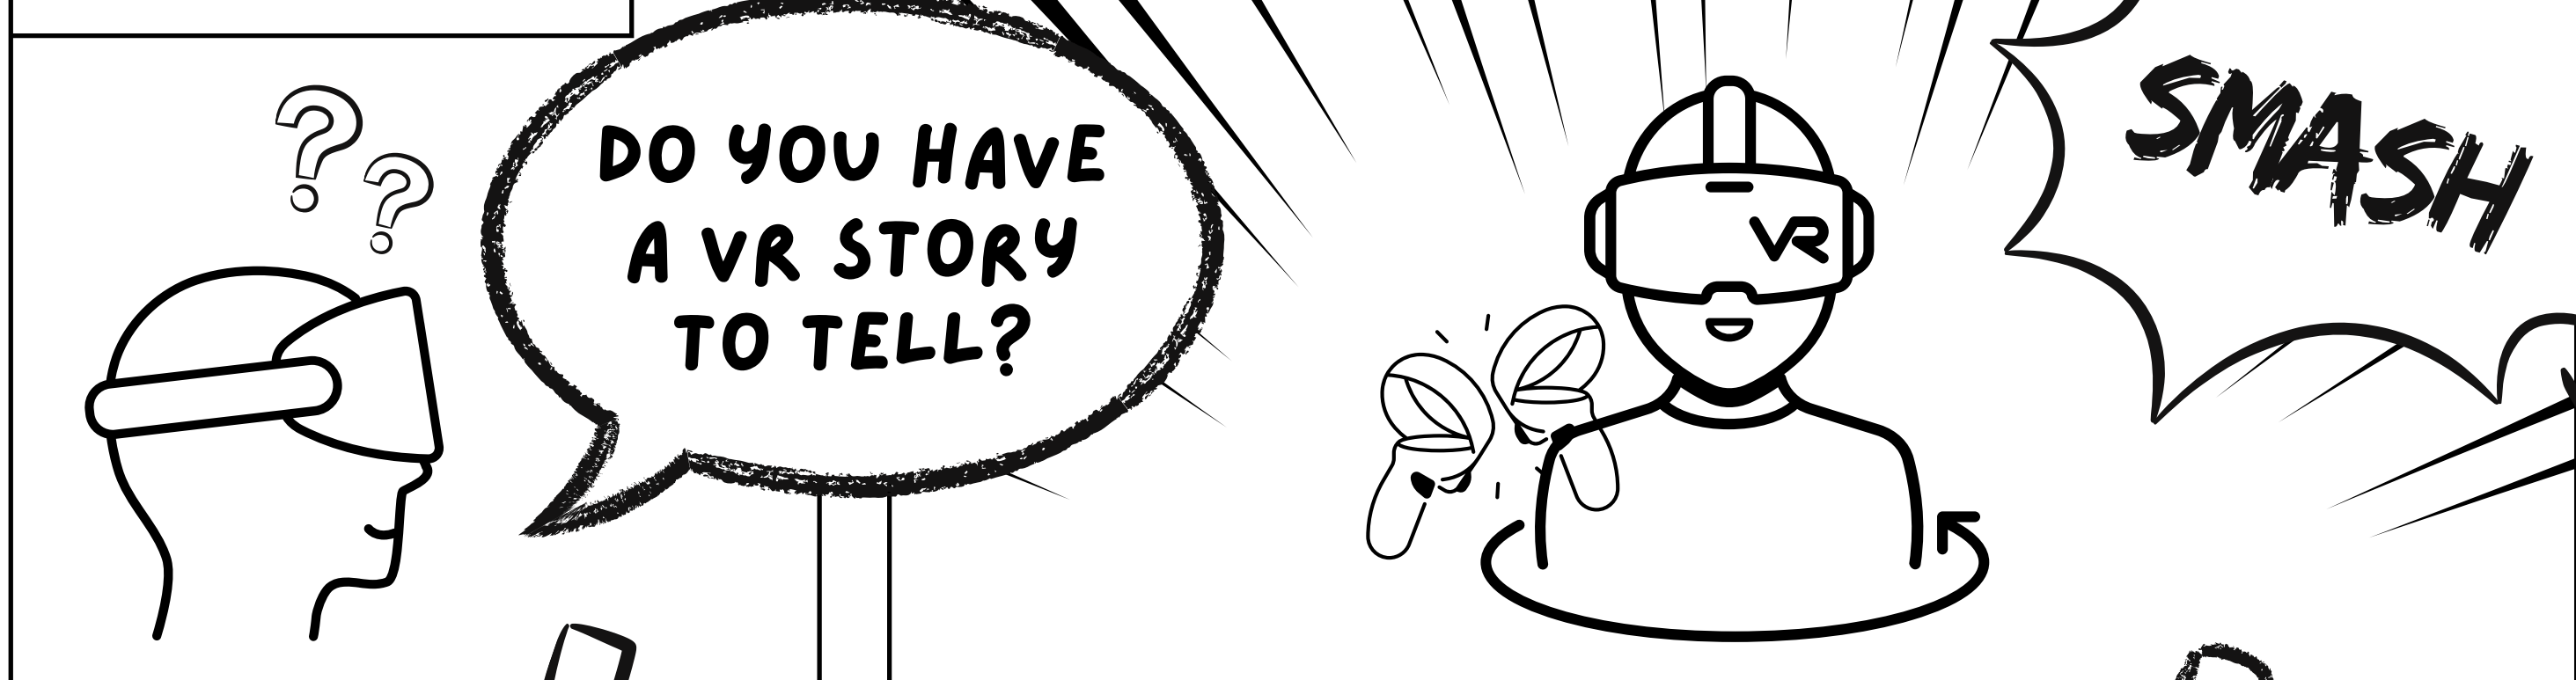

**VIRTUAL REALITY WORKSHOP**  
**APRIL 26, 2024 | MONTRÉAL, QC, CANADA**

# CONTRIBUTE: VR COMIC BOOK

**DEADLINE: 19 APRIL, 2024**

YOUR GREAT VR COMIC STRIP

ARE YOU INTERESTED IN CREATING VR COMIC STRIPS?

JOIN OUR LUNCH DISCUSSION TABLE TO BRAINSTORM IDEAS.

**INDICATE YOUR INTEREST HERE:**
